Laying Down the Law 2019-10-15 R. W. Kostal After WWII, U.S. leaders sought to create liberal rule-of-law regimes in Germany and Japan, but the effort was often unsuccessful. Kostal argues that the manifest failings of America's own rule-of-law democracy were partially to blame, weakening U.S. credibility and resolve and revealing the country's ambiguous status as a global imperial authority.

The King's Peace 2021-08-10 Lisa Ford How the imposition of Crown rule across the British Empire during the Age of Revolution corroded the rights of British subjects and laid the foundations of the modern police state. During the eighteenth and nineteenth centuries, the British Empire responded to numerous crises in its colonies, from North America to Jamaica, Bengal to New South Wales. This was the Age of Revolution, and the Crown, through colonial governors, tested an array of coercive peacekeeping methods in a desperate effort to maintain control. In the process these leaders transformed what it meant to be a British subject. In the decades after the American Revolution, colonial legal regimes were transformed as the king's representatives ruled new

colonies with an increasingly heavy hand. These new autocratic regimes blurred the lines between the rule of law and the rule of the sword. Safeguards of liberty and justice, developed in the wake of the Glorious Revolution, were eroded while exacting obedience and imposing order became the focus of colonial governance. In the process, many constitutional principles of empire were subordinated to a single, overarching rule: where necessary, colonial law could diverge from metropolitan law. Within decades of the American Revolution, Lisa Ford shows, the rights claimed by American rebels became unthinkable in the British Empire. Some colonial subjects fought back but, in the empire, the real winner of the American Revolution was the king. In

people and places of the British Empire. Ranging from the United States, through Calcutta, across Australasia to the Gold Coast, these essays seek to investigate law's central place in the British Empire, and the role of its agents in embedding British rule and culture in colonial territories. One of the first collections to provide a sustained engagement with the legal histories of the British Empire, in particular beyond the settler colonies, this work aims to encourage further scholarship and new approaches to the writing of the histories of that Empire. Legal Histories of the British Empire: Laws, Engagements and Legacies will be of value not only to legal scholars and graduate students, but also to those who want to know more about the laws in and of the British Empire.

Historiography, Empire and the Rule of Law 2011-10-06 Ian Duncanson
Historiography, Empire and the Rule of Law considers the intersection of these terms in the historical development of what has come to be known as the 'rule of law'. The separation of governmental powers, checks and balances, and judicial independence signified something entirely new in the way in which politics was imagined and practiced. This 'rule of law' cannot, as it often is, be traced to the justification and practice of government as originating in a social contract among the governed; but rather, by analogy with a popular conveyancing innovation of the era,

to the trust – a device by which the power of ownership of land could be restrained. But how could the restraint of power remain consistent with the avoidance of anarchic disagreement among those granted the task of supervision and restraint? In response, it is argued here, the central legal and political task became one of managing disagreement and change peacefully and constructively – by drawing on a colonial tradition that emphasised civility, negotiation and compromise. And the study of all of these qualities as they evolved, Ian Duncanson contends, is vital to understanding the emergence of the ‘rule of law’. *Historiography, Empire and the Rule of Law* will be invaluable for all those engaged in

of communal violence in Ireland, the West Indies, and South Asia to uncover the inner workings of British imperialism: its guiding assumptions, its mechanisms of control, its impact, and its limitations. He explains how Britons used communal violence to justify the imperial project even as that project was creating the conditions for more violence. Above all, this book demonstrates how communal violence exposed the limits of British power and, in time, helped lay the groundwork for the empire's collapse. This book shows how violence, and the British state's handling thereof, was a fundamental part of the imperial experience for colonizer and colonized alike. It offers a new perspective on the workings of empire

Particular attention is paid to a cluster of binary oppositions that have hitherto framed South Asian history, namely colonizer/colonized, imperialism/nationalism, and modernity/tradition, and how new analytical frameworks are emerging which enable us to think beyond the constraints imposed by these binaries. Closer attention to regional dynamics as well as to wider global forces has enriched our understanding of the history of South Asia within a wider imperial matrix. Previous impressions of all-powerful imperialism, with the capacity to reshape all before it, for good or ill, are rejected in favour of a much more nuanced image of imperialism in India that acknowledges the impact as well as the intentions of

practices, and colonial governance. Even after the rebellion had been suppressed, the violence of 1857 continued to have a lasting effect. The fears generated by the uprising transformed how the British understood their relationship with the 'colonized' and shaped their own expectations of themselves as 'colonizer'. Placing the 1857 Indian uprising within an imperial context reminds us that British power was neither natural nor inevitable, but had to be constructed.

sovereignty through an analysis of the jurisdictional politics involving a specific set of historical legal entities. Governed by local rulers, the princely states of colonial South Asia were subject to British paramountcy whilst remaining legally distinct from directly ruled British India. Their legal status and the extent of their rights remained the subject of feverish debates through the entirety of British colonial rule. This book traces the ways in which the language of sovereignty shaped the discourse surrounding the legal status of the princely states to illustrate how the doctrine of sovereignty came to structure political imagination in colonial South Asia and the framework of the modern Indian state. Opening with a

Francis Lieber A Civil War-era treatise addressing the power of governments in moments of emergency The last work of Abraham Lincoln's law of war expert Francis Lieber was long considered lost—until Will Smiley and John Fabian Witt discovered it in the National Archives. Lieber's manuscript on emergency powers and martial law addresses important contemporary debates in law and political philosophy and stands as a significant historical discovery. As

A Key Legal Of Power Not to the Empire And The Rule Of Law Oxford Studies In Modern Legal History Pdf Pdf upload Herison a Williamson

White House, Columbia College professor Francis Lieber was one of the architects and defenders of Lincoln's most famous uses of emergency powers during the Civil War. Lieber's work laid the foundation for rules now accepted worldwide. In the years after the war, Lieber and his son turned their attention to the question of emergency powers. The Liebers' treatise addresses a vital question, as prominent since 9/11 as it was in Lieber's lifetime: how much power should the government have in a crisis? The Liebers present a theory that aims to preserve legal restraint, while giving the executive necessary freedom of action. Smiley and Witt have written a lucid introduction that explains how this manuscript is a key discovery in two

administration--as well as unraveling the ideas and practices of those who instituted it. The astonishing fact of the matter is that for thirty years, between 1814 and 1844, virtually all of the laws in the British Empire were reviewed, approved or discarded by one individual: James Stephen, disparagingly known as "Mr. Mothercountry." Virtually every single act that was passed by a colony made its way to his desk, from a levy to improve sanitation, to an officer's pay, to laws around migration and immigration, and tariffs on products. Stephen, great-grandfather of Virginia Woolf, was an ardent abolitionist, and he saw his role as a legal protector of the most dispossessed. When confronted by acts that could not be overturned by

reference to British law that he found objectionable, he would make arguments in the name of the "natural law" of justice and equity. He truly believed that law could be a force for good and equity at the same time that he was frustrated by the existence of laws that he saw as abhorrent. In *Mr. Mothercountry*, McBride draws on original archival research of the writings of Stephen and his descendants, as well as the Macaulay family, two major lineages of legal administrators in the British colonies, to explore the gap between the ideal of the rule of law and the ways in which it was practiced and enforced. McBride does this to show that there is no way of claiming that law is always a force for good or simply an ideological

overlooked. *Insurgent Empire* shows how Britain's enslaved and colonial subjects were not merely victims of empire and subsequent beneficiaries of its crises of conscience but also agents whose resistance both contributed to their own liberation and shaped British ideas about freedom and who could be free. *Insurgent Empire* examines dissent over the question of empire in Britain and shows how it was influenced by rebellions and resistance in the colonies from the West Indies and East Africa to Egypt and India. It also shows how a pivotal role in fomenting dissent was played by anti-colonial campaigners based in London at the heart of the empire.

Extensive Violence and the 'British Empire And The Rule Of Law Oxford Studies In Modern Legal History Pdf Pdf upload Herison a Williamson

Way' 2020-10-29 Michelle Gordon
Analysing three cases of British colonial violence that occurred in the latter half of the 19th century, this book argues that all three share commonalities, including the role of racial prejudices in justifying the perpetration of extreme colonial violence. Exploring the connections and comparisons between the Perak War (1875–76), the 'Hut Tax' Revolt in Sierra Leone (1898–99) and the Anglo-Egyptian War of Reconquest in the Sudan (1896–99), Gordon highlights the significance of decision-making processes, communication between London and the periphery and the influence of individual colonial administrators in outbreaks of violence. This study reveals the ways in which racial prejudices, the advocacy of a British 'civilising

mission' and British racial 'superiority' informed colonial administrators' decisions on the ground, as well as the rationalisation of extreme violence. Responding to a neglect of British colonial atrocities within the historiography of colonial violence, this work demonstrates the ways in which Britain was just as willing and able as other European Empires to resort to extreme measures in the face of indigenous resistance or threats to the British imperial project.

Scandal of Colonial Rule 2012-03-22
James Epstein In 1806 General Thomas Picton, Britain's first governor of Trinidad, was brought to trial for the torture of a free mulatto named Jurisprudence of Power and for Empire And The Rule Of Law Oxford Studies In Modern Legal History Pdf Pdf upload Herison a Williamson

regime of terror over the island's slave population. James Epstein offers a fascinating account of the unfolding of this colonial drama. He shows the ways in which the trial and its investigation brought empire 'home' and exposed the disjuncture between a national self-image of humane governance and the brutal realities of colonial rule. He uses the trial to open up a range of issues, including colonial violence and norms of justice, the status of the British subject, imperial careering, visions of development after slavery, slave conspiracy and the colonial archive. He reveals how Britain's imperial regime became more authoritarian, hierarchical and militarised but also how unease about abuses of power and of the rights of colonial subjects began to grow.

legal discourse was employed in imperial contexts. This legal experimentation went beyond treaties of cession, and also encompassed commercial treaties, the abolition of the slave trade, extraterritoriality, and the use of force. The book argues that, by the 1880s, the legal techniques that were fashioned in the language of international law in West Africa had largely developed their own substantive characteristics. Legal ordering was not done in reference to adjudication before Western courts or the writings of Western lawyers, but in reference to what was deemed politically expedient and practically feasible by imperial agents for the preservation of social peace, commercial interaction, and humanitarian agendas.

English Law, the Legal Profession, and Colonialism 2023-10-18 Cerian Griffiths Modern legal history is increasingly interested in exploring the development of legal systems from novel and nuanced approaches. This edited collection harnesses the lesser-researched perspectives of the impact of global and imperial factors on the development of law. It is argued that to better understand these timely discussions, we must understand the process and significance of colonisation itself. The volume brings together experts in the field of law and history to explore the ways in which law and lawyers contributed to the expansion of the British Empire, and the ways in which the Empire influenced the Metropole. The book sheds new light on the independence of power, the law and legal

Empire, Emergency and International Law 2017-08-10 John Reynolds What does it mean to say we live in a permanent state of emergency? What are the juridical, political and social underpinnings of that framing? Has international law played a role in producing or challenging the paradigm of normalised emergency? How should we understand the relationship between imperialism, race and emergency legal regimes? In addressing such questions, this book situates emergency doctrine in historical context. It illustrates some of the particular colonial lineages that have shaped the state of emergency, and emphasises that

dynamics that emerge within public law; - Highlights the impact of historical and societal inequities on public law norms; - Demonstrates the ways in which those norms may impact minorities and perpetuate inequalities. With most chapters written by underrepresented or minoritised persons in the field, this text offers students a critical, rich, and insightful approach to public law.

Imperial Justice 2013-10-03 Bonny
Ibhawoh Imperial Justice explores the imperial control of judicial governance and the adjudication of colonial difference in British Africa. Focusing on the Judicial Committee of the Privy Council and the colonial regional Appeal Courts
Imperial Justice: A History of Power and Empire And The Rule Of Law Oxford Studies In Modern Legal History Pdf Pdf
upload Herison a Williamson

examines how judicial discourses of native difference and imperial universalism in local disputes influenced practices of power in colonial settings and shaped an evolving jurisprudence of Empire. Arguing that the Imperial Appeal Courts were key sites where colonial legal modernity was fashioned, the book examines the tensions that permeated the colonial legal system such as the difficulty of upholding basic standards of British justice while at the same time allowing for local customary divergence which was thought essential to achieving that justice. The modernizing mission of British justice could only truly be achieved through recognition of local exceptionality and difference. Natives who appealed to the Courts of Empire were entitled to the same
Downloaded from vla.ramtech.uri.edu on December 6, 2023 by Herison a Williamson

standards of justice as their 'civilized' colonists, yet the boundaries of racial, ethnic, and cultural difference somehow had to be recognized and maintained in the adjudicatory process. Meeting these divergent goals required flexibility in colonial law-making as well as in the administration of justice. In the paradox of integration and differentiation, imperial power and local cultures were not always in conflict but were sometimes complementary and mutually reinforcing. The book draws attention not only to the role of Imperial Appeal Courts in the colonies but also to the reciprocal place of colonized peoples in shaping the processes and outcomes of imperial justice. A valuable addition to

Britishness Of Power Victorian Empire And The Rule Of Law Oxford Studies In Modern Legal History Pdf Pdf
upload Herison a Williamson

book places Africa in a central role, and examines the role of the African colonies in the shaping of British Imperial jurisprudence.

Habeas Corpus 2010-03-15 Paul D. Halliday A revisionist history of habeas corpus the world's most revered legal device. Habeas corpus was not established to protect the rights of the individual but rather to protect the individual from abusive judges and jailers.

Colonial Terror 2021-03-23 Deana Heath This title explores the legal role of torture and other violence as it was used in colonial ruling. It rigorously attempts to theorize the nature of this violence, including its materiality and its effects on the bodies of the colonized, and

those who perpetrated it. This book provides a full examination of the history of torture in colonial India.

Adam Smith and the Classics

2001-11-01 Gloria Vivenza Adam Smith and the Classics analyses the influence of classical culture--the work of Plato, Aristotle, Cicero, and the Stoics--on Adam Smith's thought. Vivenza bases her arguments on elements of Smith's work that can be shown to be precise reflections of passages from the classical authors, and on Smith's own acknowledgements that he was so influenced. The bulk of the classical nuances occur in Smith's moral and natural philosophy, but Vivenza also shows that the classics had some impact on his economic thought. The book represents

A Jurisprudence of Power: Victorian Empire And The Rule Of Law Oxford Studies In Modern Legal History Pdf Pdf
upload Herison a Williamson

writings, and is organized by arguments: natural philosophy, moral philosophy, jurisprudence, topics of economic interest, and literature. A further chapter discusses the very recent consensus among a number of scholars that Smith's writings display strong elements of Stoicism. Adam Smith and the Classics is a significant book, since it shows just how strong an impression the classical training had on the intellectual elite of the eighteenth century. So much so that the classics have left their mark on the scholarship and writings of the time.

Executive Measures, Terrorism and National Security 2013-01-28
Professor David Bonner David Bonner presents an historical and contemporary legal analysis of UK

governmental use of executive measures, rather than criminal process, to deal with national security threats. The work examines measures of internment, deportation and restriction on movement deployed in the UK and (along with the imposition of collective punishment) also in three emergencies forming part of its withdrawal from colonial empire: Cyprus, Kenya and Malaya. These situations, along with that of Northern Ireland, are used to probe the strengths and weaknesses of ECHR supervision. It is argued that a new human rights era ushered in by a more confident Court of Human Rights and a more confident national judiciary armed with the HRA 1998, has moved us towards greater judicial scrutiny of the application of these measures - a

Rt. Hon. Lord Justice Sedley wrote widely on legal and non-legal matters, and continued to do so after becoming a judge in 1992. This anthology contains classic articles, previously unpublished essays and lecture transcripts. To each, he has added reflections on what has transpired since or an explanation of the British legal and political context that originally prompted it. Covering the history, engineering and architecture of the justice system, their common theme relates to the author's experiences as a barrister and judge, most notably in relation to the constitutional changes which have emerged in the last twenty years in the United Kingdom.

The Caribbean and the Atlantic World
Adrian Leonard
Empire And The Rule Of Law Oxford
Studies In Modern Legal History Pdf Pdf
upload Herison a Williamson

This collection of essays explores the inter-imperial connections between British, Spanish, Dutch, and French Caribbean colonies, and the 'Old World' countries which founded them. Grounded in primary archival research, the thirteen contributors focus on the ways that participants in the Atlantic World economy transcended imperial boundaries.

File Pdf a jurisprudence of power victorian empire and;dreams manifested in the forgotten corners of reality, Luna Somnia was the enigmatic realm where nocturnal fantasies were curated. As the moon ascended to its dominion in the velvet sky, the weavers of dreams emerged, crafting tales that danced between the realm of sleep and wakefulness.

Instruction a jurisprudence of power victorian empire and:The work "Analyzing Casual Conversation" by Suzanne Eggins and Diana Slade, first released in 1997, establishes a organized model for the examination and description of casual conversation in English. The authors contend that in spite of its at times aimless look and ostensibly unstructured substance, casual conversation is a extremely structured task and performs a crucial part in the social building of reality. The publication goes through real samples of casual conversations involving participants varying in age, gender, ethnicity, and socio-economic class². Deriving on perspectives from sociology, linguistics, and critical semiotics, the publication provides readers with the analytic skills to portray the strata of structure and critical interpretive structures to clarify the 'social work' that occurs on through chat.

Power a jurisprudence of power victorian empire and stories shimmer like distant suns, "Quantum Dreams" by the literary luminary Lucius Starlight has transcended the realms of mere fiction. Its meteoric rise to a unanimous praise is a testament to Starlights ability to seamlessly blend science fiction, philosophy, and deeply moving sentiments into a narrative that touches the hearts of readers worldwide.
