Smoke from This Altar
2009-06-03 Louis L'Amour
Smoke From This Altar, a book that has become legendary among Louis L'Amour readers, is the very first book L'Amour ever published. It appeared, to great critical praise, for sale only in Oklahoma bookstores more than fifty years ago. Since then it has become the most sought-after L'Amour title of all, with the few circulating copies from the small print run commanding top dollar

from rare book collectors. Now, at last, it is being published nationally in this beautiful keepsake Bantam edition. It was in Smoke From This Altar that L'Amour first gave public voice to his now-celebrated spirit of wanderlust. Like the short stories in his classic, million-copy-selling Yondering, and his best-selling memoir Education of a Wandering Man, the poems in this book are inspired by his experiences and memories of his journeys across oceans and continents. It is vintage L'Amour storytelling--in verse--about nature, the land, and the people who loved and braved it. Smoke From This Altar begins with a newly written introduction by his wife Kathy in which

she discusses the special place this work has held in the L'Amours' lives. In concludes with twenty previously uncollected L'Amour poems selected by his family. Impassioned, adventurous, heroic, and humorous, *Smoke From This Altar* is unique L'Amour writing, to be read and enjoyed again and again.

religion, poetry is the most vital, and, at the same time, the most far reaching of those movements of the human soul by which it declares its deeps of feeling and its heights Of aspiration. Verse is the innocent manifestation of the primal music of humanity, as the seer, the Vates, stands with man and the mysteries which surround him. Along with the smoking altar comes the ballad of the re motest savage; and the latest child of culture begins to see that if the word minister is to go out of his vocabulary, that other word minstrel, joined with it in the same ancient root, will perhaps depart also. The Psalmist, if he be truly such, is as much a poet as he is a religionist. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Belpré Award! Fans of Jacqueline Woodson, Meg Medina, and Jason Reynolds will fall hard for this astonishing New York Times-bestselling novel-inverse by an award-winning slam poet, about an Afro-Latina heroine who tells her story with blazing words and powerful truth. Xiomara Batista feels unheard and unable to hide in her Harlem neighborhood. Ever since her body grew into curves, she has learned to let her fists and her fierceness do the talking. But Xiomara has plenty she wants to say, and she pours all her frustration and passion onto the pages of a leather notebook, reciting the words to herself like prayers—especially after she catches feelings for a boy in her bio class named Aman, who her family can never know about. With Mami’s determination to force her daughter to obey the laws of the church, Xiomara understands that her thoughts are best kept

to herself. So when she is invited to join her school’s slam poetry club, she doesn’t know how she could ever attend without her mami finding out. But she still can’t stop thinking about performing her poems. Because in the face of a world that may not want to hear her, Xiomara refuses to be silent. “Crackles with energy and snaps with authenticity and voice.” —Justina Ireland, author of *Dread Nation* “An incredibly potent debut.” —Jason Reynolds, author of the National Book Award Finalist *Ghost* “Acevedo has amplified the voices of girls en el barrio who are equal parts goddess, saint, warrior, and hero.” —Ibi Zoboi, author of *American Street* This young adult novel, a selection of the Schomburg Center's Black Liberation Reading List, is an excellent choice for accelerated tween readers in grades 6 to 8. elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans,

MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

Of the Nature of Things
2022-09-15 T. Lucretius Carus "Of the Nature of Things" is a first-century BCE didactic poem by the Roman poet and philosopher Lucretius to explain Epicurean philosophy to a Roman audience. In this work, T. Lucretius Carus presents the view that the world can be described by the function of material forces and natural laws. ~~Downloaded from~~

Moving to America turns H&à's life inside out. For all the 10 years of her life, H&à has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&à and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&à discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to

quite unlike any other American writer. Praised by the likes of Gore Vidal, Benjamin Schwarz, and George McGovern, he has, with a distinctive and slashingly witty, learnedly allusive style, illumed forgotten corners of American history, articulated a defiant and passionate localism, and written with love and dark humor of his repatriation. Poetry Night at the Ballpark gathers the best of Bill Kauffman's essays and journalism in defense and explication of his alternative America--or Americas. Its discrete pieces are bound by a thematic unity and propulsive energy and are full of unexpected (yet startlingly apposite) connections and revelatory linkages. Whether he's writing about conservative Beats, backyard astronomers, pacifist West Pointers, or Middle America in the movies, Bill Kauffman will challenge, maybe even change, the way you look at *Smoke From The Altar*

bibliography of Rudyard Kipling, the first English-language author to win the Nobel Prize for Literature, is the first to appear in fifty years and the first to incorporate modern standards of collation, binding cloth description, publication dates and prices, and dust jacket description. It fully describes 480 first editions, authorized and unauthorized, appearing as books, pamphlets, leaflets, and broadsides from 1881 through 2008 in British India, England, the United States, Canada, New Zealand, South Africa, and Chile--a dozen of which titles were not noted by prior bibliographers. This work also includes 127 titles of books with contributions from Kipling, 17 titles containing prefaces, introductory letters and forewords by Kipling, and 123 titles first printing his private letters.
