## GET US OUT OF HERE!!

2002-12-01 Nicky Eltz Dear Reader, What you are now holding is a most interesting book. The world beyond is speaking. It is offering advice, asking for help and giving answers. It exists and speaks about life -- our life here on earth and of possible consequences of our behaviour. It tells us that it is not the same to be humble, loving, good, merciful, loyal and honest as it is to be proud, loveless, bad, merciless, betraying and dishonest. At death this is not forgotten but rather remembered in total clarity. Not only is the punishment, or better yet the cleansing, spoken about; but also the length of this cleansing is so very much more. Then you ask yourself, is it possible? In the Catholic church one speaks about a transitory state which for a very long time has been referred to as Purgatory. Despite there being different theories, this state is always taken seriously. One needs it because one can only come before God cleansed and pure.

## THE INSTITUTE

2021-06-29 Stephen King In the middle of the night, in a house on a quiet street in suburban Minneapolis, intruders silently murder Luke Ellis' parents and load him into a black SUV. The operation takes less than two minutes. Luke will wake up at The Institute, in a room that looks just like his own, except there's no window. And outside his door are other doors, behind which are other kids with special talents--telekinesis and telepathy--who got to this place the same way Luke did: Kalisha, Nick, George, Iris, and 10-year-old Avery Dixon. They are all in Front Half. Others, Luke learns, graduated to Back Half, "like the roach motel," Kalisha says. "You check in, but you don't check out." In this most sinister of institutions, the director, Mrs. Sigsby, and her staff are ruthlessly dedicated to extracting from these children the force of their extranormal gifts. There are no scruples here. If you go along, you get tokens for the vending machines. If you don't, punishment is brutal. As each new victim disappears to Back Half, Luke becomes more and more desperate to get out and get help. But no one has ever escaped from The Institute.
