The Cloud Princess 2017-04-04 Khoa Le "The vivid, brilliant illustrations bring this simple pourquoi tale to life in a highly engaging way," from the author of Sun and Moon Sisters (School Library Journal). Cloud Princess lives high in the sky, together with Miss Sun and Miss Moon, but she wants to discover what life on Earth is like. So one day she drifts down to Earth and sees the cars and the flowers and the people that live there. Unfortunately, sinking down to Earth sparks a curious change in her—she begins to turn into water! She dashes back to her home in the sky, but loved Earth so much that she visits every Spring—and brings the rain along with her. "Le's illustrations are absolutely stunning, filled with vibrant colors and movement as the Cloud Princess explores. The title character is ethereal yet relatable. Her cloud-hair is delightfully voluminous; her face expresses her initial loneliness

and then her curiosity and wonder. The plot has the gentle simplicity characteristic of folktales. The book provides an excellent springboard for discussion about storytelling and how cultures through the ages have used stories to explain their observations of the natural world." –School Library Journal "All the sweet expressions and softly variegated colors throughout create delicate visual harmonies. There's lots of eye candy in individual scenes." –Kirkus Reviews

From Kant to Croce 2012-01-01 Brian P. Copenhaver From around 1800, shortly before Pasquale Galluppi's first book, until 1950, just before Benedetto Croce died, the most formative influences on Italian philosophers were Kant and the post-Kantians, especially Hegel. In many ways, the Italian philosophers of this period lived in turbulent but creative times, from the Restoration to the Risorgimento and the rise and fall of Fascism. From Kant to Croce is a comprehensive, highly readable history of the main currents and major figures of modern Italian philosophy, described in a substantial introduction that details the development of the discipline during this period. Brian P. Copenhaver and Rebecca Copenhaver provide the only up-to-date introduction in English to Italy's leading modern philosophers by translating and analysing rare and original texts and by chronicling the lives and times of the philosophers who wrote them. Thoroughly documented

and highly readable, From Kant to Croce examines modern Italian philosophy from the perspective of contemporary analytic philosophy.

Homosexuality and Italian Cinema 2017-11-18 Mauro Giori This book is the first to establish the relevance of same-sex desires, pleasures and anxieties in the cinema of post-war Italy. It explores cinematic representations of homosexuality and their significance in a wider cultural struggle in Italy involving society, cinema, and sexuality between the 1940s and 1970s. Besides tracing the evolution of representations through both art and popular films, this book also analyses connections with consumer culture, film criticism and politics. Giori uncovers how complicated negotiations between challenges to and valorization of dominant forms of knowledge of homosexuality shaped representations and argues that they were not always the outcome of hatred but also sought to convey unmentionable pleasures and complicities. Through archival research and a survey of more than 600 films, the author enriches our understanding of thirty years of Italian film and cultural history.

Marlene Dietrich 2019-01-08 Maria Riva Wildly entertaining, Maria Riva reveals the rich life of her mother in vivid detail. Opening with Dietrich's childhood in Berlin, we meet an energetic, disciplined, and ambitious young actress whose own mother equated the stage with a world of vagabonds and thieves. Dietrich would quickly rise to stardom on the Berlin stage in the 1920s with her sharp wit and bisexuality—while wearing the top hat and tails that revolutionized our concept of beauty and femininity. Dietrich comes alive in these pages in all of her incarnations: as muse, artistic collaborator, bonafide movie star, box-office poison, lover, wife, and mother. She would stand up to the Nazis and galvanize American troops, eventually earning the

Congressional Medal of Freedom. There were her artistic relationships with Josef von Sternberg (The Blue Angle, Morocco, Shanghai Express), Colette, Erich Maria Remarque, Noël Coward, and Cole Porter, and her heady romances. In her final years, she would make herself visibly invisible, devoting herself to the immortality of her legend. Marlene Dietrich: The Life captures this complex and astonishing woman. Maria Riva's biography of her mother has the depth, range, and resonance of a novel and captures the conviction and passion of its remarkable subject.

The History of Italian Cinema 2009 Gian Piero Brunetta Discusses renowned masters including Roberto Rossellini and Federico Fellini, as well as directors lesser known outside Italy like Dino Risi and Ettore Scola. The author examines overlooked Italian genre films such as horror movies, comedies, and Westerns, and he also devotes attention to neglected periods like the Fascist era. He illuminates the epic scope of Italian filmmaking, showing it to be a powerful cultural force in Italy and leaving no doubt about its enduring influence abroad. Encompassing the social, political, and technical aspects of the craft, the author recreates the world of Italian cinema.

Les Relations Dangereuses 2012 Valentine Lomellini Since the mid-1960s, Western public opinion has focused on the issue of human rights violations in the Soviet bloc, which has been a matter for increasing concern. Growing Dissent in Eastern European countries and the CSCE process compelled the Left in Western Europe to face the contradictions and inconsistencies of the communist countries. This issue became a key topic in domestic political debate in France - a country of freedom by definition - where many Eastern European émigrés established themselves. In this book, Dissent is used as a prism through which to study relations between the Parti Communiste and the Parti Socialiste in France, and Eastern European governments. The main focus is the political confrontation between the two main parties of the French Left - from the union de la gauche to their cohabitation in government in the early 1980s. The study is based on wide-reaching research using primary archive

documents, as well as press analyses and interviews, mainly in France and Italy, but also in the United Kingdom, the United States, Spain and the Netherlands. The book examines international relations, domestic policies and cultural history to paint a complex picture of the fight for leadership of the French Left during the 1970s.

The Face of Battle 1983-01-27 John Keegan John Keegan's groundbreaking portrayal of the common soldier in the heat of battle -- a masterpiece that explores the physical and mental aspects of warfare The Face of Battle is military history from the battlefield: a look at the direct experience of individuals at the "point of maximum danger." Without the myth-making elements of rhetoric and xenophobia, and breaking away from the stylized format of battle descriptions, John Keegan has written what is probably the definitive model for military historians. And in his scrupulous reassessment of three battles representative of three different time periods, he manages to convey what the experience of combat meant for the participants, whether they were facing the arrow cloud at the battle of Agincourt, the musket balls at Waterloo, or the steel rain of the Somme. The Face of Battle is a companion volume to John Keegan's classic study of the individual soldier, The Mask of Command: together they form a masterpiece of military and human history.

Heldenplatz 2010-08-01 Thomas Bernhard Thomas Bernhard is widely considered to be one of the most important German playwrights in the post-war era. Highly acclaimed, he has written over twenty plays and novels and gained a reputation as one of Austria's most controversial authors. Bernhard wrote Heldenplatz in 1988 as a response to the fiftieth anniversary of the Anschluss (annexation) of Austria by Hitler's Germany. Highly controversial in Austria, the play concerns a Jewish professor who returns to Vienna after the Second World War and discovers that his fellow Austrians are as anti-semitic as ever. 'Heldenplatz' is the square in Vienna where the Austrian-born Hitler made his first speech after the Anschluss. In Heldenplatz, Bernhard's final play, he explores the shared isolation of people who have lost their bearings, along with most of their illusions.

The Jazz Scene 2014-11-20 Eric Hobsbawm From 1955-65 the historian Eric Hobsbawm took the pseudonym 'Francis Newton' and wrote a monthly column for the New Statesman on jazz - music he had loved ever since discovering it as a boy in 1933 ('the year Adolf Hitler took power in

Germany'). Hobsbawm's column led to his writing a critical history, The Jazz Scene (1959). This enhanced edition from 1993 adds later writings by Hobsbawm in which he meditates further 'on why jazz is not only a marvellous noise but a central concern for anyone concerned with twentieth-century society and the twentieth-century arts.' 'All the greats are covered in passing (Louis Armstrong, Billie Holiday), while further space is given to Duke Ellington, Ray Charles, Thelonious Monk, Mahalia Jackson, and Sidney Bechet ... Perhaps Hobsbawm's tastiest comments are about the business side and work ethics, where his historian's eye strips the jazz scene down to its commercial spine.' Kirkus Reviews

The Idiot 2023 Fyodor Dostoyevsky Fyodor Dostoevsky, a Russian novelist from the 19th century, wrote The Idiot. It was initially serialized in The Russian Messenger in the years 1868-1869 The title is a wry allusion to the story's protagonist, Prince Lev Nikolayevich Myshkin, a young man whose benevolence, open-hearted innocence, and guilelessness cause many of the worldlier persons he meets to believe falsely that he lacks wisdom and understanding. After spending four years receiving treatment for an epileptic illness in a Swiss facility, Prince Myshkin is now returning to Russia. He meets Parfyon Semyonovich Rogozhin, a young trader, and is deeply moved by his ardor for a lady. Nastasya Filippovna struggles to decide between Myshkin and Rogozhin for the ensuing six months. They separate as friends despite their conflict, but the Prince is still worried. Aglaya seems to share Myshkin's fascination as he starts to fall in love with her. She frequently makes fun of him or violently chastises him for his innocence

and excessive humility. A dinner party is planned since her mother thinks it's appropriate to introduce the Prince to their elite group. Although Aglaya tries to instruct him on proper behavior since she does not share her parents' admiration for these individuals, she curtly advises him to be as quirky as he pleases.

My Life as a Russian Novel 2010-08-03 Emmanuel Carrère
An unsparingly truthful account of love, betrayal, and the traps we set for ourselves, by France's master of psychological suspense In work after work, the critically acclaimed author Emmanuel Carrère has trained his unblinking gaze on the lives of others as they fight a losing battle with that most fearsome of adversaries—the self. Now, determined to escape the bleak visions of his narratives, he takes on a film project in the heart of Russia while also embarking on a new love affair back home in Paris. But soon enough, the diversion he seeks eludes him, intimacy proves too arduous, and Carrère is left peering into the dark mirror of his own life. Set in Paris and Kotelnich, a small post-Soviet town, My Life as a Russian Novel traces Carrère's pursuit of two obsessions—the disappearance of his Russian grandfather and his erotic fascination with a woman he loves but cannot keep from destroying. In prose that is elegant and passionate, Carrère weaves the strands of his story into a travelogue of a journey inward. Road trip, confession, erotic tour de force—this fearless reckoning illuminates the schemes we devise to evade ourselves and the inevitable payment they exact.

Shadow Libraries 2018-05-04 Joe Karaganis How students get the materials they need as opportunities for higher

education expand but funding shrinks. From the top down, Shadow Libraries explores the institutions that shape the provision of educational materials, from the formal sector of universities and publishers to the broadly informal ones organized by faculty, copy shops, student unions, and students themselves. It looks at the history of policy battles over access to education in the post-World War II era and at the narrower versions that have played out in relation to research and textbooks, from library policies to book subsidies to, more recently, the several “open” publication models that have emerged in the higher education sector. From the bottom up, Shadow Libraries explores how, simply, students get the materials they need. It maps the ubiquitous practice of photocopying and what are—in many cases—the more marginal ones of buying books, visiting libraries, and downloading from unauthorized sources. It looks at the informal networks that emerge in many contexts to share materials, from face-to-face student networks to Facebook groups, and at the processes that lead to the consolidation of some of those efforts into more organized archives that circulate offline and sometimes online—the shadow libraries of the title. If Alexandra Elbakyan's Sci-Hub is the largest of these efforts to date, the more characteristic part of her story is the prologue: the personal struggle to participate in global scientific and educational communities, and the recourse to a wide array of ad hoc strategies and networks when formal, authorized means are lacking. If Elbakyan's story has struck a chord, it is in part because it brings this contradiction in the academic project into sharp relief—universalist in principle and unequal in practice. Shadow Libraries is a study of that tension in the digital era. Contributors

Emet 2014-09-22 Nicola Viceconti Helene Sanz, an old diva of the theater, returned to live in Buenos Aires after learning a disturbing truth about her husband, Diego Tomasi, the victim of a murder mystery in 1964. The shadows of the private life of her husband are interwoven with a specific historical moment in Argentina: one during which many war criminals of Nazi Germany landed in the country. There was a need to make public the truth about the whole history of assaulting women. To do this, Helene relies on Alicia Hernandez, a young freelance expert in theater and a devoted admirer, who willingly accepts the opportunity to interview her. The meeting between the two lasted for a whole night, during which the words of the old diva interwoven with those of the journalist, brought light to the pain of life. Albeit for different reasons, it leads to a common root. Will Helene, through the help of Alicia, convey

the real meaning of this truth? Nicola Viceconti lives and works in Rome and has a degree in Sociology and Communication Sciences. He is interested in history and social phenomena in Latin America, particularly Argentina. He has published with Gingko Editions Cumparsita (2010) twice. One of his books won a contest in 2012.

The Girl with the Leica 2019-10-10 Helena Janeczek 1st August 1937. A parade of red flags marches through Paris. It is the funeral procession for Gerda Taro, the first female photographer to be killed on a battlefield. Robert Capa, who leads the procession, is devastated. They have been happy together: he taught her how to use the Leica before they left together to fight in the Spanish Civil War. Other figures from Gerda's past are in the crowd: Ruth Cerf, her friend from Leipzig, who shared the hardships of their first years in Paris after feeling from Germany; Willy Chardack, who resigned himself to the role of loyal companion after Gerda snubbed him for Georg Kuritzkes, a fighter in the International Brigades. For all of them, Gerda will remain a stronger and more vivid presence than her image of anti-fascist heroine. It is her who binds together a narrative spanning distant times and places, bringing back to life the snapshots of these young people and the challenges they faced in the 1930s, from economic depression to the rise of nazism, to the hostility towards refugees in France. But for those who loved her, those young years would remain a time when, as long as Gerda was alive, everything seemed possible.
