The diamond was named the Star of Africa, and it was the biggest and most gorgeous diamond in the world. It was guarded by a high-tech security setup, and a team of weaponized guards. No one could steal it, or so they thought. But somebody did. An individual managed to get around the protection, to elude the guards, to smash the glass, and to grab the diamond. And no one saw them, no one overheard them, no one identified who they were. They left no sign, no hint, no proof. They disappeared into the darkness, with the African Star. And the mystery of the vanished diamond started.
