One Question Ken Coleman 2013-04-02 The motivating host of one of the nation's largest leadership conferences offers a collection of inspirational and applicable life lessons through conversations with various high profile people. Albert Einstein once said, "To raise new questions, new possibilities, to regard old problems from a new angle, requires creative imagination and marks real advance in science." What is true of science, I'm convinced, is true in all of life. Great questions are often the keys that unlock possibilities for human advancement. That truth has been proven again and again throughout human history, as great interviewers from Bob Costas to Barbara Walters have captivated audiences and ignited imaginations. In a world where the messages of public figures and politicians are carefully crafted by publicists and media consultants, we often receive only partial pictures and manipulated facts. The right questions uncover truths we might not otherwise know. They pull back the curtain on the wizard and give us a more accurate view of reality. —Excerpt from the Introduction If you could sit down with the people you most admire and ask just one question, what would you ask? One Question invites you to peer over the shoulder of a master interviewer with access to today's best and brightest as he delivers carefully crafted questions and collects answers guaranteed to surprise, challenge, and inspire. • What is Coach Tony Dungy's advice for achieving success while maintaining integrity? • What advice does Malcolm Gladwell give parents about instilling a work ethic in our children? • How does President Jimmy Carter suggest we continue forward and reinvent ourselves in new seasons? • What does Robin McGraw have to say to women about reaching their full potential both inside and outside their homes?

The Mousetrap Agatha Christie 2014 Melodrama; 5 male roles, 3 female roles.

Zap Paul Fleischman 2015-08-04 "High-school theater departments willing to experiment with something new might try this as an alternative to the same old reruns of Grease and Romeo and Juliet." —Kirkus Reviews Newbery Medalist Paul Fleischman has considered the advice of performers and producers in this newly refreshed and thoroughly updated edition of a high-school tour de force. When high school drama departments are not dusting off the old classics—over and over—they are constantly in search of new material. But what play could possibly suit the sound bite attention span of kids who flit from text messages to social networks throughout their day? Cue the lights for Zap, a nonstop farce that juxtaposes seven different plays—performed simultaneously—with comic genius. An extensive author's note provides information and insight on the plays and playwrights spoofed in Zap.

Programming Python Mark Lutz 2001 Accompanying CD-ROM has examples from the book, Python 2.0 interpreter and standard documentation manuals, Python-related software packages, and the full Python 2.0 source code for PC, Macintosh, and Unix platforms.

And Then There Were None Agatha Christie 2013-01-07 A BBC Radio 4 full-cast dramatisation of a classic Agatha Christie mystery, starring Lyndsey Marshal, Geoffrey Whitehead and John Rowe. Ten guests travel to an island at the invitation of someone named U.N. Owen. All are strangers, but they have two things in common: they have all been responsible for someone's death, and none will leave the island alive. Over the next two days and nights, each of the guests is killed off in a different manner in keeping with the nursery rhyme, 'Ten Little Soldier Boys'. As they are picked off one by one, who could possibly be responsible? The killers are forced to turn detective so they can find the unknown murderer, but one by one they become victims... Billed as 'the famous detective story without a detective', 'And Then There Were None' is one of Agatha Christie's darkest and most enduring tales.

The Mousetrap and Seven Other Plays Agatha Christie 2011 For the first time in a single combined B format, a new edition of Agatha Christie's eight stage plays, published to coincide with the 60th Anniversary Year of The Mousetrap, the longest-running play in history. THE MOUSETRAP, the longest-running play in the history of London's West End, begins its 60th Year run on 25 November 2011. This new edition of eight works show how Agatha Christie's plays are as compulsive as her novels, their colourful characters and ingenious plots providing yet more evidence of her mastery of the detective thriller. THE MOUSETRAP: Cut off by snowdrifts, the owners of a new guest house encounter terror when one of their first visitors turns out to be a homicidal maniac...AND THEN THERE WERE NONE: Ten guilty people are lured to an island mansion where an unknown killer begins to exact revenge...APPOINTMENT WITH DEATH: The suffocating heat of an exotic Middle-Eastern setting provides a backdrop for murder...THE HOLLOW: Beneath their respectable surface, a set of friends realize that any one of them could be a murderer...WITNESS FOR THE PROSECUTION: A scheming wife testifies against her husband in a shocking murder trial...TOWARDS ZERO: A psychopathic killer stalks unsuspecting victims in a seaside house perched high on a cliff...VERDICT: Passion and love are the deadly ingredients in this thriller in which a murder causes an unexpected chain of events...GO BACK FOR MURDER: A young woman discovers that her late mother was imprisoned for murdering her father and is determined to prove her innocence...

Enterprise Mac Administrators Guide CHARLES EDGE 2015-11-28 Charles Edge and Bill Smith provide detailed explanations of the technology required for large-scale Mac OS X deployments and show you how to integrate it with other operating systems and applications. Now in its second edition, Enterprise Mac Administrator's Guide addresses the growing size and spread of Mac OS X deployments in corporations and institutions worldwide. In some cases, this is due to the growth of traditional Mac environments, but for the most part it has to do with organizations instituting device choice and switcher campaigns, where Windows and/or Linux environments are migrating to Mac OS X. There is a steep culture shock with many of these migrations. The products that are used are different, the nomenclature is different, and most importantly the best practices for dealing with the operating system and updates are very different. Apple provides a number of tools to help automate and guide IT toward managing a large number of Mac OS X computers—it has since before Mac OS X was initially released. However, if you want to put together all of the pieces to tell a compelling story about how to run an IT department or a deployment of Macs, you need to compile information from a number of different sources. This book provides explanations of the technology required. What You'll Learn Choose a directory services model that works for your organization and integrate it into your existing model Choose an imaging model and begin imaging workstations with or without third-party products Use the Mac App Store and Apple's Volume Purchasing Program to deploy apps Leverage scripting techniques to reduce labor for the IT department Provide network services (file sharing, mobile home folders, messaging, etc.) to the Mac OS X clients Who This Book Is For System administrators and IT professionals who need to manage a large number of Mac OS X computers, be they Mac OS X–based servers or workstations. The assumption is that readers are somewhat familiar with Mac OS X and/or IT in general, but not that they are familiar with the Apple system internals, server services, or deployment techniques.

Script Analysis for Actors, Directors, and Designers James Thomas 2009-02-17 Script Analysis for Actors, Directors, and Designers applies directly to the experience of theatrical production. You will immediately be able to inforporate the concepts and processes you learn into both your practical and creative work. Whether you are an actor, a director, or a designer, you will benefit from clear and comprehensive examples, end-of-chapter questions, and summaries meant to stimulate their creative process as they engage in production work. Based on the premise that plays should be objects of study in and of themselves, Script Analysis for Actors, Directors, and Designers teaches an established system of classifications that examines the written part of a play. This fourth edition will include in-depth analysis of unconventional plays, which are more frequent on amateur and professional stages. These plays present unique analytical challenges that the author teaches you the unusual ways in which the subject matter operates in unconventional plays.

The Mousetrap Agatha Christie 1982 Melodrama / 5m, 3f / Int. The author comes forth with another hit about a group of strangers stranded in a boarding house during a snow storm, one of whom is a murderer. The suspects include the newly married couple who run the house, and the suspicions that are in their minds nearly wreck their perfect marriage. Others are a spinster with a curious background, an architect who seems better equipped to be a chef, a retired Army major, a strange little man who claims his car has overturned in a drift, and a jurist who makes life miserable for everyone. Into their midst comes a policeman, traveling on skis. He no sooner arrives, than the jurist is killed. Two down, and one to go. To get to the rationale of the murderer's pattern, the policeman probes the background of everyone present, and rattles a lot of skeletons. Another famous Agatha Christie switch finish! Chalk up another superb intrigue for the foremost mystery writer of her time.

Charley's Aunt Brandon Thomas 2013-04 "I'm no ordinary woman..." Jack is in love with Kitty, Charley with Amy and both need Charley's Aunt to help. But when she doesn't turn up, they coerce their friend and fellow student into posing as the widowed millionaire, so they can confess their feelings to the girls. Things become more complicated when first, Jack's father and then Amy's uncle turn up. Both take a keen interest in Charley's Aunt, "from Brazil - where the nuts come from." One of the most popular comic farces of all time, Charley's Aunt has been loved since its original performances in 1893 and the continuous four year run that followed. The original dialogue is retained in this edition, refreshed with modern stage direction and a new introduction.

Linux For Dummies Richard Blum 2009-07-17 One of the fastest ways to learn Linux is with this perennial favorite Eight previous top-selling editions of Linux For Dummies can't be wrong. If you've been wanting to migrate to Linux, this book is the best way to get there. Written in easy-to-follow, everyday terms, Linux For Dummies 9th Edition gets you started by concentrating on two distributions of Linux that beginners love: the Ubuntu LiveCD distribution and the gOS Linux distribution, which comes pre-installed on Everex computers. The book also covers the full Fedora distribution. Linux is an open-source operating system and a low-cost or free alternative to Microsoft Windows; of numerous distributions of Linux, this book covers Ubuntu Linux, Fedora Core Linux, and gOS Linux, and includes them on the DVD. Install new open source software via Synaptic or RPM package managers Use free software to browse the Web, listen to music, read e-mail, edit photos, and even run Windows in a virtualized environment Get acquainted with the Linux command line If you want to get a solid foundation in Linux, this popular, accessible book is for you. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

The Road Cormac McCarthy 2007-03-20 WINNER OF THE PULITZER PRIZE • NATIONAL BESTSELLER • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). • From the bestselling author of The Passenger A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's latest bestselling novels, The Passenger and Stella Maris.

Towards Zero Agatha Christie 2019-01-18 When a house party gathers at Gull's Point, the seaside home of Lady Tressilian, Neville Strange finds himself caught between his old wife Audrey and his new flame Kay. A nail-biting thriller, the play probes the psychology of jealousy in the shadow of a savage and brutal murder. A carefully unpeeled investigation before our eyes brings the story to a pointed ending.

A Prayer for Owen Meany John Irving 2002 A story of friendship through adversity, faith and destiny, and the search for God.

Proofreading, Revising & Editing Skills Success in 20 Minutes a Day Brady Smith 2003 This comprehensive guide will prepare candidates for the test in all 50 states. It includes four complete practice exams, a real estate refresher course and complete math review, as well as a real estate terms glossary with over 900 terms, and expert test-prep tips.

The Play That Goes Wrong Henry Lewis 2014-04-23 Good evening. I'm Inspector Carter. Take my case. This must be Charles Haversham! I'm sorry, this must've given you all a damn shock. After benefitting from a large and sudden inheritance, the inept and accident-prone Cornley Polytechnic Drama Society embark on producing an ambitious 1920s murder mystery. They are delighted that neither casting issues nor technical hitches currently stand in their way. However, hilarious disaster ensues and the cast start to crack under the pressure, but can they get the production back on track before the final curtain falls? The Play That Goes Wrong is a farcical murder mystery, a play within a play, conceived and performed by award-winning company Theatre Mischief. It was first published as a one-act play and is published in this new edition as a two-act play.

Flowers in the Attic V.C. Andrews 2005-08-02 This is the extraordinary novel that has captured millions in its spell!

Hoot Carl Hiaasen 2005-12-27 This Newbery Honor winner and #1 New York Times bestseller is a beloved modern classic. Hoot features a new kid and his new bully, alligators, some burrowing owls, a renegade eco-avenger, and several extremely poisonous snakes. Everybody loves Mother Paula's pancakes. Everybody, that is, except the colony of cute but endangered owls that live on the building site of the new restaurant. Can the awkward new kid and his feral friend prank the pancake people out of town? Or is the owls' fate cemented in pancake batter? Welcome to Carl Hiaasen's Florida—where the creatures are wild and the people are wilder!

The Glass Menagerie Tennessee Williams 1948

Curtain Up Julius Green 2015-12-01 "[Julius] Green turned detective himself and scoured archives around the world to uncover a number of unpublished, unknown works . . . This book is a treat." —Independent (UK) From the producer of numerous Agatha Christie stage plays comes the first book to examine the world's bestselling mystery writer's career and work as a playwright, published to commemorate her 125th birthday. Agatha Christie has long been revered around the world for her mysteries and the indelible characters she created, Miss Jane Marple and Hercule Poirot. In addition to her contributions as a novelist, this gifted writer was also an acclaimed playwright. Offering a unique, in-depth look at her work for the stage, Curtain Up analyzes her plays and features excerpts from Agatha Christie's correspondences, notebooks, and several unpublished and unperformed scripts quoted from for the first time. Meticulously researched, peppered with groundbreaking discoveries—including a detaile discussion of her only play to premiere in America—Curtain Up sheds new light on Christie's artistry and adds a fascinating layer to her remarkable story.

The Woman in Black Susan Hill 2011-10-18 The classic ghost story from the author of The Mist in the Mirror: a chilling tale about a menacing spectre haunting a small English town. Arthur Kipps is an up-and-coming London solicitor who is sent to Crythin Gifford—a faraway town in the windswept salt marshes beyond Nine Lives Causeway—to attend the funeral and settle the affairs of a client, Mrs. Alice Drablow of Eel Marsh House. Mrs. Drablow's house stands at the end of the causeway, wreathed in fog and mystery, but Kipps is unaware of the tragic secrets that lie hidden behind its sheltered windows. The routine business trip he anticipated quickly takes a horrifying turn when he finds himself haunted by a series of mysterious sounds and images—a rocking chair in a deserted nursery, the eerie sound of a pony and trap, a child's scream in the fog, and, most terrifying of all, a ghostly woman dressed all in black. Psychologically terrifying and deliciously eerie, The Woman in Black is a remarkable thriller of the first rate. The basis for the major motion picture starring Daniel Radcliffe.

Twin Crowns Catherine Doyle 2022-05-17 A high-stakes fantasy rom-com about twin princesses separated at birth—one raised as the crown princess, and the other taken as an infant and raised to kidnap her sister, steal the crown, and avenge the parents' murders—the first novel in a new YA duology from bestselling UK authors Catherine Doyle and Katherine Webber. Perfect for fans of The Selection, My Lady Jane, and Caraval. Wren Greenrock has always known that one day she'd steal her sister's place on the throne. Trained from birth to return to the palace and avenge her parents' murder, she'll do anything to become

queen and protect the community of witches who raised her. Or she would, if only a certain guard wasn't quite so distractingly attractive, and if her reckless magic would stop causing trouble. . . . Princess Rose Valhart knows that with power comes responsibility—and she won't let a small matter like waking up in the desert with an extremely impertinent (and very handsome) kidnapper get in the way of her duty. But life outside the palace is wilder and more beautiful than she ever imagined, and the witches she has long feared might turn out to be the family she never had. But as coronation day looms and each sister strives to claim her birthright, an old enemy becomes increasingly determined that neither will succeed. Who will ultimately rise to power and wear the crown?

A View from the Bridge Arthur Miller 2009-07 A modern tragedy in ordinary lives.

Start with Why Simon Sinek 2011-12-27 The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

Impro Keith Johnstone 2012-11-12 Keith Johnstone's involvement with the theatre began when George Devine and Tony Richardson, artistic directors of the Royal Court Theatre, commissioned a play from him. This was in 1956. A few years later he was himself Associate Artistic Director, working as a play-reader and director, in particular helping to run the Writers' Group. The improvisatory techniques and exercises evolved there to foster spontaneity and narrative skills were developed further in the actors' studio then in demonstrations to schools and colleges and ultimately in the founding of a company of performers, called The Theatre Machine. Divided into four sections, 'Status', 'Spontaneity', 'Narrative Skills', and 'Masks and Trance', arranged more or less in the order a group might approach them, the book sets out the specific techniques and exercises which Johnstone has himself found most useful and most stimulating. The result is both an ideas book and a fascinating exploration of the nature of spontaneous creativity.

Daisy Pulls it Off Denise Deegan 1985-01-01 Follows the adventures of a poor but plucky scholarship student as she tries to find acceptance at an exclusive English boarding school for young ladies.

The Hollow Agatha Christie 1952 An unhappy game of romantic follow-the-leader explodes into murder one weekend at The Hollow, home of Sir Henry and Lucy Angkatell, arguably Christie's finest comic grande dame. Dr. Cristow, the Harley Street lothario, is at the centre of the trouble when, assembled in one place, we find his dull but devoted wife Gerda, his mistress and prominent sculptor Henrietta and his former lover and Hollywood film star Veronica. Also visiting are Edward and Midge whose romantic assertions are likewise thrown into the mix. As the list of romantic associations grows so does the list of potential suspects when Cristow is shot dead. Nearly everyone has a motive but only one of them did the deed.

Black Coffee Agatha Christie 1961 Mystery/Thriller Characters: 10 males, 3 females Interior Set This little known mystery will surprise and delight Christie fans. The story concerns a physicist named Sir Claude Amory who has come up with a formula for an atom bomb (Black Coffee was written in 1934!). In the first act, Sir Claude is poisoned (in his coffee, naturally) and Hercule Poirot is called in to solve the case. He does so after many wonderful twists and turns in true Christie tradition.

Hacker, Hoaxer, Whistleblower, Spy Gabriella Coleman 2015-10-06 The ultimate book on the worldwide movement of hackers, pranksters, and activists collectively known as Anonymous—by the writer the Huffington Post says "knows all of Anonymous' deepest, darkest secrets" "A work of anthropology that sometimes echoes a John le Carré novel." —Wired Half a dozen years ago, anthropologist Gabriella Coleman set out to study the rise of this global phenomenon just as some of its members were turning to political protest and dangerous disruption (before Anonymous shot to fame as a key player in the battles over WikiLeaks, the Arab Spring, and Occupy Wall Street). She ended up becoming so closely connected to Anonymous that the tricky story of her inside–outside status as Anon confidante, interpreter, and erstwhile mouthpiece forms one of the themes of this witty and entirely engrossing book. The narrative brims with details unearthed from within a notoriously mysterious subculture, whose semi-legendary tricksters—such as Topiary, tflow, Anachaos, and Sabu—emerge as complex, diverse, politically and culturally sophisticated people. Propelled by years of chats and encounters with a multitude of hackers, including imprisoned activist Jeremy Hammond and the double agent who helped put him away, Hector Monsegur, Hacker, Hoaxer, Whistleblower, Spy is filled with insights into the meaning of digital activism and little understood facets of culture in the Internet age, including the history of "trolling," the ethics and metaphysics of hacking, and the origins and manifold meanings of "the lulz."

Editorials on File 1970

The Brain David Eagleman 2015-10-06 Locked in the silence and darkness of your skull, your brain fashions the rich narratives of your reality and your identity. Join renowned neuroscientist David Eagleman for a journey into the questions at the mysterious heart of our existence. What is reality? Who are "you"? How do you make decisions? Why does your brain need other people? How is technology poised to change what it means to be human? In the course of his investigations, Eagleman guides us through the world of extreme sports, criminal justice, facial expressions, genocide, brain surgery, gut feelings, robotics, and the search for immortality. Strap in for a whistle-stop tour into the inner cosmos. In the infinitely dense tangle of billions of brain cells and their trillions of connections, something emerges that you might not have expected to see in there: you. This is the story of how your life shapes your brain, and how your brain shapes your life. (A companion to the six-part PBS series. Color illustrations throughout.)

Building a Better Mouse Trap Jeffrey S. Donovan 1992 With this book, readers learn to control the mouse and mouse driver for better performance, and explore Windows programming for the mouse. The book is loaded with programming examples and includes a complete function reference to all 50 documented mouse functions. The accompanying disk is filled with sample code, a new Sprite driver to duplicate the mouse cursor, code for defining Windows cursor shapes in DOS applications, and more.

InfoWorld 1991

The Crime Films of Anthony Mann Max Alvarez 2013-11-01 Anthony Mann (1906-1967) is renowned for his outstanding 1950s westerns starring James Stewart (Winchester '73, The Naked Spur, The Man from Laramie). But there is more to Mann's cinematic universe than those tough Wild West action dramas featuring conflicted and secretive heroes. This brilliant Hollywood craftsman also directed fourteen electrifying crime thrillers between 1942 and 1951, among them such towering achievements in film noir as T-Men, Raw Deal, and Side Street. Mann was as much at home filming dark urban alleys in black-and-white as he was the prairies and mountains in Technicolor, and his protagonists were no less conflicted and secretive than his 1950s cowboys. In these Mann crime thrillers we find powerful stories of sexual obsession (The Great Flamarion), the transforming images of women in wartime and postwar America (Strangers in the Night, Strange Impersonation), exploitation of Mexican immigrants (Border Incident), studies of the criminal mind (He Walked by Night), and Civil War bigotry (The Tall Target). Mann's forceful camera captured such memorable and diverse stars as Erich von Stroheim, Farley Granger, Dennis O'Keefe, Claire Trevor, Richard Basehart, Ricardo Montalbán, Ruby Dee, and Raymond Burr. The Crime Films of Anthony Mann features analysis of rare documents, screenplays, story treatments, and studio memoranda and reveals detailed behind-the-scenes information on preproduction and production on the Mann thrillers. Author Max Alvarez uses rare and newly available sources to explore the creation of these noir masterworks. Along the way, the book exposes secrets and solves mysteries surrounding the mercurial director and his remarkable career, which also included Broadway and early live television.

Pro JavaScript Techniques John Resig 2007-05-01 This book addresses today's approach to JavaScript in detail: modern browser support, including information on Internet Explorer 7; Object-Oriented JavaScript; testing and debugging; unobtrusive JavaScript techniques using DOM Scripting; Ajax; creating and using blocks of reusable code, and the future of JavaScript. All the concepts expressed in this up-to-the-minute reference are thoroughly backed up with real world examples and full-scale case studies. The book offers reusable functions for readers to use in their own projects, a significant time-saver. Also included are several reference sections that allow developers to look up details quickly and easily.
