

Arminian Theology Myths And Realities Roger E Olson Pdf

The Heart of Arminianism by Roger E. Olson

Reformed and Always Reforming by Roger E. Olson

This book is not meant to be the final word on Southern Baptist soteriology, but is offered as a peaceable contribution to the wider conversation on the doctrine of salvation. Arminian Theology 2009-08-20 Roger E. Olson In this book, Roger Olson sets forth classical Arminian theology and addresses the myriad misunderstandings and misrepresentations of it through the ages. Irenic yet incisive, Olson argues that classical Arminian theology has a rightful place in the evangelical church because it maintains deep roots within Reformational theology, even though it maintains important differences from Calvinism. Myths addressed include: Myth 1: Arminian Theology Is the Opposite of Calvinist/Reformed Theology Myth 2: A Hybrid of Calvinism and Arminianism Is Possible Myth 3: Arminianism Is Not an Orthodox Evangelical Option Myth 4: The Heart of Arminianism Is Belief in Free Will Myth 5: Arminian Theology Denies the Sovereignty of God Myth 6: Arminianism Is a Human-Centered Theology Myth 7: Arminianism Is Not a Theology of Grace Myth 8: Arminians Do Not Believe in Predestination Myth 9: Arminian Theology Denies Justification by Grace Alone Through Faith Alone Myth 10: All Arminians Believe in the Governmental Theory of the Atonement

Against Calvinism 2011-10-25 Roger E. Olson Calvinist theology has been debated and promoted for centuries. But is it a theology that should last? Roger Olson suggests that Calvinism, also commonly known as Reformed theology, holds an unwarranted place in our list of accepted theologies. In Against Calvinism, readers will find scholarly arguments explaining why Calvinist theology is incorrect and how it affects God’s reputation. Olson draws on a variety of sources, including Scripture, reason, tradition, and experience, to support his critique of Calvinism and the more historically rich, biblically faithful alternative theologies he proposes. Addressing what many evangelical Christians are concerned about today—so-called “new Calvinism,” a movement embraced by a generation labeled as “young, restless, Reformed” —Against Calvinism is the only book of its kind to offer objections from a non-Calvinist perspective to the current wave of Calvinism among Christian youth. As a companion to Michael Horton’s For Calvinism, readers will be able to compare contrasting perspectives and form their own opinions on the merits and weaknesses of Calvinism.

For Calvinism 2011-10-25 Michael Horton The system of theology known as Calvinism has been immensely influential for the past five hundred years, but it is often encountered negatively as a fatalistic belief system that confines human freedom and renders human action and choice irrelevant. Taking us beyond the caricatures, Michael Horton invites us to explore the teachings of Calvinism, also commonly known as Reformed theology, by showing us how it is biblical and God-centered, leading us to live our lives for the glory of God. Horton explores the historical roots of Calvinism, walking readers through the distinctive known as the “Five Points,” and encouraging us to consider its rich resources for faith and practice in the 21st Century. As a companion to Roger Olson’s Against Calvinism, readers will be able to compare contrasting perspectives and form their own opinions on the merits and weaknesses of Calvinism.

Why I Am Not a Calvinist 2013-06-06 Jerry L. Walls What’s wrong with Calvinism? Since the Reformation, Calvinism has dominated much of evangelical thought. It has been so well established that many Christians simply assume it to be the truest expression of Christian doctrine. But Calvinism has some serious biblical and theological weaknesses that unsettle laypeople, pastors and scholars alike. God is sovereign. All evangelical Christians--whether Arminians or Calvinists--have no doubt about this fundamental truth. But how does God express his sovereignty? Is God a master puppeteer, pulling our strings? Or has he graciously given his children freedom to respond to his love? In this eminently readable book, Jerry L. Walls and Joseph R. Dongell explore the flaws of Calvinist theology. Why I Am Not a Calvinist is a must-read for all who struggle with the limitations of this dominant perspective within evangelical theology.

Introducing Covenant Theology 2009-04 Michael Horton Unwinds the intricacies of covenant theology, making the complex surprisingly simple and accessible to every reader.

The Journey of Modern Theology 2013-11-01 Roger E. Olson Modernity has been an age of revolutions—political, scientific, industrial and philosophical. Consequently, it has also been an age of revolutions in theology, as Christians attempt to make sense of their faith in light of the cultural upheavals around them, what Walter Lippman once called the “acids of modernity.” Modern theology is the result of this struggle to think responsibly about God within the modern cultural ethos. In this major revision and expansion of the classic 20th Century Theology (1992), co-authored with Stanley J. Grenz, Roger Olson widens the scope of the story to include a fuller account of modernity, more material on the nineteenth century and an engagement with postmodernity. More importantly, the entire narrative is now recast in terms of how theologians have accommodated or rejected the Enlightenment and scientific revolutions. With that question in mind, Olson guides us on the epic journey of modern theology, from the liberal “reconstruction” of theology that originated with Friedrich Schleiermacher to the postliberal and postmodern “deconstruction” of modern theology that continues today. The Journey of Modern Theology is vintage Olson: eminently readable, panoramic in scope, at once original and balanced, and marked throughout by a passionate concern for the church’s faithfulness to the gospel of Jesus Christ. This will no doubt become another standard text in historical theology.

Jacob Arminius 2012-11-15 Keith D. Stanglin Richard A. Muller, P. J. Zondervan Professor of Historical Theology, Calvin Theological Seminary --

Arminius Speaks 2010-12-06 James Arminius James Arminius is one of the most maligned and misunderstood theologians in church history. In an era of major debate over predestination, free will, and related concepts, Arminius was accused of being Pelagian, Semi-Pelagian, or a heretic of all sorts. This is a trend that started in his time and has continued to this day. The truth is that he was a brilliant theologian who shook the foundations of Calvinism to the core. Yet he was quite orthodox in his thinking, as he had come right out of the Protestant Reformation, though he sought to reform some ideas of Calvin and Luther. Contrary to common belief, Arminius believed in the utter depravity of man and that a major work of grace, i.e., prevenient grace, is necessary to bring a person to repentance. He also emphatically rejected Pelagianism and Semi-Pelagianism. He thoroughly answers every accusation against him and masterfully refutes William Perkins, a major Calvinist writer of that time. How do we ultimately understand what he thought? By carefully reading his writings. Until now, this was not an easy task. The only way has been to wade through his three-volume “Works,” totaling 2, 300 pages. Hence the need for a compendium of some of his best writings, edited for modern readers. Our hope is to help a new generation of Christians understand this much-misunderstood theologian, an understanding especially needed in an era in which Calvinism is experiencing a major resurgence.

Pocket History of Evangelical Theology 2007-01-26 Roger E. Olson Roger Olson provides us with a concise, lively and readable history of evangelical theology. Finding its antecedents in early Pietism of the late seventeenth century, Olson traces its development through the revivalism in Great Britain and America in the eighteenth century from its roots within Puritanism, Wesleyanism and the Great Awakening. Olson then takes us forward in time as he considers evangelicalism in its connection with the Old Princeton theology, Holiness-Pentecostalism and fundamentalism, tracing its course to our contemporary context. Great as a reference book, a refresher course or for use in introductory theology classes.

God, Creation, and Providence in the Thought of Jacob Arminius 1991 Richard Alfred Muller

The Transforming Power of Grace 1993 Thomas C. Oden How does an infinite God relate to finite human beings? How does the death of Jesus Christ bring about human salvation? How are Christians able to actively address the world’s ills while maintaining their citizenship in the kingdom of God? These are questions the church grapples with today, as it always has. Yet, according to Thomas C. Oden, contemporary theology has neglected the church’s traditional answer to these questions: the doctrine of grace. All too often modern theologians either ignore the doctrine of grace or relate it to the achievement of a particular political agenda. Oden asserts that only by reclaiming the centrality of grace—defined as God’s self-giving through Jesus Christ in personal encounter with the individual human will—can Christian theology be true to the gospel. In order to reclaim the doctrine of grace, the author reaches back, beyond the fragmentation of theology that took place during and after the Enlightenment. He draws upon the ecumenical consensus held by early Orthodox, Roman Catholic, and Protestant theologians, councils, and creeds regarding this cardinal Christian doctrine. By adducing this ancient unity, Oden challenges modern assumptions concerning the sources and methods of the theological enterprise and calls contemporary Christians to discern what their forebears in the faith knew to be essential to the gospel: that to be a Christian is to be formed, nurtured, and upheld solely by divine grace.

Against Liberal Theology 2022-06-07 Roger E. Olson Liberal Christian theology is a big topic in today’s churches and seminaries. But what does liberal theology really mean and why is it so controversial? What does it actually believe about truth, Scripture, and Jesus Christ? And where does it lead? The term “liberal theology” is often misinterpreted, confused with a set of loose ideologies within the Christian faith and sometimes rallied behind by genuine Christians who are simply concerned about modern social justice issues. It’s also been wrongly leveled against churches and even entire denominations that don’t adhere to the tradition of liberal theology. Against Liberal Theology, is written in a direct and conversational tone that makes sense of this theological movement by: Defining liberal theology and explaining its beliefs about central Christian doctrines. Giving its history and progression—beginning with 18th century German theologian Friedrich Schleiermacher and leading up to today. Making distinctions between liberal theology and simple moderate or progressive Christian thought, much of which is still biblically committed and doctrinally orthodox. Discussing the arguments of specific liberal theologians and what their words mean in regard to everyday Christian living and faith. Sincere and to the point, professor and theologian Roger E. Olson is not interested in grinding axes. He openly admits to frustration with fundamentalist Christianity and explains why. But he warns that true liberal theology—more concerned with making Christianity palatable to the modern mind than it is committed to biblical integrity—isn’t the right alternative to the cultic tendencies of fundamentalism and has little in common with classical, biblical Christianity. Against Liberal Theology is perfect for Christians on any side of a cultural debate—for those who consider themselves progressive or conservative or something in between. It’s always unpopular to be against anything. But in order for Christianity to be anything, it has to stand against some things. If Christianity is compatible with anything and everything, it is nothing.

40 Questions About Arminianism 2022-04-19 J. Matthew Pinson The actual life and teaching of Jacobus Arminius are often unknown or misunderstood across many Protestant traditions. Answers beyond a basic caricature can be elusive. What are the essential historical backgrounds of Arminianism, and what theological teachings connect to the Arminian point of view? Mixing solid historical research with biblical and doctrinal precision, Baptist scholar J. Matthew Pinson clarifies the foundations of this influential tradition. 40 Questions About Arminianism addresses the following questions and more: Who was Jacobus Arminius? How has the church interpreted God’s desire that everyone be saved? How is Arminianism different from Calvinism? Can one be both Reformed and Arminian? What is “universal enabling grace”? What do Arminians mean by “free will”? Do Arminians believe that God predestines individuals to salvation? Is it possible for a Christian to apostatize? An accessible question-and-answer format helps readers pursue the issues that interest them most and encourages a broad understanding of historic and contemporary Arminianism, with additional resources available at 40questions.net.

The Question, what is an Arminian? Answered. By a Lover of Free Grace 1798 John Wesley

Foundations of Wesleyan-Arminian Theology 1972-07-01 Mildred Bangs Wynkoop Herein is a most discriminating study of the basic differences between historic Calvinism and Arminianism and the developments in both theological traditions that have created the mounting barriers to the understanding of each other’s position. Dr. Wynkoop deals authoritatively with the critical issues, and incisively cuts through the prevalent fuzzy theological concepts, but all with delicacy and understanding. The monumental contribution of John Wesley in defining the doctrine of sanctification is a key emphasis in the book, along with the central issue of Christian assurance. Paper.

Three Views on Eastern Orthodoxy and Evangelicalism 2010-10-05 Zondervan, Are Eastern Orthodoxy and evangelicalism at all compatible? To some Western evangelicals, the practices of Eastern Orthodoxy seem mysterious and perhaps even unbiblical. From an Orthodox perspective, evangelicals lack the spiritual roots provided by centuries-old church traditions. Are the differences between these two branches of Christianity as sharp as they seem? Or is there room for agreement? This book allows five leading authorities to present their different views in a respectful manner, have them critiqued by their fellow authors, and then respond to those critiques. Writing from an Orthodox perspective with a strong appreciation for evangelicalism, Bradley Nassif makes a case for compatibility. Michael Horton and Vladimir Berzonsky take the opposite stance from their respective evangelical and Orthodox backgrounds. And George Hancock-Stefan (evangelical) and Edward Rommen (Orthodox) each offer a qualified “perhaps.” The interactive Counterpoints forum is ideal for comparing and contrasting the different positions to understand the strengths and weaknesses of these two important branches of Christianity and to form a personal conclusion regarding their compatibility.

After Arminius 2020 Thomas H. McCall "'Arminianism" was the subject of important theological controversies in the seventeenth and eighteenth centuries, and it remains an important position within Protestant thought. What became known as "Arminian" theology was held by people across a swath of geographical and ecclesial positions; it developed in European, British, and American contexts, and it engaged with a wide range of intellectual challenges. While standing together in their common rejection of several key planks of Reformed theology, proponents of Arminianism took various positions on other matters. Some were broadly committed to catholic and creedal theology; others were more open to theological revision. Some were concerned primarily with practical concerns; others were engaged in system-building as they sought to articulate and defend an over-arching vision of God and the world. The story of this development is both complex and important for a proper understanding of the history of Protestant theology. However, this historical development of Arminian theology is not well known. In this book, Thomas H. McCall and Keith D. Stanglin offer a historical introduction to Arminian theology as it developed in modern thought, providing an account that is based upon important primary sources and recent secondary research that will be helpful to scholars of ecclesial history and modern thought as well as comprehensible and relevant for students"--

The Story of Christian Theology 2009-08-20 Roger E. Olson Christianity Today Book of the Year Award ECPA Gold Medallion Award History is made up of stories--narratives that recount the events, movements, ideas and lives that have shaped religions and nations. Theologian Roger Olson believes that the history of Christian theology should be told as such a story, one replete with thick plots, exciting twists, interesting people and fascinating ideas. In this panoramic work of historical theology Olson vividly recounts the deeds and words of the cultists and apostolic fathers of the second century, the clash between the theological schools of Alexandria and Antioch, the epochal

Arminian Theology Myths And Realities Roger E Olson Pdf upload Donald I Paterson

division between East and West, the revolutionary advent of the Reformation and much more, right on up to the dazzling, sometimes dismaying fallout that has continued to shake Christians through the twentieth century. Through it all Olson detects and traces a common thread: a concern for salvation--God’s redemptive activity in forgiving and transforming sinful human beings. Evenhanded, refreshingly readable, impressive in its breadth and depth, The Story of Christian Theology is poised to become a standard historical theology text.

Reformed and Always Reforming (Acadia Studies in Bible and Theology) 2007-10-01 Roger E. Olson The community of evangelicals sometimes seems so broad as to defy definition, but theological conservatism has been one consistent marker. Now, says theologian Roger Olson, postconservatism is moving beyond conventional battles against liberalism and heresy to posit a dynamic and realistic approach. While conservatives strive to preserve tradition and protect orthodoxy, postconservatives urge openness to doctrinal reform without abandoning orthodoxy. Where differences exist between doctrine and Scripture, doctrine must be brought into conformity with the Word. Postconservatives want to free evangelical theology from its paradoxical captivity to rationalism and its obsession with “facts” so that it may recognize truth in experience and personal knowledge. Theologians, pastors, seminarians, and serious thinkers will find many depths to plumb in this exhaustive survey of critics, advocates, and fellow travelers on the evangelical journey.

Who Needs Theology? 2009-08-20 Stanley J. Grenz To many Christians theology is something alien, overly intellectual and wholly unappealing. Even seminary students are known to balk at the prospect of a course on theology. Yet theology—most simply, the knowledge of God—is essential to the life and health of the church. In this short introduction, Stanley Grenz and Roger Olson, two theologians who care deeply about the witness of ordinary Christians and the ministry of the church, show what theology is, what tools theology uses, why every believer (advanced degrees or not) is a theologian, and how the theological enterprise can be productive and satisfying. Their clear, easily understood book is ideal for students, church study groups, and individual Christians who want to strengthen understanding, belief and commitment by coming to know God more fully.

Counterfeit Christianity 2015-08-04 Roger E. Olson Historic heresies didn’t die or fade away. Each generation boasts its own. Even while these counterfeit teachings remain outside the accepted bounds of Christianity, modern-day versions plague churches.So how does a church leader or pastor understand and deal with these age-old controversies when they pop up in the congregation? In this book, Roger Olson describes the curses but also gifts that heresies bring the Church. While heresies can occasionally correct a version of orthodoxy, they are not simple confusions or misunderstandings about impenetrable mysteries of divine revelation. Instead they undermine the faith and are dangerous distortions. The author describes major heresies and how the church dealt with them, the players, and what pastors can do to address these faith issues in order to educate congregations about Jesus, God, and salvation. Also included are questions for individual or group study. Also available - a Leader guide with DVD in which Adam Hamilton hosts on-screen conversations with Roger Olson (9781501806360)

The Text of New Testament 1985 B.M. Metzger

Grace, Faith, Free Will 2002 Robert E. Picirilli Robert E. Picirilli, in Grace, Faith, Free Will, renews the discussion of issues that have divided Calvinism and Arminianism since the Reformation, Jacobus Arminius, a Dutch theologian of the 16th century, contested the dominant theological ideas advanced by the well-known Protestant reformer John Calvin and his disciples. Historically, Arminius has been frequently misunderstood and often interpreted by friend and foe alike. Even today, one who calls himself "Arminian" does so with considerable risk, as the name means different things to different people and comes in various flavors. Many automatically think of Arminians as liberal, differing little from Universalists, at least holding to salvation by works , and possibly espousing heretical views of the Trinity or the goodness of man. In truth, some "Arminians" have held and even now hold such beliefs. No so of Arminius himself, his original followers, or able contemporary theologians such as Picirilli. Though he presents both classics Calvinism and Arminianism in order to help readers intelligently decide for themselves, Dr. Picirilli unashamedly advocates a very specific form of Arminianism as the best resolution of the tensions between the two doctrinal positions.

The Essentials of Christian Thought 2017-03-14 Roger E. Olson Or at least, such an outlook should unite Christians of all theological and church backgrounds. However, alternate visions of reality often infect and corrupt Christians' thinking. In The Essentials of Christian Thought, eminent theologian and church historian Roger Olson outlines the basic perspective on the world that all Christians, regardless of the place and time in which they are born, have historically held. This underlying metaphysical accords with all orthodox theologies, whether Calvinist or Arminian, Roman Catholic, Eastern Orthodox, or Protestant, but it separates Christianity from other religious and secular perspectives. It is, quite simply, the essential requirement of a Christian view of the world. Bold and incisive, The Essentials of Christian Thought will prompt thoughtful readers and students to more consciously appropriate the core of their faith, guarding against ideas that subtly but necessarily invite compromise.

The New Chosen People 2001-02 William W. Klein "Excellent survey examining the appropriate and controversial Biblical (and a few extra-biblical) texts showing that the majority, if not all, affirm divine election to be not individual but corporate and contemplating not salvation but appointment for service. An illuminating aspect is the author's discussion that the act of God calling does refer to an invitation to salvation but reflects what the people of God are, that is, they are 'the called.' He contends that that nuance of the Greek verb 'call' is in the sense of 'to give a name' (p.274). The author provides a thorough examination of all the relevant texts. This study is a serious (although not technical) refutation of the Calvinistic doctrine of election and affirms the Biblical proclamation of Christ's saving work being accomplished for all men although only believers experience its benefits."--Amazon.com.

The Faiths of the Founding Fathers 2006-05-01 David L. Holmes It is not uncommon to hear Christians argue that America was founded as a Christian nation. But how true is this claim? In this compact book, David L. Holmes offers a clear, concise and illuminating look at the spiritual beliefs of our founding fathers. He begins with an informative account of the religious culture of the late colonial era, surveying the religious groups in each colony. In particular, he sheds light on the various forms of Deism that flourished in America, highlighting the profound influence this intellectual movement had on the founding generation. Holmes then examines the individual beliefs of a variety of men and women who loom large in our national history. He finds that some, like Martha Washington, Samuel Adams, John Jay, Patrick Henry, and Thomas Jefferson’s daughters, held orthodox Christian views. But many of the most influential figures, including Benjamin Franklin, George Washington, John and Abigail Adams, Jefferson, James and Dolley Madison, and James Monroe, were believers of a different stripe. Respectful of Christianity, they admired the ethics of Jesus, and believed that religion could play a beneficial role in society. But they tended to deny the divinity of Christ, and a few seem to have been agnostic about the very existence of God. Although the founding fathers were religious men, Holmes shows that it was a faith quite unlike the Christianity of today’s evangelicals. Holmes concludes by examining the role of religion in the lives of the presidents since World War II and by reflecting on the evangelical resurgence that helped fuel the reelection of George W. Bush. An intriguing look at a neglected aspect of our history, the book will appeal to American history buffs as well as to anyone concerned about the role of religion in American culture.

Arminian and Baptist 2015 J. Matthew Pinson In this new book J. Matthew Pinson presents a collection of historical-theological essays from the vantage point of a variety of Arminianism coming to be known as Reformed Arminianism. These essays describe the contours of the theology of the seventeenth-century English General Baptists Thomas Helwys and Thomas Grantham, showing their kinship with the thought of Jacobus Arminius, and the ways they diverged from thinkers such as John Smyth, John Goodwin, and John Wesley. Unlike these latter thinkers, Helwys and Grantham emphasized more reformed understandings of the meaning of sin and salvation. This is seen most clearly in their doctrines of total depravity, penal substitutionary atonement, the imputation of the active and passive obedience of Christ, and progressive sanctification. These doctrines produced a way of looking at perseverance and apostasy that emphasizes perseverance through faith alone rather than remaining in a state of grace through works and penitence.

Classic Christianity 2009-08-04 Thomas C. Oden For the first time, Thomas Oden’s Systematic Theology classic series (individually titled The Living God, The Word of Life, and Life in the Spirit) is available in one complete volume. A renowned theologian, Oden provides a consensus view of the Christian faith, delving deeply into ancient Christian tradition and bringing to the contemporary church the best wisdom from its past. In this magisterial work, Oden tackles the central questions of Christian belief and the nature of the trinity. Written for clergy, Christian educators, religious scholars, and lay readers alike, Classic Christianity provides the best synthesis of the whole history of Christian thought. Part one explores the most intriguing questions of the study of God—Does God exist? Does Jesus reveal God? Is God personal, compassionate, free—and presents answers that reflect the broad consensus culled from the breadth of the church’s teachers. It is rooted deeply and deliberately in scripture but confronts the contemporary mind with the vitality of the Christian tradition. Part two addresses the perplexing Christological issues of whether God became flesh, whether God became Christ, and whether Christ is the source of salvation. Oden details the core beliefs concerning Jesus Christ that have been handed down for the last two hundred decades, namely, who he was, what he did, and what that means for us today. Part three examines how the work of God in creation and redemption is being brought to consummation by the Holy Spirit in persons, through communities, and in the fullness of human destiny. Oden’s magisterial study not only treats the traditional elements of systematical theology but also highlights the foundational exegetes throughout history. Covering the ecumenical councils and early synods; the great teachers of the Eastern church tradition, including Athanasius and John Chrysostom; and the prominent Western figures such as Augustine, Ambrose, Thomas Aquinas, Martin Luther, and John Calvin, this book offers the reader the fullest understanding of the Christian faith available.

The Mosaic of Christian Belief 2016-03-21 Roger E. Olson In The Mosaic of Christian Belief Roger E. Olson thematically traces the contours of Christian belief down through the ages, revealing a pattern of both unity and diversity. He finds a consensus of teaching that is both unitive and able to incorporate a faithful diversity when not forced into the molds of false either-or alternatives. The mosaic that emerges from Olson’s work, now updated throughout and with a new chapter on the Holy Spirit, displays a mediating evangelical theology that is irenic in spirit and tone. Olson, writing with nonspecialists in mind, has masterfully sketched out the contours of the Great Tradition of the Christian faith with simplicity while avoiding oversimplification.

Grace for All 2015-03-31 Clark H. Pinnock Did Christ atone for the sins of humanity on the cross? Does God desire all people to be saved and direct his grace toward all people for that purpose? There are some Christians following a deterministic paradigm who believe this is not true. They believe God has predestined some people for heaven and many, or even most, for hell. The rising tide of Calvinism and its "TULIP" theology needs to be respectfully answered. Grace for All: The Arminian Dynamics of Salvation features a distinguished international panel of scholars to examine this controversy. These writers address issues such as election, free will, grace, and assurance. They make compelling scriptural arguments for the universality of God’s grace, contending that Christ atoned for the sins of all people and that God sincerely offers forgiveness for all through Christ. This book strives to uncover the biblical position on salvation. We hope the reader will enjoy this stimulating series of articles on the Arminian perspective and that it will spur further writing and discussion. Grace for All: The Arminian Dynamics of Salvation is an updated and revised version of Grace Unlimited, a 1975 collection of scholarly articles assembled by the late Clark H. Pinnock of McMaster Divinity College. The Contributors: David J. A. Clines Jack Cottrell Vernon Grounds William G. MacDonald I. Howard Marshall Roger Olson Grant Osborne Robert Picirilli Clark Pinnock J. Matthew Pinson Vic Reasoner Glen Shellrude James D. Strauss John D. Wagner Steve Witzki

The SCM Press A-Z of Evangelical Theology 2005 Roger E. Olson "The SCM Press A-Z of Evangelical Theology" is a comprehensive critical survey of the main persons, events, controversies, concepts, and institutions of twentieth-century evangelical theology. It will introduce readers to and be a reference work for the study of evangelicalism's distinctive theological vision in its unity and diversity. Olson explores evangelical theology through five lenses: The Story of Evangelical Theology; Movements and Organisations Related to Evangelical Theology; Key Figures in Evangelical Theology; Traditional Doctrines in Evangelical Theology; and Issues in Evangelical Theology. Here is a unique, compact narrative description of the origins, rise and significance of evangelical theology today. About the Author Roger E Olson is Professor of Theology at George W Truett Theological Seminary, Baylor University, USA.

Gathering to His Name 2006 Tim Grass What was it like to belong to a Brethren assembly? How and why did assemblies come into being? And what do they have to offer to the wider church today? This book traces the story of the Brethren movement in Britain and Ireland from its beginnings in the 1820s to the present day, with a primary focus on those gatherings known as Open Brethren.The overall aim is to provide a readable narrative of the movement's development and distinctive ethos. The work explores where, when, how, and why assemblies grew and declined, and charts the development of a range of associated institutions. Distinctive ideas in Brethren theology and practice are also introduced. Illustrations bring the story to life and introduce the reader to some of the major figures in Brethren history, and the classified bibliography provides a starting-point for those wishing to takes things further.Throughout, developments among Brethren are related to the wider religious world, providing a background for consideration of what it means to belong to an assembly.

Hope Always 2021 Matthew Sleeth "A much-needed manual for all who attempt to counsel troubled souls battling despair." --Bob Russell, Retired Senior Pastor, Southeast Christian Church Every single day, someone you know is thinking about committing suicide. It isn't just one or two--ten million Americans will consider killing themselves in the upcoming year. Dr. Matthew Sleeth believes Christians--and our churches--should be the first to offer hope. Are we prepared to do so? As a physician and minister, Dr. Sleeth shares his personal and professional experiences with depression and suicide, challenging Christians to become part of the solution. With sound medical principles finding their rightful place beside timeless biblical wisdom, Hope Always offers the practical and spiritual tools that individuals, families, and churches need to help loved ones who are stressed and struggling. In Hope Always, you will find research-based and scientifically grounded information about the suicide epidemic, biblically based information to start a conversation about the spiritual and emotional battles that so many of us face, and a practical toolkit to consult when a loved one is dealing with suicidal ideation. After reading Hope Always, you will have the resources at your fingertips to build communities of hope that help save lives!

Prevenient Grace 2014-08-01 W. Brian Shelton God enables all people to exercise saving faith in Christ by mitigating the effects of

Concerning the Eternal Predestination of God 1961 Jean Calvin

20th-Century Theology 2010-01-26 Stanley J. Grenz Recipient of a Christianity Today 1993 Critics' Choice Award Now in paperback! Stanley Grenz and Roger Olson offer in this text a sympathetic introduction to twentieth-century theology and a critical survey of its significant thinkers and movements. Of particular interest is their attempt to show how twentieth-century theology has moved back and forth between two basic concepts: God's immanence and God's transcendence. Their survey profiles such towering figures in contemporary theology as Karl Barth, Rudolf Bultmann, Dietrich Bonhoeffer, Reinhold Niebuhr, Paul Tillich, Jurgen Moltmann and Wolfhart Pannenberg. It critiques significant movements like neo-orthodoxy, process theology, liberation theology and theology of hope. And it assesses recent developments in feminist theology, black theology, new Catholic theology, narrative theology and evangelical theology. An indispensable handbook for anybody interested in today's theological landscape.

Recanting Calvinism 2011 Steven L. Hitchcock Why another book debating Calvinism? Calvinism and Arminianism are like two ships passing each other in the night. Neither side can understand the other's deeply felt conviction regarding what they believe is the most pivotal issue in the debate. How many times have both camps felt as though the other was speaking a foreign language as they hotly departed from one another? The debate has essentially always been about how a sinner can or cannot believe in Jesus. Calvinists assert that men are totally incapable of responding in faith and must first be the recipients of a superintending grace of God that effectually saves them before they exercise that faith that results in Justification. Arminians assert that men do possess an ability within themselves to believe in Jesus and that men do have freewill. The solution to this age-old debate is neither Calvinism nor Arminianism - the solution is Dynamism. Let there be no mistake, Recanting Calvinism is no defense of Arminianism. Man does not have freewill Man is totally depraved Man is completely dependant upon God Once saved, always saved God wants everyone to be saved Jesus died for everyone Man can believe without first being regenerated Faith determines salvation Steven and his wife Alison live in Perth, Western Australia, with their five children. For almost twenty years Steven was a Calvinist and has been a member of three Reformed Baptist Churches in the States and Australia. Steven has recanted Calvinism and is passionate that Evangelical Calvinists might do the same for a Dynamic Gospel. Steven is a dual citizen of the U.S.A. and Australia and has a B.A. in Speech Communications (U.S.A.) and a Bachelor of Theology from the Australian College of Theology (An Australian BTh is equivalent to a MDiv in the U.S.A.).

Why I Am Not an Arminian 2010-08-03 Robert A. Peterson What's wrong with Arminianism? Arminian theology is sweeping through the evangelical churches of North America. While most Arminians are good, sincere, orthodox Christians, authors Robert A. Peterson and Michael D. Williams contend that aspects of Arminian thought are troubling both biblically and theologically. In particular, they argue, Arminians have too lofty a view of human nature and an inadequate understanding of God's sovereign love in Christ. Why I Am Not an Arminian explores the biblical, theological and historical background to the Calvinist-Arminian debate. The irenic nature and keen insight of this book will be appreciated by laypeople, pastors and scholars alike.

Calvin Vs. Wesley 2013 Don Thorsen Presents a comparison between John Calvin and John Wesley, discussing their beliefs, revealing that many believe as Calvinists, yet live like Wesleyans.

Anyone Can Be Saved 2016-09-15 David L. Allen Anyone Can Be Saved articulates a biblical-theological explanation of the doctrine of salvation in light of the rise of Calvinistic theology among Southern Baptist churches in the United States. Ten scholars, pastors, and leaders advocate for the ten articles of the Traditional Statement by appealing to Scripture, the Baptist Faith and Message, and a variety of biblical, theological, and philosophical writings. Although many books address the doctrine of salvation, these authors consciously set aside the Calvinist-Arminian presuppositions that have framed this discussion in western theology for centuries. The contributors are unified in their conviction that any person who hears the gospel can be saved, a view that was found among earlier Baptist as well as other Christian groups today. This book is not meant to be the final word on Southern Baptist soteriology, but is offered as a peaceable contribution to the wider conversation on the doctrine of salvation.

Revenge arminian theology myths and realities roger e;Galactic Conflicts that Transformed History

It had been the year 23, and the earth was at the edge of conflict. The USA and PRC, the pair of world powers, were engaged in a fierce competition, contending for resources, power, and dominance. They had engineered sophisticated armaments, like lasers, drones, and orbiters, that could attack any place, any time. They had covertly constructed orbital stations, that could launch nuclear missiles, that could destroy the world. They were ready to employ them, if ever necessary. But they were not the sole ones. There was a 3rd entity, a hidden power, which had been watching them, waiting for them both, getting ready for them both. They were ETs, and they had come to prevent them. They had come arrived to protect the globe, or to terminate it. They had arrived to initiate the galactic wars which transformed past.

Miracle arminian theology myths and realities roger e__neon-lit canyons of New York City, where dreams and skyscrapers touched the heavens, a mysterious secret society known as "The Luminaries" gathered in the depths of the bustling financial district. Their clandestine meetings, hidden behind a facade of corporate giants, held a key to unlocking the secrets of wealth, power, and the pursuit of happiness.

Miracle arminian theology myths and realities roger e__From the ancient civilizations that laid the groundwork of society to the revolutions that shook the heart of nations, this book invites you to traverse the terrains of history. History, like an intelligent elder, has lessons to impart if only we lend it our ears.

Miracle arminian theology myths and realities roger e__where imposing skyscrapers pierced the sky and hoverboards zipped through the neon-drenched streets, a young prodigy named Kai stumbled upon a hidden laboratory. Within its dusty walls, he unearthed a device that unlocked portals to other worlds, triggering a chain of happenings that would unravel the very essence of his reality.

Revenge arminian theology myths and realities roger e;Jonathan's mind wandered as he traversed the quiet trails, thinking about the mysteries of existence and the vast possibilities that lay ahead. He marveled at the interwoven nature of all living things, each foliage and being contributing to the intricate tapestry of existence. It was a awareness that brimmed him with a deep feeling of thankfulness and modesty.

Nightmare that Never Ends

Sam awoke with a start, his body drenched in sweat. The same unsettling nightmare had once again haunted his sleep, the one where he was chased by a ominous figure wielding a blade. He glanced at the clock; it was 3:15 am. He tried to calm his racing heart, attempting to convince himself that it was merely a dream. Yet, deep down, he knew it was far more than that. He knew the elusive figure was existent, and it was approaching towards him. He had seen it before, in the horrific news reports, in the precise police sketches, in the despairing faces of the victims. It was the dreaded serial killer that had been plaguing the city for what seemed like an eternity. And Sam was his next target.
