Star Wars which Altered History

It had been the time 23, and the world was on the brink of battle. The United States and Peoples Republic of China, the pair of superpowers, were entangled in a ferocious competition, contending for supplies, influence, and supremacy. They had developed high-tech armaments, including lasers, unmanned aerial vehicles, and orbiters, which could attack any place, anytime. They had also clandestinely constructed space stations, that can deploy atomic weapons, which can obliterate the earth. They were set to use them, if necessary. But they were the sole ones. There existed a 3rd power, a secret force, that had been monitoring them both, waiting patiently for them both, getting ready for them both. They were aliens, and they had come to prevent them both. They had come come to protect the world, or to end it all. They had arrived to initiate the star wars that changed chronicle.

The Mystery of the Missing Diamond

It was a shadowy and stormy night. The downpour was pouring down, and the wind was whistling. In the center of the city, there was a gallery, where a invaluable diamond was on exhibit. The diamond was called the African Star, and it was the biggest and most gorgeous diamond in the globe. It was guarded by a sophisticated security system, and a group of equipped guards. No one could pilfer it, or so they believed. But an individual did. An individual managed to bypass the protection, to avoid the guards, to smash the window, and to take the diamond. And no one saw them, no one overheard them, no one identified who they were. They departed from no trace, no lead, no evidence. They vanished into the darkness, with the African Star. And the mystery of the lost diamond commenced.
