## Sexual Violence Against Children in Britain Since 1965

2021-11-30 Nick Basannavar This book investigates the changes and continuities in the ways in which sexual violence has been interpreted and represented in Britain since 1965. It explores the representational trail of the Moors murders and subsequent trial of 1966, the emergence of age of consent abolitionism in the 1970s, Cleveland's child sexual abuse crisis of 1987-8, and 2010 and 20s contemplations on the Jimmy Savile scandal. Harnessing research into popular media forms and a huge range of personal, political and professional records, Nick Basannavar carefully parses and illustrates the ways in which journalists, medical workers, politicians, lobbyists and other groups assembled and animated their narratives, revealing complex rhetorical and emotional processes. This book challenges problematic conceptual dichotomies such as silence/noise or ignorance/knowledge. It shows instead that although categories such as 'child sexual abuse' and 'paedophilia' may be relatively recent linguistic value-constructs, sexual violence against children has existed and been represented across historical moments, in changeable and challenging ways.

## Model Rules of Professional Conduct

---

2007 American Bar Association. House of Delegates The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

## *Representing Africa in Children's Literature*

2007-12-13 Vivian Yenika-Agbaw Representing Africa in Children's Literature explores how African and Western authors portray youth in contemporary African societies, critically

examining the dominant images of Africa and Africans in books published between 1960 and 2005. The book focuses on contemporary children's and young adult literature set in Africa, examining issues regarding colonialism, the politics of representation, and the challenges posed to both "insiders" and "outsiders" writing about Africa for children.

#### Beyond Shame (Beyond Series, Book 1)

2012-09 Kit Rocha All Noelle Cunningham has ever wanted was a life beyond--beyond her stifling role as a prim and proper councilman's daughter, and beyond the walls of the patriarchal city of Eden, the only remnants of safety in a world destroyed by solar storms decades earlier. But when she's banished for violating the prohibition against immorality, she's unprepared for the lawless world outside the city's walls. The sectors surrounding Eden house those abandoned to fend for themselves--men like Jasper McCray, bootlegger and cage fighter. Jas clawed his way up from nothing to stand at the right hand of Sector Four's ruthless leader, and he'll defend the O'Kane gang with his life. But fighting hasn't prepared him for dealing with a sheltered City princess who falls at his feet. Her innocence is undeniable, but so is her intense sexual curiosity. Soon they're exploring every dark fantasy she's ever been ashamed to have. But if Noelle wants to claim her place with the O'Kanes and at Jas's side, she'll have to find the courage to embrace something even more terrifying than her own desires. Her own power. \*\*\* The Beyond Series is dystopian erotic romance. While the books explore kink and sex with multiple partners in a dark and decadent world, all sex between characters is 100% consensual.

Nightmare that Never Ends

Sam woke up screaming, covered in sweat. He had the same nightmare again, the one where he was chased by a dark figure with a knife. He looked at the clock, it was 3:15 am. He tried to calm himself down, telling himself it was just a dream. But he knew it was more than that. He knew the figure was real, and it was coming for him. He had seen it before, in the news, in the police sketches, in the faces of the victims. It was the serial killer that had been terrorizing the city for months. And Sam was his next target.
