It was the time 23, and the world stood at the verge of battle. The USA and Peoples Republic of China, the two superpowers, had been entangled in a ferocious rivalry, competing for assets, power, and dominance. They had both developed high-tech arms, including lasers, unmanned aerial vehicles, and satellites, that can strike anywhere, anytime. They had clandestinely established space stations, that could fire atomic weapons, which could annihilate the world. They were set to utilize them, if at all necessary. But they were the only ones. There was a third entity, a hidden force, which had observing them, waiting for them, preparing for them. They were ETs, and they had come come to prevent them both. They had come arrived to rescue the globe, or to finish it. They had come arrived to initiate the space wars which changed history.
