It was the year 2023, and the earth was at the edge of war. The U.S. and Peoples Republic of China, the pair of superpowers, were locked in a fierce rivalry, contending for assets, influence, and control. They had developed sophisticated armaments, like laser weapons, unmanned aerial vehicles, and orbiters, which can strike any place, any moment. They had also secretly established space stations, that can launch atomic weapons, that can obliterate the earth. They were both set to employ them, if ever necessary. But they were the sole ones. There existed a third power, a secret entity, that had watching them both.

waiting patiently for them, getting ready for them both. They were the aliens, and they had come to prevent them. They had come to protect the earth, or to finish it. They had come to initiate the space wars which altered history.
