House of Delegates The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for "Where are the lesson files?" Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.

Apple Pro Training Series 2015-07-15 Brendan Boykin The Apple-Certified Way to Learn This fully-updated Apple-certified guide presents a real-world workflow from raw media to finished project to demonstrate the features of Final Cut Pro X 10.2 and the practical techniques you will use in editing projects. Using professionally acquired media, you'll utilize the same tools and editing techniques used by editors worldwide in this revolutionary editing software. Renowned editor and master trainer Brendan Boykin starts with basic video editing techniques and takes you all the way through Final Cut Pro's powerful features. The lessons start as

real-world as it gets--with an empty application. After downloading the media files, you will be guided through creating a project from scratch to finished draft. The basic workflow and tools are covered in Lessons 1 through 4 where you'll create a rough cut. The real-world workflow continues through the remaining lessons as you take the basic project and enhance it with a deeper dive into the more advanced Final Cut Pro X 10.2 features including how to efficiently manage media with Libraries, use the tools to create stunning 3D titles, composite effects and clips with the new mask options, retiming, and more. Downloadable lesson and media files to work sequentially through exercises for hours of hands-on training. New Checkpoints feature lets you check your editing progress against the author's version. Focused lessons teach concepts and take students step by step through professional, real-world editing scenarios to create a final project. Chapter review questions summarize what students learn to prepare them for the Apple certification exam. The Apple Pro Training Series is both a self-paced learning tool and the official curriculum of the Apple Training and Certification program. Upon completing the course material in this guide, you can become Apple Certified by passing the certification exam at an Apple Authorized Training Center.
