Gender and the Jubilee Sharon Romeo 2016 CHAPTER 5 The Legacy of Slave Marriage: Freedwomen's Marital Claims and the Process of Emancipation -- Epilogue -- Notes -- Bibliography -- Index -- A -- B -- C -- D -- E -- F -- G -- H -- I -- J -- K -- L -- M -- N -- O -- P -- R -- S -- T -- U -- V -- W

Love of Freedom Catherine Adams 2010-02-01 They baked New England's Thanksgiving pies, preached their faith to crowds of worshippers, spied for the patriots during the Revolution, wrote that human bondage was a sin, and demanded reparations for slavery. Black women in colonial and revolutionary New England sought not only legal emancipation from slavery but defined freedom more broadly to include spiritual, familial, and economic dimensions. Hidden behind the banner of achieving freedom was the assumption that freedom meant affirming black manhood. The struggle for freedom in New England was different for men than for women. Black men in colonial and revolutionary New England were struggling for freedom from slavery and for the right to patriarchal control of their own families. Women had more complicated desires, seeking protection and support in a male headed household while also wanting personal liberty. Eventually women who were former slaves began to fight for dignity and respect for womanhood and access to schooling for black children.

Religion in the Kitchen Elizabeth Pérez 2016-02-16 Honorable Mention, 2019 Barbara T. Christian Literary Award, given by the Caribbean Studies Association Winner, 2017 Clifford Geertz Prize in the Anthropology of Religion, presented by the Society for the Anthropology of Religion section of the American Anthropological Association Finalist, 2017 Albert J. Raboteau Prize for the Best Book in Africana Religions presented by the Journal of Africana Religions An examination of the religious importance of food among Caribbean and Latin American communities Before honey can be offered to the Afro-Cuban deity Ochún, it must be tasted, to prove to her that it is good. In African-inspired religions throughout the Caribbean, Latin America, and the United States, such gestures instill the attitudes that turn participants into practitioners. Acquiring deep knowledge of the diets of the gods and ancestors constructs adherents' identities; to learn to fix the gods' favorite dishes is to be "seasoned" into their service. In this innovative work, Elizabeth Pérez reveals how seemingly trivial "micropractices" such as the preparation of sacred foods, are complex rituals in their own right. Drawing on years of ethnographic research in Chicago among practitioners of Lucumí, the transnational tradition popularly known as Santería, Pérez focuses on the behind-the-scenes work of the primarily women and gay men responsible for feeding the gods. She reveals how cooking and talking around the kitchen table have played vital socializing roles in Black Atlantic religions. Entering the world of divine desires and the varied flavors that speak to them, this volume takes a fresh approach to the anthropology of religion. Its richly textured portrait of a predominantly African-American Lucumí community reconceptualizes race, gender, sexuality, and affect in the formation of religious identity, proposing that every religion coalesces and sustains itself through its own secret recipe of micropractices.

The Original Black Elite Elizabeth Dowling Taylor 2017-01-31 In this outstanding cultural biography, the author of the New York Times bestseller *A Slave in the White House* chronicles a critical yet overlooked chapter in American history: the inspiring rise and calculated fall of the black elite, from Emancipation through Reconstruction to the Jim Crow Era—embodied in the experiences of an influential figure of the time, academic, entrepreneur, and political activist and black history pioneer Daniel Murray. In the wake of the Civil War, Daniel Murray, born free and educated in Baltimore, was in the vanguard of Washington, D.C.'s black upper class. Appointed Assistant Librarian at the Library of Congress—at a time when government appointments were the most prestigious positions available for blacks—Murray became wealthy through his business as a construction contractor and married a college-educated socialite. The Murrays' social circles included some of the first African-American U.S. Senators and Congressmen, and their children went to the best colleges—Harvard and Cornell. Though Murray and other black elite of his time were primed to assimilate into the cultural fabric as Americans first and people of color second, their prospects were crushed by Jim Crow segregation and the capitulation to white supremacist groups by the government, which turned a blind eye to their unlawful—often murderous—acts. Elizabeth Dowling Taylor traces the rise, fall, and disillusionment of upper-class African Americans, revealing that they were a representation not of hypothetical achievement but what could be realized by African Americans through education and equal opportunities. As she makes clear, these well-educated and wealthy elite were living proof that African Americans did not lack ability to fully participate in the social contract as white supremacists claimed, making their subsequent fall when Reconstruction was prematurely abandoned all the more tragic.

Illuminating and powerful, her magnificent work brings to life a dark chapter of American history that too many Americans have yet to recognize.

God's Amazing Grace: Reconciling Four Centuries of African American Marriages and Families

Terry M. Turner 2017-12-18 "God's Amazing Grace: Reconciling Four Centuries of African American Marriages and Families is an insightful study that will be welcomed by thoughtful practitioners and all who ponder the African American family's complexity. Readers familiar with the deep, rich reservoir of African American family literature will recognize many of the black scholars referenced in this work. Readers unfamiliar with these sources will be grateful to discover them and the effective use of disparate literature. "This work will become a different kind of guide for studying American history through the lens of the African American family. Underneath all the research is the search for answers to the compelling questions: Is there a correlation between slave owners' denial to slaves, God's design for the family, and the familial chaos that has plagued African American families for more than a hundred fifty years? And if there is connection, what is it? "The author has brought something new to a familiar topic of discussion—the Bible. The unique moral compass that steered this study is solidly anchored in the bedrock of holy scripture. In this work, the history and sociology of African American marriages are examined in light of the questions asked by Holy Scripture. In so doing, Dr. Turner skillfully attempts to help readers make sense of the story of black families in America. May this book mark the beginning to a new reality for African American families" (Dr. Willie Peterson, senior executive advisor, adjunct professor of Pastoral Ministries, Dallas Theological Seminary). *Within the Plantation Household* Elizabeth Fox-Genovese 1988 Discusses how class, race, and gender shaped women's experiences in the South

The Free-Market Family Maxine Eichner 2019-12-11 US families have been pushed to the wall. At the bottom of the economic ladder, poor and working-class adults aren't forming stable relationships and can't give their kids the start they need because of low wages and uncertain job prospects. Toward the top, professional parents' lives have become a grinding slog of long hours of paid work. Meanwhile their kids are overstressed by pressure to succeed and get into good colleges. In this provocative book, Maxine Eichner argues that these very different struggles might seem unconnected, but they share the same root cause: the increasingly large toll that economic inequality and insecurity are taking on families. It's government rather than families that's to blame, Eichner persuasively contends. Since the 1970s, politicians have sold families out to the wrongheaded notion that the free market alone best supports them. In five decades of "free-market family policy," they've scrapped government programs and gutted market regulations that had helped families thrive. The consequence is the steady drumbeat of bad news we hear about our country today: the opioid epidemic, skyrocketing suicide and mental illness rates, "deaths of despair," and mediocre student achievement scores. Meanwhile, politicians just keep telling families to work a little harder. The Free-Market Family documents US families' impossible plight, showing how much worse they fare than families in other countries. It then demonstrates how politicians' free-market illusions steered our nation wildly off course. Finally, it shows how, using commonsense measures, we can restructure the economy to work for families, rather than the reverse. Doing so would invest in our children's futures, increase our wellbeing, reknit our social fabric, and allow our country to reclaim the American Dream.

Ugly Freedoms Elisabeth R. Anker 2021-12-17 In *Ugly Freedoms* Elisabeth R. Anker reckons with the complex legacy of freedom offered by liberal American democracy, outlining how the emphasis of individual liberty has always been entangled with white supremacy, settler colonialism, climate destruction, economic exploitation, and patriarchy. These "ugly freedoms" legitimate the right to exploit and subjugate others. At the same time, Anker locates an unexpected second type of ugly freedom in practices and situations often dismissed as demeaning, offensive, gross, and ineffectual but that provide sources of emancipatory potential. She analyzes both types of ugly freedom at work in a number of texts and locations, from political theory, art, and film to food, toxic dumps, and multispecies interactions. Whether examining how Kara Walker's sugar sculpture *A Subtlety*, Or the Marvelous Sugar Baby reveals the importance of sugar plantations to liberal thought or how the impoverished neighborhoods in *The Wire* blunt neoliberalism's violence, Anker shifts our perspective of freedom by contesting its idealized expressions and expanding the visions for what freedom can look like, who can exercise it, and how to build a world free from domination.

Cozy Case Files, Volume 19 Ellie Alexander 2023-08-22 Looking for a new cozy series? In the new edition of *Cozy Case Files*, Minotaur Books compiles the beginnings of eight charming cozy mysteries publishing in Fall 2023 for free for easy sampling. The nineteenth edition of *Cozy Case Files* features cozies from the

following authors: Ellie Alexander, Donna Andrews, M.C. Beaton with R.W. Green, Cate Conte, Celeste Connally, Diane Kelly, Korina Moss, and Elizabeth Penney. Check out the historical series debut Act Like a Lady, Think Like a Lord, it's Bridgerton meets Agatha Christie. Find out what in the bleu blazes is happening in Case of the Bleus. Or discover if an arrow really did go astray in Dead on Target. Who doesn't love a good holiday? Don't be a scaredy cat around Halloween and read Nine Lives and Alibis. Or double, double, toil and truffle in Catch Me if You Candy. Celebrate Guy Fawkes Night across the pond in The Fatal Folio. A fire and a hot beverage make the perfect pairing for these Christmas mysteries: Snow Place for Murder and Let it Crow! Let it Crow! Let it Crow!

A Path Through Suffering Elisabeth Elliot 2003-10-24 Must we stumble through sorrow and tragedy without understanding or is there a lighted way--a path--through suffering? Elisabeth Elliot plots the treacherous passage through pain, grief, and loss a journey most of us will make many times in our life. Through it all, she says, there is only one reliable path, and if you walk it, you will see the transformation of all your losses, heartbreaks, and tragedies into something strong and purposeful. In this powerful moving book, Elisabeth Elliot does not hesitate to ask hard questions, to examine tenderly the hurts we suffer, and to explore boldly the nature of God whose sovereign care for us is so intimate and perfect that he confounds our finite understanding. A Path through Suffering is a book for anyone searching for faith, comfort, and assurance.

Gender and Jim Crow Glenda Elizabeth Gilmore 2013-04-01 Glenda Gilmore recovers the rich nuances of southern political history by placing black women at its center. She explores the pivotal and interconnected roles played by gender and race in North Carolina politics from the period immediately preceding the disfranchisement of black men in 1900 to the time black and white women gained the vote in 1920. Gender and Jim Crow argues that the ideology of white supremacy embodied in the Jim Crow laws of the turn of the century profoundly reordered society and that within this environment, black women crafted an enduring tradition of political activism. According to Gilmore, a generation of educated African American women emerged in the 1890s to become, in effect, diplomats to the white community after the disfranchisement of their husbands, brothers, and fathers. Using the lives of African American women to tell the larger story, Gilmore chronicles black women's political strategies, their feminism, and their efforts to forge political ties with white women. Her analysis highlights the active role played by women of both races in the political process and in the emergence of southern progressivism. In addition, Gilmore illuminates the manipulation of concepts of gender by white supremacists and shows how this rhetoric changed once women, black and white, gained the vote.

Collecting, Processing and Presenting Geoscientific Information Martin H. Trauth 2018-03-26 This second edition is an intensively revised and updated version of the book MATLAB® and Design Recipes for Earth Sciences. It aims to introduce students to the typical course followed by a data analysis project in earth sciences. A project usually involves searching relevant literature, reviewing and ranking published books and journal articles, extracting relevant information from the literature in the form of text, data, or graphs, searching and processing the relevant original data using MATLAB, and compiling and presenting the results as posters, abstracts, and oral presentations using graphics design software. The text of this book includes numerous examples on the use of internet resources, on the visualization of data with MATLAB, and on preparing scientific presentations. As with the book MATLAB Recipes for Earth Sciences—4rd Edition (2015), which demonstrates the use of statistical and numerical methods on earth science data, this book uses state-of-the-art software packages, including MATLAB and the Adobe Creative Suite, to process and present geoscientific information collected during the course of an earth science project. The book's supplementary electronic material (available online through the publisher's website) includes color versions of all figures, recipes with all the MATLAB commands featured in the book, the example data, exported MATLAB graphics, and screenshots of the most important steps involved in processing the graphics.

Phoenix Elizabeth Richards 2014-06-12 Hoping for a fresh start after his rebirth as Phoenix, Ash Fisher receives a threatening visit from Purian Rose, who threatens to kill his fiancée unless he legally relegates Darklings to a brutal concentration camp.

Did You Know? Marjorie Charlot 2015-11-19 Did You Know?—Over One Hundred Facts about Haiti and Her Children looks in detail at a land and its people, uncovering the history, culture, challenges, and achievements of a country often stereotyped as deeply impoverished and bereft of any nobility of purpose. Tapping into her expertise in research and her familiarity with the wealth of resources residing in libraries, Marjorie Charlot, a supervisor and instructor at academic libraries, has gathered, curated, and prepared a topically organized collection of vignettes depicting Haiti and her children. Did You Know? presents these vignettes in chapters organized according to themes, including such topics as the Africans, art and culture, civil rights, great families, inventors, the military, pilots, religion, and science. Did You Know?—Over One Hundred Facts about Haiti and Her Children offers its guidance to an abundance of information about the Haitian people and their homeland. If you claim a place for Haiti in your own history, if you find yourself intrigued by the history of Haiti, or if you simply are one of those people with a deep hunger to learn more about the world, then Did You Know? will provide you with an approachable and informative introduction to Haiti and her children.

Abstracts of Wills on File in the Surrogate's Office New York (State). Surrogate's Court (New York County) 1905

Elizabeth Warren Antonia Felix 2018-08-28 A breakthrough Elizabeth Warren biography by best-selling author Antonia Felix. Elizabeth Warren's rise as one of America's most powerful women is a stirring lesson in persistence. From her fierce support of the middle class to her unapologetic response to political bullies, Warren is known as a passionate yet plain-speaking champion of equity and fairness. In the wake of one fellow senator's effort to silence her in 2016, three words became a rallying cry across the country: Nevertheless, she persisted... In this Elizabeth Warren book, best-selling author Antonia Felix carries readers from Warren's hardscrabble roots in Norman, Oklahoma, to her career as one of the nation's most distinguished legal scholars and experts on the economics of working Americans. Felix reveals how Senator Elizabeth Warren brought her expertise to Washington to become an icon of progressive politics in a deeply divided nation, and weaves together never-before-told stories from those who have journeyed with Warren from Oklahoma to the halls of power. Praise for Elizabeth Warren: Her Fight. Her Work. Her Life.: "Many politicians focus on the 'me'. Elizabeth Warren has always been about the 'we'—that sacred American bond of equal justice for all that Dr. King fought for. Felix's biography explains why we need her 'persistent' voice more than ever, now and in the future." — Congressman John Lewis "Felix is an excellent writer, and her book is, at its best, quite interesting." — NPR Books

Black Designers in American Fashion Elizabeth Way 2021-07-01 From Elizabeth Keckly's designs as a freewoman for Abraham Lincoln's wife to flamboyant clothing showcased by Patrick Kelly in Paris, Black designers have made major contributions to American fashion. However, many of their achievements have gone unrecognized. This book, inspired by the award-winning exhibition at the Museum at FIT, uncovers hidden histories of Black designers at a time when conversations about representation and racialized experiences in the fashion industry have reached all-time highs. In chapters from leading and up-and-coming authors and curators, Black Designers in American Fashion uses previously unexplored sources to show how Black designers helped build America's global fashion reputation. From enslaved 18th-century dressmakers to 20th-century "star" designers, via independent modistes and Seventh Avenue workers, the book traces the changing experiences of Black designers under conditions such as slavery, segregation, and the Civil Rights Movement. Black Designers in American Fashion shows that within these contexts Black designers maintained multifaceted practices which continue to influence American and global style today. Interweaving fashion design and American cultural history, this book fills critical gaps in the history of fashion and offers insights and context to students of fashion, design, and American and African American history and culture.

The Black Dahlia Files Don Wolfe 2006-09-05 In 1946, Elizabeth Short traveled to Hollywood to become famous and see her name up in lights. Instead, the dark-haired beauty became immortalized in the headlines as the "Black Dahlia" when her nude and bisected body was discovered in the weeds of a vacant lot. Despite the efforts of more than four hundred police officers and homicide investigators, the heinous crime was never solved. Now, after endless speculation and false claims, bestselling author Donald H. Wolfe discovers startling new evidence—buried in the files of the Los Angeles District Attorney's Office for more than half a century. With the aid of archival photos, news clippings, and investigative reports, Wolfe documents the riveting untold story that names the brutal murderer—the notorious Mafia leader, Benjamin "Bugsy" Siegel—and the motive—an unwanted pregnancy resulting from Short's involvement with the most powerful figure in Los Angeles, Norman Chandler. But Wolfe goes even further to unravel the large-scale cover-up behind the case. Wolfe's extensive research, based on the evidence he discovered in the recently opened LADA files, makes The Black Dahlia Files the authoritative work on the murder that has drawn endless scrutiny but remained unsolved—until now.

The Facts on File Companion to American Drama Jackson R. Bryer 2010 Features a comprehensive guide to American dramatic literature, from its origins in the early days of the nation to the groundbreaking works of today's best writers.

Pragmatic Stylistics Elizabeth Black 2006 A study of literary stylistics using pragmatic theories.

Under His Protection Lily Bishop 2014-08-01 Elizabeth Crowne is running for state attorney general and needs a bodyguard. After several death threats, she needs someone to keep her safe. Lee Thornton, owner of Security Solutions, fits the bill nicely. She doesn't have to tell him everything, and some secrets are best left unsaid. Two jaded loners find a connection, but nothing is as it seems. As Lee digs deeper for answers, he only finds more questions, uncovering a conspiracy that goes deeper than they every suspected. When those closest to you betray your trust, nothing is sacred. This book follows Lee Thornton, brother to Fox Thornton, in No Strings Attached. It can be read as a stand-alone, but if you want to start at the beginning, read No Strings Attached, City Lights Book 1.

Spies John Earl Haynes 2009-05-26 "This important new book . . . based on archival material . . . shows the huge extent of Soviet espionage activity in the United States during the 20th century" (The Telegraph). Based on KGB archives that have never been previously released, this stunning book provides the most complete account of Soviet espionage in America ever written. In 1993, former KGB officer Alexander Vassiliev was permitted unique access to Stalin-era records of Soviet intelligence operations against the United States. Years later, Vassiliev retrieved his extensive notebooks of transcribed documents from Moscow. With these notebooks, John Earl Haynes and Harvey Klehr have meticulously constructed a new and shocking historical account. Along with valuable insight into Soviet espionage tactics and the motives of Americans who spied for Stalin, Spies resolves many long-standing intelligence controversies. The book confirms that Alger Hiss cooperated with the Soviets over a period of years, that journalist I. F. Stone worked on behalf of the KGB in the 1930s, and that Robert Oppenheimer was never recruited by Soviet intelligence. Uncovering numerous American spies who never came under suspicion, this essential volume also reveals the identities of the last unidentified American nuclear spies. And in a gripping introduction, Vassiliev tells the story of his notebooks and his own extraordinary life.

Resistance and Empowerment in Black Women's Hair Styling Dr Elizabeth Johnson 2013-07-28 Elizabeth Johnson's Resistance and Empowerment in Black Women's Hair Styling develops the argument that one way Black women define themselves and each other, is by the way they style/groom their hair via endorsement by the media through advertisement, idealized identification of Black female celebrities, and encouragement by professional celebrity hair stylists who serve as change agents. As a result, hair becomes a physical manifestation of their self-identity, revealing a private and personal mindset. Her research answers the following questions: What is the relationship between Black females' choice of hairstyles/grooming and transmitted messages of aesthetics by the dominant culture through culturally specific magazines?; What role do the natural hair blogs/vlogs play as a change agent in encouraging or discouraging consumers grooming their hair in its natural state?; What impact does a globalized consumer market of Black hair care products have on Hispanic/Latinas and Bi-Racial women?; Are Black female Generation Y members more likely to receive backlash for failure to conform their hair to dominant standards in their hair adornment in the workplace? Johnson thus demonstrates that the major concern from messages sent to Black women about their hair is its impact on Black identity. Thus, the goal of Black women should be to break with hegemonic modes of seeing, thinking, and being for full liberation. This critical and deep consciousness will debunk the messages told to Black women that their kinky, frizzy, thick hair is undesirable, bad, unmanageable, and shackling.

The Routledge Companion to Black Women's Cultural Histories Janell Hobson 2021-03-17 In the social and cultural histories of women and feminism, Black women have long been overlooked or ignored. The Routledge Companion to Black Women's Cultural Histories is an impressive and comprehensive reference work for contemporary scholarship on the cultural histories of Black women across the diaspora spanning different eras from ancient times into the twenty-first century. Comprising over 30 chapters by a team of international contributors, the Companion is divided into five parts: A fragmented past, an inclusive future Contested histories, subversive memories Gendered lives, racial frameworks Cultural shifts, social change Black identities, feminist formations Within these sections, a diverse range of women, places, and issues are explored, including ancient African queens, Black women in early modern European art and culture, enslaved Muslim women in the antebellum United States, Sally Hemings, Phillis Wheatley, Black women writers in early twentieth-century Paris, Black women, civil rights, South African apartheid, and sexual violence and resistance in the United States in recent history. The Routledge Companion to Black Women's Cultural Histories is essential reading for students and researchers in Gender Studies, History, Africana Studies, and Cultural Studies.

Black Neighbors Elisabeth Lasch-Quinn 2017-10-06 Professing a policy of cultural and social integration, the American settlement house movement made early progress in helping immigrants adjust to life in American cities. However, when African Americans migrating from the rural South in the early twentieth century began to replace white immigrants in settlement environs, most houses failed to redirect their efforts toward their new neighbors. Nationally, the movement did not take a concerted stand on the issue of race until after World War II. In Black Neighbors, Elisabeth Lasch-Quinn analyzes this reluctance of the mainstream settlement house movement to extend its programs to African American communities, which, she argues, were assisted instead by a variety of alternative organizations. Lasch-Quinn recasts the traditional definitions, periods, and regional divisions of settlement work and uncovers a vast settlement movement among African Americans. By placing community work conducted by the YWCA, black women's clubs, religious missions, southern industrial schools, and other organizations within the settlement tradition, she highlights their significance as well as the mainstream movement's failure to recognize the enormous potential in alliances with these groups. Her analysis fundamentally revises our understanding of the role that race has played in American social reform.

Invisible Woman Ika Hügel-Marshall 2008 Invisible Woman: Growing Up Black in Germany, republished in a new annotated edition, recounts Ika Hügel-Marshall's experiences growing up as the daughter of a white German woman and an African-American man after World War II. As an «occupation baby», born in a small German town in 1947, Ika has a double stigma: Not only has she been born out of wedlock, but she is also Black. Although loved by her mother, Ika's experiences with German society's reaction to her skin color resonate with the insidiousness of racism, thus instilling in her a longing to meet her biological father. When she is seven, the state places her into a church-affiliated orphanage far away from where her mother, sister, and stepfather live. She is exposed to the scorn and cruelty of the nuns entrusted with her care. Despite the institutionalized racism, Ika overcomes these hurdles, and finally, when she is in her forties, she locates her father with the help of a good friend and discovers that she has a loving family in Chicago.

Black Women Abolitionists Shirley J. Yee 1992 Looks at how the pattern was set for Black female activism in working for abolitionism while confronting both sexism and racism.

Black Community Uplift and the Myth of the American Dream Lori Latrice Martin 2018-10-26 This book analyzes enduring racial divides in homeownership, work, and income using the politics of respectability concept. It also examines an alternative way of understanding the Black Lives Matter movement, NFL protests, and challenges facing various black ethnic groups.

America at the Ballot Box Gareth Davies 2015-09-14 A chronological collection of essays, America at the Ballot Box uses the history of presidential elections to illuminate both the fundamental character of American political democracy, and its evolution from the early Republic to the late twentieth century.

Sex, Love, Race Martha Hodes 1999 "Since the colonial era, North America has been defined and continually redefined by the intersections of sex, violence, and love across racial boundaries. Motivated by conquest, economics, desire, and romance, such crossings have profoundly affected American society by disturbing dominant ideas about race and sexuality. Sex, Love, Race provides a historical foundation for contemporary discussions of sex across racial lines, which, despite the numbers of interracial marriages and multi-racial children, remains a controversial issue today. The first historical anthology to focus solely and widely on the subject, Sex, Love, Race gathers new essays by both younger and well-known scholars which probe why and how sex across racial boundaries has so threatened Americans of all colors and classes. Traversing the whole of American history, from liaisons among Indians, Europeans, and Africans to twentieth-century social scientists' fascination with sex between Asian Americans and whites, the essays cover a range of regions, and of racial, ethnic, and sexual identities, in North America"--Back cover

The Forbidden Bride Cheryl Reavis 2003 The Forbidden Bride by Cheryl Reavis released on Dec 25, 2002 is available now for purchase.

The Police in a Free Society Todd Douglas

Resistance and Empowerment in Black Women's Hair Styling Elizabeth Johnson 2016-04-08 Elizabeth Johnson's Resistance and Empowerment in Black Women's Hair Styling develops the argument that one way Black women define themselves and each other, is by the way they style/groom their hair via endorsement by the media through advertisement, idealized identification of Black female celebrities, and encouragement by professional celebrity hair stylists who serve as change agents. As a result, hair becomes a physical manifestation of their self-identity, revealing a private and personal mindset. Her research answers the following questions: What is the relationship between Black females' choice of hairstyles/grooming and transmitted messages of aesthetics by the dominant culture through culturally specific magazines?; What role do the natural hair blogs/vlogs play as a change agent in encouraging or discouraging consumers

grooming their hair in its natural state?; What impact does a globalized consumer market of Black hair care products have on Hispanic/Latinas and Bi-Racial women?; Are Black female Generation Y members more likely to receive backlash for failure to conform their hair to dominant standards in their hair adornment in the workplace? Johnson thus demonstrates that the major concern from messages sent to Black women about their hair is its impact on Black identity. Thus, the goal of Black women should be to break with hegemonic modes of seeing, thinking, and being for full liberation. This critical and deep consciousness will debunk the messages told to Black women that their kinky, frizzy, thick hair is undesirable, bad, unmanageable, and shackling.

Black Titan Carol Jenkins 2005-01-25 The grandson of slaves, born into poverty in 1892 in the Deep South, A. G. Gaston died more than a century later with a fortune worth well over \$130 million and a business empire spanning communications, real estate, and insurance. Gaston was, by any measure, a heroic figure whose wealth and influence bore comparison to J. P. Morgan and Andrew Carnegie. Here, for the first time, is the story of the life of this extraordinary pioneer, told by his niece and grandniece, the award-winning television journalist Carol Jenkins and her daughter Elizabeth Gardner Hines. Born at a time when the bitter legacy of slavery and Reconstruction still poisoned the lives of black Americans, Gaston was determined to make a difference for himself and his people. His first job, after serving in the celebrated all-black regiment during World War I, bound him to the near-slavery of an Alabama coal mine—but even here Gaston saw not only hope but opportunity. He launched a business selling lunches to fellow miners, soon established a rudimentary bank—and from then on there was no stopping him. A kind of black Horatio Alger, Gaston let a single, powerful question be his guide: What do our people need now? His success flowed from an uncanny genius for knowing the answer. Combining rich family lore with a deep knowledge of American social and economic history, Carol Jenkins and Elizabeth Hines unfold Gaston's success story against the backdrop of a century of crushing racial hatred and bigotry. Gaston not only survived the hardships of being black during the Depression, he flourished, and by the 1950s he was ruling a Birmingham-based business empire. When the movement for civil rights swept through the South in the late 1950s and early 1960s, Gaston provided critical financial support to many activists. At the time of his death in 1996, A. G. Gaston was one of the wealthiest black men in America, if not the wealthiest. But his legacy extended far beyond the monetary. He was a man who had proved it was possible to overcome staggering odds and make a place for himself as a leader, a captain of industry, and a far-sighted philanthropist. Writing with grace and power, Jenkins and Hines bring their distinguished ancestor fully to life in the pages of this book. *Black Titan* is the story of a man who created his own future—and in the process, blazed a future for all black businesspeople in America. *Crimes against Humanity in the Land of the Free* Imani Michelle Scott 2014-08-20 This vital book considers the compelling and addictive hold that racism has had on centuries of Americans, explores historical and contemporary norms complicit in the problem, and appeals to the U.S. government to improve race relations, rectify existent social imperfections, and guard against future race-based abuses. Despite an assertion by the founding fathers that "all men are created equal" and the Fourteenth Amendment to the U.S. Constitution that guarantees "equal protection," the race-based oppression that has characterized most of America's history shows that in practice our society has rarely measured up to principle. Why has deep-seated racial conflict in America continued for so long? This unprecedented examination into the topic explores the evidence and consequences of what seems to be an "addiction" to racism in the United States, analyzing the related disconnect between our nation's stated moral principles and social realities, and assessing how U.S. citizens of all races can take individual action to start the long-needed healing process. The contributors to this work present interdisciplinary perspectives and discussions on American history, politics, philosophy, and 21st-century psycho-social conditions as they relate to the oppression, social injustice, and racism that have occurred—and continue to occur—in the United States. The discussions allow readers to grasp the serious challenges at hand and direct them towards recognizing the potential for conflict transformation and reconciliation through a non-conventional co-created Truth, Reconciliation, and Peace Process (TRPP) to begin resolving America's dysfunction. This is essential reading for anyone who seeks to understand the sources of perpetual racially based conflict, disparity, and hatred in the United States; identify the social injuries of exposure to centuries of racism; move America towards harmonious interracial relationships; and improve its international standing as a peace-building nation that is truly

committed to human rights throughout the world.

The Forgotten People Gary B. Mills 2013-11-13 Out of colonial Natchitoches, in northwestern Louisiana, emerged a sophisticated and affluent community founded by a family of freed slaves. Their plantations eventually encompassed 18,000 fertile acres, which they tilled alongside hundreds of their own bondsmen. Furnishings of quality and taste graced their homes, and private tutors educated their children. Cultured, deeply religious, and highly capable, Cane River's Creoles of color enjoyed economic privileges but led politically constricted lives. Like their white neighbors, they publicly supported the Confederacy and suffered the same depredations of war and political and social uncertainties of Reconstruction. Unlike white Creoles, however, they did not recover amid cycles of Redeemer and Jim Crow politics. First published in 1977, *The Forgotten People* offers a socioeconomic history of this widely publicized but also highly romanticized community -- a minority group that fit no stereotypes, refused all outside labels, and still struggles to explain its identity in a world mystified by Creolism. Now revised and significantly expanded, this time-honored work revisits Cane River's "forgotten people" and incorporates new findings and insight gleaned across thirty-five years of further research. This new edition provides a nuanced portrayal of the lives of Creole slaves and the roles allowed to freed people of color, tackling issues of race, gender, and slave holding by former slaves. *The Forgotten People* corrects misassumptions about the origin of key properties in the Cane River National Heritage Area and demonstrates how historians reconstruct the lives of the enslaved, the impoverished, and the disenfranchised.

OSS Foreign Nationalities Branch Files, 1942-1945 United States. Office of Strategic Services. Foreign Nationalities Branch 1988 Documents consist of departmental memos and reports, correspondence with individuals, and press clippings and press reports which deal with American Jewish groups during 1942-1945, as well as issues relating to Palestine, Jews and Jewish refugees during World War II.

The Radiant Way First Step Jane Brown (Children's writer) 1934 The book provides simple one-vowel and double vowel sounds with a revision of phonic words, vowels with the same sound being grouped together. The look-and-say words appear in black type at the head of each lesson. Reading for the meaning is at the end of book. Very good for early primary class students. The book is one of the four volumes in the series.

Elisabeth Samson, Forbidden Bride Carolyn V. Hamilton 2020-05-29 In the 18th century Dutch plantation colony of Suriname, where wealth is measured by the number of slaves one owns, the educated Free Negress Elisabeth Samson, owner of several flourishing coffee plantations, desires the one thing her wealth cannot buy: a legal marriage with her consort, a white colonial officer. But can she overcome the strict Dutch laws forbidding marriage between black and white against the powerful forces of the colonial Governor, the white planters who make up the Court of Justice, and the Society of Suriname, who covet her property, call her "whore" and accuse her of treason?

Claimed Among the Stars: A Sci Fi Romance Charity Anthology Kate Rudolph 2021-09-15 Make contact with the hottest alien anthology in the universe! *Claimed Among the Stars* will rocket you to reading bliss with more action, adventure, and pleasure than one planet can contain. Curl up with this collection of wild and wonderful heavenly bodies and venture to the unknown worlds that only your favorite sci-fi romance authors could create. Hearts in zero gravity are free to fall, and destiny awaits unsuspecting heroines far across the galaxy. Whether you love a trip that's nice and easy or dark and steamy, this collaboration of more than fifty bestselling authors is guaranteed to please. Embrace the heat, the sweet, the dark, and the depraved, and grab your copy of *Claimed Among the Stars* today! A word of warning: this anthology is only available for a limited time, so grab your copies now before they blast off forever.
