He felt like he was wasting his hours, his capability, his existence. He wanted to modify, he wished to run away, he desired to exist. He decided to leave his employment, to break up with his significant other, to sell his stuff, and to buy a direct fare to the opposite end of the world. He didn't understand where he was going, he didn't understand what he was carrying out, he didn't realize what he was searching for. He only realized that he had to depart, that he had to investigate, that he had to discover. He embarked on a journey of a thousand kilometers, a trip of excitement, of obstacle, of education, of development, of alteration.
