Consider this a handbook for teaching the business aspects of an art career. This book is written and designed to empower you to help artists understand the wild world of art careers. Syllabus and handouts included. Far too often artists find themselves having to compromise their art and their life because they were not taught accurate up-to-date methods for dealing with business situations. Because of this lack of preparedness artists miss out on valuable opportunities, financial rewards, and access to receptive audiences. This book aims to help teachers teach professional practices to artists everywhere, helping to avoid these pitfalls and get on the track to success on their own terms.

2016-12-29 Sarah Knight A New York Times bestseller. From the author of the bestselling book everyone is talking about, The Life-Changing Magic of Not Giving a F**k. the no-f**ks-given, no-holds-barred guide to living your best life. Ever find yourself snowed under at the office - or even just glued to the sofa - when you really want to get out (for once), get to the gym (at last), and get started on that daunting dream project you're always putting off? Then it's time to get your sh*t together. In The Life-Changing Magic of Not Giving a F**k, 'anti-guru'

Sarah Knight introduced the joys of mental decluttering. Get Your Sh*t Together takes you one step further - organizing the f*cks you want and need to give to help you quit your day job and move abroad, balance work and fun - and save money while you're at it - or simply get out of the door for happy hour, every day. What everyone is saying about our favourite anti-guru Sarah Knight: 'Life-affirming . . . The key practice she advocates is devising for yourself a "fuck budget" . . . It's a beautiful way of streamlining your psyche' Guardian 'The best book I have read recently . . . Absolutely blinding. Read it. Do it.' nobody wants to read your shit, you develop empathy. You acquire the skill that is indispensable to all artists and entrepreneurs—the ability to switch back and forth in your imagination from your own point of view as writer/painter/seller to the point of view of your reader/gallery-goer/customer. You learn to ask yourself with every sentence and every phrase: Is this interesting? Is it fun or challenging or inventive? Am I giving the reader enough? Is she bored? Is she following where I want to lead her?

so you can achieve your hopes and dreams. Now she's back, doubling down on your happiness with her latest message: You Do You. Being yourself should be the easiest thing in the world. Yet instead of leaning in to who we are, we fight it, listening too closely to what society tells us. You Do You helps you shake off those expectations, say f**k perfect, start looking out for number one and keep on with your badass self. From career and finances to relationships and family, lifestyle and health, Sarah Knight rips up the rulebook. Writing about her mistakes and embarrassments in her own personal quest to 'do me' - because nobody gets everything right all day, every day - Sarah Knight shows why you can and should f**k up and teaches you to let yourself off the hook, bounce back and keep standing tall. QuickRead Do you want more free book summaries like this? Download our app for free at <https://www.QuickRead.com/App> and get access to hundreds of free book and audiobook summaries. Learn how to stop worrying about what you should do so you can finish what you need to do and start doing what you want to do. Welcome to Get Your Shit Together, before you keep reading you should know a few things. First, this is not a traditional self-help book. Instead, think about this as more of a “let Sarah help you help yourself” help book. In other words, Sarah is here to offer “help” when your “self” gets in the way. I mean, if you could help yourself, you would’ve done it by now, right? Second, this book is not about cleaning up your physical messes in your life. You won’t be getting tips about how to gather your shit, thank you for this review, and sending it off to the local fire service, and sending it off to the No F Cks Given Guide Pdf Pdf upload Suny h Boyle

Salvation Army or Goodwill. Instead, you’ll be learning how to tidy up your mental clutter like your career, finances, creative pursuits, relationships, and health. Sarah thinks of this book as a “delightfully profane one-stop-shop for tidying your mind - and making your life easier and better.” No matter where you are in your life, whether you’re in a rut with your career, finances, or your health, you have the power to hoist yourself out of your rut and begin living the life you want, and deserve, to live. As you read, you’ll learn “how to set goals, how to push through small annoyances and thorny obstacles to meet those goals, and then how to imagine and achieve even bigger goals that you may not, until now, have thought possible.”

Bossed Up

2019-05-21 Emilie Aries In this candid, refreshing guide for young women to take with us as we run the world, Emilie Aries shows you how to own your power, know your worth, and design your career and life accordingly. Young women today face an uncertain job market, the pressure to ascend at all costs, and a fear of burning out. But the landscape is changing, and women are taking an assertive role in shaping our careers and lives, while investing more and more in our community of support. *Bossed Up* teaches you how to: Break out of the "martyrdom mindset," and cultivate your Boss Identity by getting clear on what you really want for your career and life without apology; Hone the self-advocacy skills necessary for success; Understand the differences between being assertive (which is part of being a leader) and

being aggressive (which is more like being a bully) - and how that clarity can transform your trajectory; Beat burnout by identifying how the warning signs may be showing up in your life and how to prioritize bringing more rest, purpose, agency, and community to your day-to-day life; Unpack the steps to cultivating something more than just confidence; a boss identity, which will establish your ability to be the boss of your life no matter what comes your way. Drawing from timely research, and with personal stories, and spotlights on a diverse group of women from the Bossed Up community, this book will show you how to craft a happy, healthy, and sustainable career path you'll love.

her designer dresses and ripped up fishnets, buys you champagne (she loves you too much to let you drink beer), and colors your lips with bright pink lipstick. She'll take you to the coolest parties, and will stick by your side and she guides you through the glitter, pain, danger, laughter, and what it means to be a f*cked up girl in this f*cked up world (both of which are beautiful despite the darkness). Girl, Stop Passing Out in Your Makeup is for the girls that are too much of a beautiful contradiction to be contained. Zara is a gifted writer—one second she'll have you laughing over rich girls agonizing over which Birkin bag to buy, the next second she'll shatter your heart in one sentence about losing one's innocence. Zara is the nuanced girl she writes for—light, irreverent, snarky, bitchy, funny; and aching, perceptive, deep, flawed, wise, poised, honest—all at once. Perhaps the only thing that can match Zara's unparalleled wit and big sister advice is her candid humor and undeniable talent for the written word. Zara

is one of the most prolific and entertaining honest voices on the internet—and her talent is only multiplied in book form. Girl, Stop Passing Out in Your Makeup is for the bad girls, honey.”—Dayna Troisi, Executive Editor, GO Magazine “Reading Zara's writing will make you feel like you're at your cool-as-hell big sister's sleepover party. You will be transfixed by her unflinching honesty and words of wisdom, and she'll successfully convince you to not only ditch the shame you feel about the raw and messy parts of yourself, but to dare to see them as beautiful.”—Alexia LaFata, Editor, New York Magazine “If Cat Marnell and F. Scott Fitzgerald had a literary baby it would be Zara Barrie. She’s got Marnell’s casual, dark, downright hilarious tone of an irreverent party girl. But then she also has Fitzgerald’s talent for making words literally feel like they sparkle on the page. I’ve always been a fan of Zara’s writing but Girl, Stop Passing Out in Your Makeup takes it to the next level. This is what you need to do
