Dear Dawn 2011-06-01 Aileen Wuornos The chilling autobiography of Aileen Wuornos, the notorious female serial killer who was the subject of an Investigation Discovery special and the Oscar-winning film starring Charlize Theron, *Monster Between 1989 and 1990*, Aileen Wuornos, a hitchhiking prostitute, shot, killed, and robbed seven men in remote Florida locations. Arrested in 1991, she was condemned to death on six separate counts and executed by lethal injection in 2002. An abused runaway who turned to prostitution to survive, Wuornos has become iconic of vengeful women who lash out at the nearest target. She has also become a touchstone for women's, prostitutes', and prisoners' rights advocates. Her story has inspired myriad books and articles, as well as the 2003 movie *Monster*, for which Charlize Theron won an Academy Award. But until now, Wuornos's uncensored voice has never been heard. Dear Dawn is Wuornos's autobiography, culled from her ten-year death row correspondence with beloved childhood friend Dawn Botkins. Authorized for publication by Wuornos and edited under the guidance of Botkins, the letters not only offer Wuornos's riveting reflections on the murders, legal battles, and media coverage, but go further, revealing her fears and obsessions, her rich humor and empathy, and her gradual disintegration as her execution approached. A candid life story told to a trusted friend, Dear Dawn is a compelling narrative, unwaveringly true to its source. "It is both empowering and heartbreaking, because Wuornos represents the fury of a wronged girl-gone-wild, whose rage was unleashed on men." —The Rumpus

Monster 2016-06-30 Aileen Wuornos & Christopher Berry-Dee Aileen Wuornos was executed in Florida, on the 9th of October, 2002 at the age of 46. She was the 10th woman to be sentenced to death in the USA since the death penalty resumed in 1976. Convicted for the murder of six men, in a two month period, Aileen claimed she acted in self defence however the investigation into these claims was poor and she later retracted her statement announcing to the Supreme Court, "I'm one who seriously hates human life and would kill again." All-too-often female prostitutes have been the victims of male serial killers - the killings of Aileen 'Lee' Wuornos were the inverse of this. She was a child prostitute, fleeing an abusive childhood at the hands of her grandparents, which led straight into a disastrous adulthood of difficult affairs with both men and women. Her metamorphosis from victim to attacker had brutal consequences: a stream of dead men. Following a renewed interest in this woman after the film "Monster", this is her story in her own words.

Dead Ends 2016-06-21 Joseph Michael Reynolds The true story of the woman who inspired the Academy Award-winning film *Monster* and a recent Investigation Discovery special. When police in Florida's Volusia County were called to investigate the murder of Richard Mallory, whose gunshot-ridden body had been found in the woods just north of Daytona Beach in December 1989, their search led them to a string of dead ends before the trail went cold six months later. During the spring and summer of 1990, the bodies of six more middle-aged white men were discovered—all in secluded areas near their abandoned vehicles, all but one shot dead with a .22 caliber pistol—and all without any suspects, motives, or leads. The police speculated that the murders were connected, but they never anticipated what they'd soon discover: The killings were the work of a single culprit, Aileen Wuornos, one of the first women to ever fit the profile of a serial killer. With the cooperation of her former lover and accomplice, Tyria Moore, the police were able to solicit a confession from Wuornos about her months-long killing spree along Florida's interstate highways. The nation was quickly swept up in the drama of her trial and the media dubbed her the "Damsel of Death" as horrifying details of her past as a prostitute and drifter emerged. Written by the Reuters reporter who initially broke the story, *Dead Ends* is a thrilling firsthand account of Wuornos's capture, trial, and ultimate sentencing to death by lethal injection, that goes beyond the media frenzy to reveal the even more disturbing truth.

Kissing Dead Girls 2008-03-10 Daphne Gottlieb Fusing pornography and postfeminist theory, transcript and tell-all, these playful, penetrating poems and stories reach off the page in search of what it is to be known, both to the masses and to the "Other." Gertrude Stein's work is co-opted and re-seen in an attempt to unpack the relationship between love and war; Walt Whitman makes a command performance in dismembered bits of forced formal verse; and *The Exorcist* and *The Devil in Miss Jones* are sutured together in an attempt to locate the horror of desire.

Homewrecker 2005-10-17 Daphne Gottlieb "Homewrecker: An Adultery Reader is the world's first literary anthology about sneaking and cheating, getting caught and getting laid, and even having your heart broken just when you thought you were safe. Major shapers of contemporary writing share space with fresh talent, each with a different take on desire and its aftermath. Stephen Elliott remembers the dominatrix who two-timed him with a square, while Lori Selke spins steamy erotica about just how quickly queer marriage can degenerate into queer extramarital activity. Neal Pollack recalls the early days of the Internet when anything seemed possible - even despoering the marriages of people you've never met - while Matthue Roth wonders if it's possible to cheat on God. Cris Mazza, Susannah Breslin, Kevin Sampsell, Gina Frangello, Merri Lisa Johnson, and nineteen other writers prove that here there are no victims, no villains, and no innocent bystanders. Only lovers, with all the responsibility the word implies."--BOOK JACKET.

Monster 2004 Aileen Wuornos Told in her own words, this is the story of serial killer Aileen Wuornos, who was portrayed in an Oscar-winning performance by Charlize Theron in the film*Monster*.There have been few female serial killers, but Aileen Wuornos, who was executed in 2002, was a remarkable example of this rare breed of death row inmate. All too often, female prostitutes have been the victims of male serial killers—Wuornos' killings were the inverse of this pattern. After escaping an abusive childhood at the hands of her grandparents, she became a child prostitute, progressing into a disastrous adulthood of prostitution and damaging affairs with both men and women. Her eventual metamorphosis from victim to attacker had brutal consequences—a stream of dead men. This is her story, as told to Christopher Berry-Dee, editor of*The New Criminologist*and director of Britain's Criminology Research Center.

Final Girl 2003-09-22 Daphne Gottlieb The one who remains to tell the story -- the "final girl" -- is the last girl left alive in this bracing cycle of poems that draw on slasher movies, captivity fantasies, queer theory, and death from breast cancer. Sexy and tart, low-down and high-hearted poems such as *Suture*, *Slash*, *Vamp*, and *Bride of Reanimator* articulate the dark desires, fears, and traumas out of which pop culture is made. Author Daphne Gottlieb is the winner of the 2002 *Firecracker Award* and a 2002 *Lambda Finalist*.

Deviant 2010-05-11 Harold Schechter The truth behind the twisted crimes that inspired the films *Psycho*, *The Texas Chain Saw Massacre*, and *The Silence of the Lambs*... From "America's principal chronicler of its greatest psychopathic killers" (The Boston Book Review) comes the definitive account of Ed Gein, a mild-mannered Wisconsin farmhand who stunned an unsuspecting nation—and redefined the meaning of the word "psycho." The year was 1957. The place was an ordinary farmhouse in America's heartland, filled with extraordinary evidence of unthinkable depravity. The man behind the massacre was a slight, unassuming Midwesterner with a strange smile—and even stranger attachment to his domineering mother. After her death and a failed attempt to dig up his mother's body from the local cemetery, Gein turned to other grave robberies and, ultimately, multiple murders. Driven to commit gruesome and bizarre acts beyond all imagining, Ed Gein remains one of the most deranged minds in the annals of American homicide. This is his story—recounted in fascinating and chilling detail by Harold Schechter, one of the most acclaimed true-crime storytellers of our time.

Did it matter that there were published stories of her having sex in bathrooms, vacant parking lots, on the balcony at a party in an old bordello? Did it matter whether or not they were true? This question sparked the idea for *Fucking Daphne*, a collection that blurs the lines between reality and fiction and begs the question who is the real Daphne? A pill-popping wild child? A soft place to fall with a broken heart? A dreadlocked vixen? Pretty Much Dead 2017 Daphne Gottlieb Fiction. Beyond the surface glitter of tech wealth currently overwhelming cities like San Francisco are the interstice communities that have barely survived the onslaught. In the streets, in transient hotels and in rent-controlled buildings, the residents settle and search, trying to hold on in the city at the edge of the world. In these stories, Daphne Gottlieb chronicles inner and outer worlds, shedding light on the significance of a cat, the larger meaning of a parking ticket, the violent mutability of an indoor hurricane, and the contents of a bag as the owner stalks like a wounded tiger through the streets, dragging the memory of her objects through the collection itself. Artful, heartrending, clear-eyed and darkly magical, *PRETTY MUCH DEAD* is part fable, part witness, and part chorus, giving words to the voices that are only heard when they start to yell.

Of Men and Monsters 1997-11-01 Richard Tithecott *Of Men and Monsters* examines the serial killer as an American cultural icon, one that both attracts and repels. Richard Tithecott suggests that the stories we tell and the images we conjure of serial killers—real and fictional—reveal as much about mainstream culture and its values, desires, and anxieties as they do about the killers themselves.

A bloodthirsty serial killer, self-named "BTK"—for "bind them, torture them, kill them"—he slaughtered men, women, and children alike, eluding the police for decades while bragging of his grisly exploits to the media. The nation was shocked when the fiend who was finally apprehended turned out to be Dennis Rader—a friendly neighbor . . . a devoted husband . . . a helpful Boy Scout dad . . . the respected president of his church. These pieces work both in performance and on the page. They tackle sexuality, lesbian issues, rape, modern urban living, and the author’s Jewish heritage, with a sometimes kooky but always sophisticated view of life.

The Unfinished Autobiography of Aileen Wuornos 2021-05-30 Theo Slade A letter correspondence over many years between Aileen and her best friend from childhood Dawn was collated into a book, in the order the letters were sent. Mixed into the letters were long essays about her life on the road which she asked Dawn to keep safe encase she ever wrote enough that she could start knocking it into an autobiography. As I was reading it, I found her experiences of the time she lived through so fascinating that I wanted to save each one and see it in perspective to her other memories in the timeline of her life. So that’s what I’ve done here. And if it’s useful in the future to anyone’s creative pursuits, like writing non-fiction plays or graphic novels, essay reflections on her life, the 70s, or even fictional stories with characters based on Aileen, then all the better. I first discovered Aileen’s story through Nick Broomfield’s documentary, ‘The Life And Death Of A Serial Killer’. Which gave an in depth look into the tortured childhood she came from. The myopic reason it resonated with me is the very tenuous comparison I saw between myself and Aileen, in that she had been setting off hitchhiking and living on communes since the age of 15 with the hope of doing some psychological healing from the circle she was stuck moving in in Troy, Michigan, where she grew up. And that this was a very romanticized road to take at the time, although I don’t think Aileen bought into all of that, as she was simply homeless from the age of 13, and traveling further afield was a nice break from relying on friends in Troy. But, she loved the hippie music of the era and cherished every commune she stayed at for the people who attempted a new more compassionate way of relating to one another. So for me, that was activist circles, and it left me with the understanding that you don’t get a choice in the strange situational reasons that different people will be alienated from society enough to join this or that campaign, but you can make the best of the journey all the same. I’ll include a forward by Hunter S. Thompson on the hippie counter-culture for this reason anyway. Then the rest is almost all Aileen, with just a few excerpts from interviews in the documentary. Finally here are Aileen’s words on her attempts to write this autobiography from jail: This is being done like *Sound off*. But of course like I said, real brief, hitting area’s most important. Like looks and character, on Mom, Dad, Lori, Barry, Keith, then to me, and the life I lead. That’s going to be really hard to be brief. You know how much I’ve seen?! Geez! But, I’ll get through. And must, before I should die soon. I am really close to God. Read the Bible three times all the way through. And even in my young and road days, I got into God (Jesus) and my heart was as good then it as it is now. Even though I became a pro in being a prostitute I still believed on the road anyway, and always willing to give a helping hand to anyone, even “strangers” because of my experiences from my young days and how I was treated. I cannot elaborate how many times sex was forced upon me, but when I do get some time down the road to get a book out. It is going to be about my life, not these crimes. And how people should NOT treat each other like this. Disclaimers Putting this together is not an endorsement of Aileen’s views or actions, she was failed by society and as a result was a danger to that society in return. And even though reading stories of her beating up a homophobe or escaping juvenile detention is heartwarming, the way in which she was a danger was by no means always good. She killed for money, was a hateful racist, a controlling abusive partner and abused animals through neglect. So, bare all that in mind when you’re reading & obviously be very skeptical of whether some of the claimed facts & narratives are even true. I’m not claiming to own the copyright or seeking to earn money from these texts. I grammar and spell corrected it, as Aileen was not very literate, it would have been a torturous read otherwise for many. But, if you want to see the letters preserved with their original spelling, you can simply read the book *Dear Dawn*. And if you’re simply curious to cross-reference where a specific paragraph from a story fit into it’s original letter, you can copy a rare word or sentence, pull up an e-book of *Dear Dawn*, hit Ctrl+F and paste to see. Finally, I don’t know what genre this would fall into, but I think it’s fairly close to arriving at what her autobiography might have looked like, had she desired to or been mentally well enough to finish filling in key moments, with a ghostwriter to help. So, unfinished memoir or biography maybe? You decide. Download For Free Download in various formats on my website:

Female Serial Killers 2007-08-07 Peter Vronsky In this fascinating book, Peter Vronsky exposes and investigates the phenomenon of women who kill—and the political, economic, social and sexual implications buried with each victim. How many of us are even remotely prepared to imagine our mothers, daughters, sisters or grandmothers as fiendish killers? For centuries we have been conditioned to think of serial murderers and psychopathic predators as men—with women registering low on our paranoia radar. Perhaps that’s why so many trusting husbands, lovers, family friends, and children have fallen prey to “the female monster.” From history’s earliest recorded cases of homicidal females to Irma Grese, the Nazi Beast of Belsen, from Britain’s notorious child-slayer Myra Hindley to ‘Honeymoon Killer’ Martha Beck to the sensational cult of Aileen Wuornos—the first female serial killer-as-celebrity—to cult killers, homicidal missionaries, and our pop-culture fascination with the sexy femme fatale, Vronsky not only challenges our ordinary standards of good and evil but also defies our basic accepted perceptions of gender role and identity. Deadly Dallas 2021-06-28 Rusty Williams Spring of 1904. An inexperienced automobile driver jumps the curb and drives into the lobby of the St. George Hotel. Embers from a wood-burning stove transform a sleeping house into a funeral pyre. A ten-year-old boy in City Park has a spike driven into his temple by a playmate with a fence picket. All this in just a few days. Rusty Williams catalogues the heartbreaking and bizarre forms in which death stalked Dallas at the turn of the twentieth century.

Straight 2012-01-31 Hanne Blank It’s surprising that the term “heterosexuality” is less than 150 years old and that heterosexuality’s history has never before been written, given how obsessed we are with it. In *Straight*, independent scholar Hanne Blank delves deep into the contemporary psyche as well as the historical record to chronicle the realm of heterosexual relations—a subject that is anything but straight and narrow. Consider how Catholic monasticism, the reading of novels, the abolition of slavery, leisure time, divorce, and constipation of the bowels have all at some time been labeled enemies of the heterosexual state. With an extensive historical scope and plenty of juicy details and examples, *Straight* provides a fascinating look at the vagaries, schisms, and contradictions of what has so often been perceived as an irreducible fact of nature.

This is a unique, never-before-told behind-the-scenes narrative. “Requiem for a Female Serial Killer” will haunt you. The ghost of Aileen Wuornos beckons.

Murder in the Heartland: Book One 2003 Harry Spiller For 16 years, Harry Spiller worked as a deputy sheriff, investigator, and sheriff in a place where murder isn’t suppose to happen- Southern Illinois. Investigating murder cases mainly in Williamson County and assisting in other counties, he learned the hard reality that murder is all around us. The act is swift for the victim and can happen to anyone, anywhere, at any time. It doesn’t matter if you live in a big city or a small county, with brick-front towns, small farms, white church houses, lakes and ponds, the Shawnee National Forest, and the muddy rivers. All too often, victims fall prey in places that we think are safe to raise our families, places where we take walks on hot summer nights, where our children play in the park without concern, where we fish in the local pond hoping to land the big one, and where we leave our doors unlocked at night. In this book, *Murder In The Heartland*, there are 20 case files.

The Big Book of Serial Killers 2023-03-14 Jack Rosewood There is little more terrifying than those who hunt, stalk and snatch their prey under the cloak of darkness. These hunters search not for animals, but for the touch, taste, and empowerment of human flesh. They are cannibals, vampires and monsters, and they walk among us. These serial killers are not mythical beasts with horns and shaggy hair. They are people living in society, going about their day-to-day activities until nightfall. They are the Dennis Rader’s, the fathers, husbands, church-going members of the community. This A-Z encyclopedia of 150 serial killers is the ideal reference book. Included are the most famous true crime serial killers, like Jeffrey Dahmer, John Wayne Gacy, and Richard Ramirez, and not to mention the women who kill, such as Aileen Wuornos and Martha Rendell. There are also lesser-known serial killers, covering many countries around the world, so the range is broad. Each of the serial killer files includes information on when and how they killed the victims, the background of each killer, or the

suspects in some cases such as the Zodiac killer, their trials and punishments. For some, there are chilling quotes by the killers themselves. The *Big Book of Serial Killers* is an easy-to-follow collection of information on the world’s most heinous murderers.

Aileen Wuornos 2021-05-30 Gisela K Aileen Wuornos, known as “America’s First Female Serial Killer”, “The Damsel of Death”, “The Florida Highway Killer”, and “The Highway Hooker” has had movies, documentaries, books, songs, and even an opera made about her life. She was a victim and a villain all in one, the monster that everyone has had a soft spot for or sympathized with at some point, and the woman who would go down in history as the most callous female serial killer to have ever lived. What set her apart from other female killers was the way in which she operated. She picked on strangers and murdered them with a .22-caliber pistol at point-blank range before robbing them and taking home wads of cash and shiny things to impress her lover, Tyria Moore with. Her frequent homelessness, hunger for unconditional love, and the defiant way that she faced every single day on the street with her thumb in the air is mesmerizingly sad; she had few alternatives to survive and genuinely seemed to try her best to find love and happiness, every grim step of the way in her short life. Nonetheless, she was a serial killer with a criminal history who would do anything for love and anything to get her way, right until the end. While almost every person that she had ever encountered exploited her in one way or another, she too, manipulated and used people to meet her own needs, and discarded them when they no longer served her purposes. Still, Bundy, Dahmer, Kemper, Ridgway, Rader, and many other serial killers that she was supposedly as evil as got a life sentence, something that was never an option for her. There are dark elements to her story, which include politics, corruption, betrayal, and the total exploitation of a new brand of serial killer. Her case was complex and her outcome, irrespective of everything that she did, felt wrong. Let’s investigate!

Horrific Homicides 2021-10-28 Thomas M. Stark A scorned woman, an incensed deli owner, a drunken cop, and an antisocial son. These were the most memorable murder defendants to appear before Long Island judge Thomas M. Stark during his thirty-seven years on the bench. None was more notorious than Ronald DeFeo Jr., who in 1975 was convicted of shooting six members of his family, a crime that sparked tales of hauntings later recounted in the best-selling book *The Amityville Horror: A True Story*. Drawing from his personal files, Stark gives readers an inside look at the brutal murders, the frenzy over the alleged psychic events that followed, and DeFeo’s decades of shifting stories about what really happened that fateful night. The book’s other tales of true crime include long-forgotten cases that mesmerized Long Islanders from the 1960s to the 1980s: the murder-for-hire of an unfaithful paramour, a fire that took the lives of a mother and three children, a Southampton society melee, and more. A noted expert on criminal law, Stark delves into the legal issues raised by each murder and shares the thinking behind his rulings. These real-life cases are sure to fascinate fans of both true crime and courtroom drama as Stark brings to life tragic stories of love and betrayal, a feud turned deadly, partying gone awry, and a family killed in cold blood.

The Christopher Killer 2008-02-28 Alane Ferguson As the daughter of a Colorado County coroner, seventeen-yearold Cameryn Mahoney is no stranger to death. In fact, she’s always been fascinated by the science of it. So she’s thrilled to finally get some hands-on experience in forensics working as her father’s assistant. But Cammie is in for more than she bargained for when the second case that she attends turns out to be someone she knows—the latest victim of a serial killer known as the Christopher Killer. And if dealing with that isn’t hard enough, Cammie soon realizes that if she’s not careful, she might wind up as the killer’s next victim. . . .

Eat Joy 2019-10-29 Natalie Eve Garrett Named a Best Cookbook of the Year by Martha Stewart Living “Magnificent illustrations add spirit to recipes and heartfelt narratives. Plan to buy two copies—one for you and one for your best foodie friend.” —Taste of Home This collection of intimate, illustrated essays by some of America’s most well-regarded literary writers explores how comfort food can help us cope with dark times—be it the loss of a parent, the loneliness of a move, or the pain of heartache. Lev Grossman explains how he survived on “sweet, sour, spicy, salty, unabashedly gluey” General Tso’s tofu after his divorce. Carmen Maria Machado describes her growing pains as she learned to feed and care for herself during her twenties. Claire Messud tries to understand how her mother gave up dreams of being a lawyer to make “a dressed salad of tiny shrimp and avocado, followed by prune-stuffed pork tenderloin.” What makes each tale so moving is not only the deeply personal revelations from celebrated writers, but also the compassion and healing behind the story: the taste of hope. “If you’ve ever felt a deep, emotional connection to a recipe or been comforted by food during a dark time, you’ll fall in love with these stories.”—Martha Stewart Living “Eat Joy is the most lovely food essay book . . . This is the perfect gift.” —Joy Wilson (Joy the Baker)

Shallow Graves 2017-09-05 Maureen Boyle Eleven women went missing over the spring and summer of 1988 in New Bedford, Massachusetts, an old fishing port known as the Whaling City, where Moby Dick, Frederick Douglass, textile mills, and heroin-dealing represent just a few of the many threads in the community’s diverse fabric. In *Shallow Graves*, investigative reporter Maureen Boyle tells the story of a case that has haunted New England for thirty years. The Crimes: The skeletal remains of nine of the women, aged nineteen to thirty-six, were discovered near highways around New Bedford. Some had clearly been strangled, others were so badly decomposed that police were left to guess how they had died. The Victims: All the missing women had led troubled lives of drug addiction, prostitution, and domestic violence, including Nancy Paiva, whose sister was a hard-working employee of the City of New Bedford, and Debra Greenlaw DeMello, who came from a solidly middle-class family but fell into drugs and abusive relationships. In a bizarre twist, Paiva’s clothes were found near DeMello’s body. The Investigators: Massachusetts state troopers Maryann Dill and Jose Gonsalves were the two constants in a complex cast of city, county, and state cops and prosecutors. They knew the victims, the suspects, and the drug-and-crime-riddled streets of New Bedford. They were present at the beginning of the case and they stayed to the bitter end. The Suspects: Kenneth Ponte, a New Bedford attorney and deputy sheriff with an appetite for drugs and prostitutes, landed in the investigative crosshairs from the start. He was indicted by a grand jury in the murder of one of the victims, but those charges were later dropped. Anthony DeGrazia was a loner who appeared to fit the classic serial-killer profile: horrific childhood abuse, charming, charismatic, but prone to bursts of violence. He hunted prostitutes in the city by night and served at a Catholic church by day. Which of these two was the real killer? Or was it someone else entirely? Maureen Boyle first broke the story in 1988 and stayed with it for decades. In *Shallow Graves* she spins a riveting narrative about the crimes, the victims, the hunt for the killers, and the search for justice, all played out against the backdrop of an increasingly impoverished community beset by drugs and crime. Drawing on more than one hundred interviews, along with police reports, first-person accounts, and field reporting both during the killings and more recently, *Shallow Graves* brings the reader behind the scenes of the investigation, onto the streets of the city, and into the homes of the families still hoping for answers.

My Friend Dahmer (Movie Tie-In Edition) 2017-10-03 Derf Backderf “A well-told, powerful story. Backderf is quite skilled in using comics to tell this tale of a truly weird and sinister 1970s adolescent world.” —R. Crumb NATIONAL BESTSELLER Named a BEST OF 2012 by Time, The Village Voice, A.V. Club, comiXology, Boing Boing, Publishers Weekly, MTV Geek, and more! “ASTOUNDING.” —Lev Grossman, Time You only think you know this story. In 1991, Jeffrey Dahmer—the most notorious serial killer since Jack the Ripper—seared himself into the American consciousness. To the public, Dahmer was a monster who committed unthinkable atrocities. To Derf Backderf, Dahmer was a much more complex figure: a high school friend with whom he had shared classrooms, hallways, and car rides. In *My Friend Dahmer*, a haunting and original graphic novel, writer-artist Backderf creates a surprisingly sympathetic portrait of a disturbed young man struggling against the morbid urges emanating from the deep recesses of his psyche—a shy kid, a teenage alcoholic, and a goofball who never quite fit in with his classmates. With profound insight, what emerges is a Jeffrey Dahmer that few ever really knew, and readers will never forget. This new paperback edition will coincide with the release of the movie adaptation of *My Friend Dahmer* and will include additional bonus content from the author archives.

My Son, The Killer 2018-11-06 Brian Whitney An intimate look at the internet killer featured in the Netflix true crime documentary Don’t F**k with Cats—written with the murderer’s mother. In 2012, male escort and porn actor Luka Magnotta found a gruesome path to fame. He videotaped himself murdering and dismembering Chinese student Jun Lin before posting the video online. After mailing Jun’s hands and feet to elementary schools, Luca led Interpol on a manhunt that ended in Berlin. They arrested him at an Internet café where he was reading news stories about himself. Now with a legion of twisted fans, Magnotta was brought back to Canada, convicted of first-degree murder, and sentenced to prison. During this time, Anna Yourkin, his estranged mother, troubled by Magnotta’s abused childhood and her role in it, reconnected with her killer son. With exclusive interviews, Magnotta has given award-winning journalist Brian Whitney an intimate look inside the mind of this “social media” killer. Joining Whitney to tell this unique true crime story is Anna Yourkin, who provides exclusive photos.
