Elephant Company 2015-04-14 Vicki Croke NEW YORK TIMES BESTSELLER • A NEW YORK TIMES NOTABLE BOOK The remarkable story of James Howard "Billy" Williams, whose uncanny rapport with the world's largest land animals transformed him from a carefree young man into the charismatic war hero known as Elephant Bill In 1920, Billy Williams came to colonial Burma as a "forest man" for a British teak company. Mesmerized by the intelligence and character of the great animals who hauled logs through the jungle, he became a gifted

"elephant wallah." In Elephant Company, Vicki Constantine Croke chronicles Williams's growing love for elephants as the animals provide him lessons in courage, trust, and gratitude. Elephant Company is also a tale of war and daring. When Japanese forces invaded Burma in 1942, Williams joined the elite British Force 136 and operated behind enemy lines. His war elephants carried supplies, helped build bridges, and transported the sick and elderly over treacherous mountain terrain. As the occupying authorities put a price on his head, Williams and his elephants faced their most perilous test. Elephant Company, cornered by the enemy, attempted a desperate escape: a risky trek over the mountainous border to India, with a bedraggled group of refugees in tow. Part biography, part war epic, Elephant Company is an inspirational narrative that illuminates a little-known chapter in the annals of wartime heroism. Praise for Elephant Company "This book is about far more than just the war, or even elephants. This is the story of friendship, loyalty and breathtaking bravery that transcends species. . . . Elephant Company is nothing less than a sweeping tale, masterfully written."—Sara Gruen, The New York Times Book Review "Splendid . . . Blending biography, history, and wildlife biology, [Vicki Constantine] Croke's story is an often moving account of [Billy] Williams, who earned the sobriquet 'Elephant Bill,' and his unusual bond with the largest land mammals on earth."—The Boston Globe "Some of the biggest heroes of World War II were even bigger than you thought. . . . You may never call the lion the king of the jungle again."—New York Post "Vicki Constantine Croke delivers an exciting tale of this elephant whisperer-cum-war hero, while beautifully reminding us of the enduring bonds between animals and humans."—Mitchell Zuckoff, author of Lost in Shangri-La and Frozen in Time

Wife or Water for Elephants. Raised together in a small German circus town, a boy and an elephant formed a bond that would last their entire lives, and would be tested time and again: through a near-fatal shipwreck in the Indian Ocean, an apprenticeship with the legendary Mahout elephant trainers in the Indian teak forests, and their eventual rise to circus stardom in 1940s New York City. Intelligent, majestic, and loyal, with lifespans matching our own, elephants are among the greatest of the wonders gracing the African wilds. Yet, in the 1970s and 1980s, about a thousand of these captivating creatures were slaughtered in Zambia each year, killed for their valuable ivory tusks. When biologists Mark and Delia Owens, residing in Africa to study lions, found themselves in the middle of a poaching fray, they took the only side they morally could: that of the elephants. From the authors of Secrets of the Savanna, The Eye of the Elephant is "part adventure story, part wildlife tale," recounting the Owens's struggle to save these innocent animals from decimation, a journey not only to supply the natives with ways of supporting their villages, but also to cultivate support around the globe for the protection of elephants (The Boston Globe). Filled with daring exploits among disgruntled hunters, arduous labor on the African plains, and vivid depictions of various wildlife, this remarkable tale is at once an adventure story, a travelogue, a preservationist call to action, and a fascinating examination of both human and animal nature.

The Peabody Picture Vocabulary Test Fourth Edition (PPVT-4) is a highly regarded vocabulary assessment that has been in use for almost half a century. Created by Lloyd M. Dunn and Douglas M. Dunn, the test is made to assess receptive vocabulary for Standard American English. It is swift and effortless to administer, preserving precious time so that concentration can be placed on applying effective strategies.

The PPVT-4 assessment material includes a extensive scope of receptive vocabulary levels, extending from preschool through adult age. The test items broadly feature words that portray 20 topic domains (e.g., actions, vegetables, tools), speech parts (nouns, verbs, attributes), and household and school vocabulary.

The evaluation gives two equivalent editions which hold different vocabulary words, guaranteeing that the test-taker has not "learned" the evaluation. One edition can be utilized prior to intervention implementation to assess test-takers' vocabulary knowledge and the second form can be employed for re-evaluation to measure and record improvement. The PPVT-4 also contains a unique Growth Scale Value (GSV) which is responsive to minor changes with time.
