... **the cut** - paper shapes are crisp and bright , and the clever use of perspective makes every page different . As a ... **medical** sect whose origins go back back to the botanic **medicine** of Samuel Thomson ( 1769-1843 ) and his followers ...

A Cut Above 2018-02-27 Cara Malone Ivy Chan has always known her destiny. She would be the best neurosurgeon in the state, or maybe the country. Better even than her father, whose shadow she's eager to escape. Ivy has always been a student above all. Friendships, hobbies and romance come second... or more often, not at all. She's in the home stretch now, the final year of medical school, and her surgical residency is within reach.All Ivy needs to do is stay the course.Which would be a hell of a lot easier if she hadn't had the misfortune of falling in love with her study partner.Chloe Barnes is the kind of girl who can command Ivy's attention even across a crowded Emergency Room. She's smart and witty, she makes friends with everyone she meets... she's the polar opposite of Ivy's reserved, cynical nature. And one unexpected kiss in the hospital locker room changes everything.It shoves Ivy off her chosen path... Leaves her questioning everything... And wanting more.This is the second book in the Lakeside Hospital series. Each book can be enjoyed as a stand-alone novel and the series can be read in any order.

Reconsidering the Emergence of the Gay Novel in English and German 2016-02-15 James P. Wilper In Reconsidering the Emergence of the Gay Novel in English and German, James P. Wilper examines a key moment in the development of the modern gay novel by analyzing four novels by German, British, and American writers. Wilper studies how the texts are influenced by and respond and react to four schools of thought regarding male homosexuality in the late nineteenth and early twentieth centuries. The first is legal codes criminalizing sex acts between men and the religious doctrine that informs them. The second is the ancient Greek erotic philosophy, in which a revival of interest took place in the late nineteenth century. The third is sexual science (or "sexology"), which offered various medical and psychological explanations for same-sex desire and was employed variously to defend, as well as to attempt to cure, this "perversion." And fourth, in the wake of the scandal caused by his trials and conviction for "gross indecency," Oscar Wilde became associated with a homosexual stereotype based on "unmanly" behavior. Wilper analyzes the four novels—Thomas Mann's *Death in Venice*, E. M. Forster's *Maurice*, Edward Prime-Stevenson's *Imre: A Memorandum*, and John Henry Mackay's *The Hustler*—in relation to these schools of thought, and focuses on the exchange and cross-cultural influence between linguistic and cultural contexts on the subject of love and desire between men.

Mouth to Mouth 2020-01-29 Cara Malone Sparks fly as a people-pleasing paramedic and a hardened ER nurse collide in the final installment of the bestselling Lakeside Hospital medical romance series.Sarah would do anything for her friends. From babysitting to wedding planning, and even going beyond the call of duty for her patients, 'no' isn't part of her vocabulary - until her body reaches a breaking point.When Sarah faints into the arms of the prettiest nurse in the ER, it could be a sign that it's time to do something about the crush she's had on Veronica for years.Instead, all Sarah gets is fluids and a lecture.Veronica has too many problems of her own, including an evil ex-girlfriend who won't stay gone, to fuss over a lightheaded paramedic - even if it is the hardworking one with the gorgeous blue eyes.While everyone else at Lakeside Hospital is coupling up and settling down, there's no room for romance in the life-or-death chaos of the emergency room. But sometimes love is where you least expect it, standing right in front of you all along...Mouth to Mouth is a standalone novel in the bestselling Lakeside Hospital series, which can be read in any order.

The Advocate 2001-08-14 The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Time After Time A Gay Paranormal Western Love Story 2018-02-07 G.W. Mullins

Jericho 2017-11-21 Ann McMan Librarian Syd Murphy flees the carnage of a failed marriage by accepting an eighteen-month position in Jericho, a small town in the Appalachian Mountains of Virginia. Her plans to hide out and heal her wounds fall by the wayside as she gets drawn into the daily lives of the quirky locals. When Syd gets a flat tire and is rescued by the town physician, Maddie Stevenson, the two women form a fast friendship—but almost immediately begin struggling with a mutual attraction. And, if that's not enough, Syd is straight and going through a divorce—and Maddie somehow forgets to mention her sexual orientation to her new best friend. Almost everyone who crosses their paths believes it's only a matter of time until they figure it out, but sometimes, it takes a while to see the obvious. Together, Syd and Maddie learn that life and love can have as many twists and turns as a winding mountain road.

Chance This Change (A Gay Romance) S.E. Loveless Change is always hard... But sometimes, you need to take a chance... Alex Prentice never thought his life would turn out like this... He started working for a bad man at just thirteen, and now, six years later, he's ready for a change. He wants something good in his life. He wants something for himself. Alex went the only place he could think of: He went to the police. He never expected the Detective to be assigned to his case to be a man like Scott Henderson, with eyes that looked into him... through him. An older man who showed him compassion and care... the first he'd experienced in a long time. A man who would be his protector until his court date. A man he never thought he'd take a chance on... A chance at love. \* Scott Henderson thought it would just be another day on the job. The experienced Detective didn't realize what he was getting into when he took on Alex Prentice's case. The boy, just nineteen, was testifying. He'd need to be protected. He'd need to be guided. He'd need more than some slimy lawyer could or would provide. But when he sees the striking boy sitting alone in that interrogation room, he's taken aback. Something inside him swells, and he feels an immense sadness for the life the young man has lived. Scott thought Alex would just be another guy raised on the streets, someone to deal with, a job. He never expected that Alex would turn into so much more than that. He never expected that he would take a chance on Alex... A chance at love.

The Interview 2014-12-23 Jacintha Topaz Small town girl Kaylee Hall wants to make it in the big city. Supplementing her weeknight college courses with a day job lands her at the end of her rope. Out at work, Dr. Monica Halverson has a gaping hole in her personal life until she finds the perfect candidate to fill the open position for personal assistant. THE INTERVIEW is a Lesbian Medical BDSM Erotic Romance written by Jacintha Topaz.

Temptation 2020-01-14 Kris Bryant Cassie Miller is broke. Her parents cut off all funding when she dropped out of medical school, and graduate school is expensive. A full-time nanny job at the Wellington estate is the answer to her problems, except working for beautiful, successful Brook Wellington wasn't in the job description. Brook has always had a head for business. Born into a global shipping empire, she sits at the helm running it with skill and savvy. But success comes at a cost. Her priority is her six-year-old son, but she can't be in two places at once. Hiring a nanny isn't the perfect solution, but it would certainly help, and Cassie came highly recommended. If only she wasn't so damn attractive. Can Cassie and Brook deny their growing attraction and keep things professional? Or will they sidestep propriety and give in to temptation?

Open Heart 2020-08-13 Ruby Scott Prepare for some heart-stopping moments, as my best-selling lesbian romance series continues. Izzy Frost, is a promising Cardio Surgical Resident at City General who has sacrificed everything to build her career. But everyone needs to let off steam and have a bit of fun, don't they? But what will a little fun cost Izzy? Izzy's fun comes in the shape of Cara O'Leary, a hot athletic EMT who has a huge appetite for fun, a crazy ex and no desire for love. Coming from very different backgrounds, the only thing they have in common is physical. What could possibly go wrong? A sapphic romance book. Have you read my other sapphic romance novels in the City General: Medic 1 series? Love Trauma Diagnosis Love Hot Response Trails of The Heart Healing of The Heart Reviews Hard to believe this is only this author's second sapphic romance book! Izzy and Cara meet and the drama begins. With this drama comes: decisions, secrets, lies, hot sex, family and friend reactions, and a lot of love! I really liked this book and I think you will too!Thanks Ruby, keep them coming! Liz Honstine It was totally hot, I wouldn't have thought after reading the storyline that I would be touched that much. But that's exactly what happened. I was drawn into the story almost from the first page and wasn't able to put it down. It also made me cry sometimes but for me every book that does is a wonderful book and the author did a fantastic job. I honestly can't believe that this only is her second sapphic novel. I will definitely look out for more from her. Conny This is the second lesbian romance book for this author. Enjoyed the first sapphic novel and this one is even better. Izzy is an up and coming heart surgeon who has no time for any thing but one night stands. Cara is a paramedic who is not looking for another relationship so soon after her last one failed. Life doesn't always give you what you want but will sometimes give you what you didn't know you wanted. This sapphic romance book has a lot to like: sweet sexy times, coming out hesitation, family love, a little angst and a little drama. I think you will enjoy this one, I sure did. Looking forward to reading more lesbian romance from this author. Thank you, Ruby, for sharing your words. The Old One Loved it! I loved the chemistry between Cara and Izzy. I loved that they both thought their hookup was a one time thing. As often as they were getting together and the fact that feelings had come to play, they both were in deep, fast. I loved how the story unwind and led to the heartbreaking yet heartwarming conclusion. Quickly becoming a fan of Ruby Scott. Gina

Surgeon 2020-05-12 Emily Hayes World class heart surgeon, Katherine Ross meets a young woman anonymously on a dating app. When each woman realises who the other really is, can they find a way to turn their intense passion into love?A sizzling hot Age Gap Medical Romance from Emily Hayes. Dr Katherine Ross is a world class heart surgeon. She holds life and death in her hands on a daily basis. Her own heart is fiercely guarded.She finds an intense forbidden passion with the mysterious Sophia. Can she find a way to let Sophia in, to heal her own broken heart?

Love Trauma 2020-09-08 Ruby Scott Prepare for some heart-stopping moments as my best-selling lesbian romance series continues. What happens when a connection comes along that makes you question who you are? A sexual awakening? Tara Hunter is a passionate, headstrong doctor, heading up the ER at the prestigious City General Hospital. She is also a divorcee, about to turn fifty and whose only passion in life comes from your work. And then Gabriella Ellis (Gabby) rides into her department. Gabby is a confident, outgoing, out and proud lesbian with a sharp wit, and a heavy amount of sarcasm. Playing by the rules isn't Gabby's forte; something which can land her in hot water, but she is talented, compassionate. When the charitable medical programme, offering emergency care for the most disadvantaged, comes under threat, will they be able to leave their differences behind them to fight for a common goal? What other passions might be released? Slow burn, lesbian romance age gap novel. Have you read my other sapphic novels "Hot Response" and "Open Heart" which are also in the City General: Medic 1 Series? Please be aware: There is a small amount of appropriate angst in this doctor romance book. Reviews: Great romance awakening story. It's never too late to discover the beauty and healing power of love. Love is timeless, not caring about age, profession, economic position or anything else we list on our minds as important, and this story weaves it beautifully. M. Luria Story flows well, characters are well developed, and the love scenes are tastefully done. It may take a while but it becomes a slow burn romance that blossoms over time. Well done, Ms. Scott! Look forward to reading any future books. Goofy22 The chemistry she is able to put into the story and the dialogues of her characters is just fantastic. She is definitely one of my favorite authors. Conny The only thing I DID NOT like about this book was that it ended! Classics

Gay Romance Holiday Collection 2023-11-14 Keira Andrews Four steamy and sweet MM holiday romances in one sizzling box set! This gay romance collection from Keira Andrews includes four of her best-selling holiday novellas: Eight Nights in December—A geek. A virgin. One sexy holiday. Orphaned Lucas figures spending Hanukkah with his obnoxious roommate's family in New York City is better than staying alone on campus upstate. He ends up sharing a room again, this time with his roommate's brother. Geeky photographer Mate isn't at all what Lucas expects. In fact, he's incredibly sexy—especially when he invites Lucas into his darkroom... Features secret trysts, new adult angst, spinning the dreidel, and of course a happy ending. In Case of Emergency—Former stepbrothers find Christmas romance under the tree. After years alone, Daniel Diaz is finally ready to shake up his orderly, solitary life. He's about to leave for a cozy Christmas getaway when he gets the call from the ER that his former stepbrother has been admitted with a concussion and a broken hand—and Cole put him down as his emergency contact. Why the hell would he do that? Daniel barely knows the guy. But Cole has no one else to look after him and strict doctor's orders not to be left alone. So, fine, Daniel will bring him along on vacation... Features former stepbrothers reconnecting as adults, sexy hot-tub shenanigans, Christmas feels, and of course a happy ending. Santa Daddy—Mall Santas aren't supposed to be hot! Hunter Adams is still a virgin, can't find a real job, and has no clue what to do with his life. In desperation, he returns to his humiliating old job as an elf at the Santa's Village. The Santa on the job is an unexpectedly sexy lumberjack, twice Hunter's size and age. He's grumpy and intimidating, but he makes Hunter feel very naughty.When a surprise blizzard traps them alone on Nick's isolated tree farm, Nick's daddy instincts kick in... Features an age gap, steamy mm first times, daddy role-playing and light spanking, and of course a happy ending. Where the Lovelight Clears—Will co-stars take their romance offscreen this Christmas? Actor Ryan Drake is pining. He may get to kiss gorgeous Gary Holloway on the set of their hit sci-fi TV

show, but he knows it'll never happen in real life. Charming Cary has a starlet girlfriend, and despite their sizzling onscreen chemistry, he and Ryan are just friends. Right? Then Cary accepts Ryan's invite to spend the holiday with his family in Canada. Little does Ryan know, Cary's coming to terms with his bisexuality and deep attraction to his co-star... Features delicious pining, sexual awakening, snowball fights, cozy holiday cheer, and of course a happy ending. Grab these swoony and spicy holiday romances now—available together in digital and print for the first time!

Medical Heroes and Heretics 1977 Wayne Martin Orthodox science -- particularly in the medical profession -- has for centuries resisted change. It traces back at least as far as Socrates who was done to death for corrupting youth with his innovative ideas. In recent times, practically all the great advances in medicine have been made against a powerfully entrenched orthodoxy. Wayne Martin's book is about some of the men involved -- then and now: Oliver Wendell Holmes, Sr., who made physicians wash their hands; Louis Pasteur, who postulated the connection between bacteria and certain diseases; Frederick Banting, who discovered insulin; Jonas Salk, who solved the mystery of polio, to mention but a few. These men all braved the wrath of the medical establishment of their day. Heretics they were, but Heroes they became. Similarly, today a group of brave pioneers are fighting the same fight. They are, says the author, the heroes of tomorrow: Ernst Krebs, Jr., Evan Shute, Dean Burk, Denis Burkitt, Virginia Livingston and a dozen others, all of whose careers and findings are described here by a man who has pursued his topic for the past ten years.

Hot Response 2020-08-12 Ruby Scott Prepare for some heart stopping moments. My best selling lesbian romance series starts here! When experienced Paramedic and soccer coach, Chrissie, is thrown together with much younger Sam, a twenty-four-year-old talented player and EMT, both at work and on the pitch, sparks fly! Unable to escape each other what will it really take to get a winning combination in this slow burn, age gap, lesbian medical romance? Sam thinks her soccer coach is a hard ass but then she finds that she will be her supervisor at work too. Thrown together they have to confront their own shortcomings in this steamy lgbt romance book. A sapphic romance book Have you read my other sapphic romance novels in the City General: Medic 1 series? Love Trauma Diagnosis Love Open Heart Trails of The Heart Healing of The Heart Reviews Awesome read! What happens when your head overrides your heart by force to make the world look like you think it should? You act like an idiot and stomp around mad all the time. This is a beautiful story about what we don't want to admit to ourselves and how the heart gets what it wants anyway. Ruby Scott does this brilliantly. M.Luria This is a new author to les/fic and she has a definite future with her writing! I really liked the story of Chrissie and Sam. Age/gap, enemies to ---- yes, you guessed it. Writing was really smooth and characters were well described. I enjoyed this one a lot. Note to the author----keep up the good work. The Old One This is a fantastic start for this new author. Age gap romance, enemies, Chrissie and Sam, become much more than coach and player. And as co-workers they always seem to be at each other 's neck. Where will it end? Please read! I'm looking forward to more from this author. Liz Honstine Ruby Scott has written a very engaging and fun to read enemies to lovers trope in her debut! The MCs Chrissie and Sam are at each other's throats both at work (as EMTs) and at play (one is the coach and one is a star player). Both dealing with heartbreak. Ruby expertly built up the conflict between them until something or someone had to give. It will leave you with a feel good feeling that will leave you wishing the book was even longer! Kindle Customer

Reluctant Mate 3: Gay Werewolf Romance Eden Cole Alexi is asked to find the man responsible for creating a drug that makes humans into wolf shifters. Against his better judgment, he agrees. He's a jaguar shifter, and everyone knows there's no love between the two species. Alexi figures he'll get time to play with a piece he met not too long ago. He's not all that interested really, but what better way to piss off the haughty werewolves. To assist Alexi in his task, their leader calls in Jaren, a scientist. Alexi has never seen a more sexy, if repressed, man in his life, and the assignment has taken on a whole new direction. While he's searching for a werewolf that just might be stronger and more powerful than he's met before, Alexi tries to convince the nerdy Jaren that he is definitely not straight no matter how much he protests! gay romance, glibt, m/m, shifter romance, werewolf romance

Ellen DeGeneres Biography: What Does it Take For a Gay to Succeed in the Entertainment Industry? Chris Dicker Ellen Degeneres - a true talent the world has ever known. She has been through a lot in life. Ellen's major breakthroughs came from doing stand-up comedies, acting sets, TV show hosting and writing several bestsellers. Ellen was not always like this as she came from a normal family and doing odd jobs in her 20s, but she was able to turn the roadblocks in life into stepping stones for success...

Men Who Beat the Men Who Love Them 2013-12-02 Patrick Letellier Domestic violence in gay male relationships is the third largest health problem for gay men in America today. Men Who Beat the Men Who Love Them breaks the silence surrounding gay male domestic violence and exposes this hidden yet prevalent and destructive problem. The authors paint a vivid picture of gay men's domestic violence, bringing its brutality to life by including personal narratives, written by one of the authors, by clearly defining what it is and what it is not through lists of violent acts and criminal code categories, and by thoroughly examining and analyzing the criminal, mental health, medical, political, and interpersonal issues involved. The authors boldly depart from the battered women's literature by asserting that batterers have a diagnosable mental disorder, that battering is not gender based, and that much further criminalization of domestic violence is necessary. Striving for victim advocacy, the book underscores the idea that gay men's domestic violence is totally unacceptable and is caused solely by individual abusive gay men who choose to batter. The book builds on and departs from what is known about domestic violence, with the authors challenging several fundamental premises in the literature, unabashedly identifying battering as a mental disorder. The authors explain that victims cannot stop their battering partners from battering and virtually all batterers choose to harm their partners in a premeditated fashion. The authors provide practical steps and suggestions for victims who want to leave and stay away from their violent partners and for friends who want to help battered gay men. Chapters describe the scope of the problem and refute myths and misconceptions. There are several detailed theory chapters in which the authors explain why gay men's domestic violence occurs, who the batterers are, who the victims are at different stages of victimization, and how domestic violence can be stopped. A visionary, wide-ranging governmental and private plan of action is introduced, including lists of necessary laws and policies, as well as outlines of strong education, training, and advertising problems needed in various sectors of society. As a self-help book, Men Who Beat the Men Who Love Them provides practical information on a never-before discussed topic. As a trainer's manual or teaching guide, it includes specific criteria for understanding the problem and for providing treatment.

Love This Touch: A Gay Romance Collection (M/M Romance Box Set) 2018-07-12 S.E. Loveless Love This Touch is a M/M romance box set of 3 sexy gay love stories featuring steamy, sensual, and sweet male/mate romance. From lusty and exciting first times, to new experiences and self-discoveries, to love that ends in happiness ever after, these three gay love romances by M/M romance favorite S. E. Loveless are guaranteed to stimulate you, satisfy you, and leave you smiling at the happy endings. Contained in this 76,000 word, 340 page collection are the books Chance This Change, Guard This Body, and Save This Life. Also contained is the bonus book Tacking in the Wind. \* Chance This Change Alex Prentice never thought his life would turn out like this... He started working for a bad man at just thirteen, and now, six years later, he's ready for a change. He wants something good in his life. He wants something for himself. Alex went the only place he could think of: He went to the police. He never expected the Detective to be assigned to his case to be a man like Scott Henderson, with eyes that looked into him... through him. An older man who showed him compassion and care... the first he'd experienced in a long time. A man who would be his protector until his court date. A man he never thought he'd take a chance on... A chance at love. \* Guard This Body For years he was a bodyguard with a secret. His job description was to protect Michael... It didn't say anything about falling in love... Jackson thought he had his world figured out. He was a bodyguard, one of the best, and he did his job well. He never expected to fall in love with his charge, Michael Carson... He never expected to have to keep it a secret... When danger threatens Michael, he knows he has to act. But what does he do when Michael finds out his secret? What does he do when, in order to save Michael, he has to reveal his love for him? \* Save This Life Travis couldn't know what the future would have in store for him that night... that night that changed his life. He found the man sitting on the street, passersby ignoring him... a victim of a mugging. He helped the stranger, helped to stop the bleeding, helped to call the police and an ambulance. He had done his duty as a Good Samaritan, so what else was there left to do? When he was about to leave, the man asked him to stay. And Travis felt one of his heartstrings tugged. The man was suffering from amnesia. The man needed more than just his immediate help. And Travis found himself giving more. He offered the man a place to stay. Offered the man emotional support. But what he didn't realize was that he would offer the man his heart. That night he helped somebody, possibly even saved a life. How could he ever know that the man he helped would, in his own way, save Travis' life, too? \*

Cutting for Stone 2012-05-17 Abraham Vergheese Marion and Shiva Stone are twin brothers born of a secret union between a beautiful Indian nun and a brash British surgeon. Orphaned by their mother's death and their father's disappearance and bound together by a preternatural connection and a shared fascination with medicine, the twins come of age as Ethiopia hovers on the brink of revolution. Moving from Addis Ababa to New York City and back again, Cutting for Stone is an unforgettable story of love and betrayal, medicine and ordinary miracles—and two brothers whose fates are forever intertwined.

A Textbook of Medical Jurisprudence and Toxicology 2013-10-22 Rai Bahadur Jaising P. Modi A Textbook of Medical Jurisprudence and Toxicology, Sixth Edition discusses medico-legal points concerning the different causes of death, examination of evidence, and crimes that merit medical attention and advice. The author reviews the legal procedures in criminal courts of medical jurisprudence, including the inquest procedures, the difficulties encountered in detecting crime, medical evidence, rules for presenting evidence, and the powers of criminal courts. The post-mortem examination concerns the external and internal examination of the deceased to establish identity (if unknown), to determine time and cause of death. Under the written orders of the court, an exhumation can take place when suspicions of foul play arises after death. The author discusses death in terms of somatic (physical) or molecular (tissues and cells dying individually after vital organs have stopped functioning). The book also describes in detail the primary modes of dying, namely, syncope, asphyxia, and coma. The book explains the medico-legal aspects of injuries, pregnancy, legitimacy, rape, miscarriage, infanticide, and insanity. This book is intended for medical students, but can also benefit students in law courses, and practitioners of legal jurisprudence and of the medical sciences.

My Gay Geek Love Affair Bundle 2016-09-04 Tabatha Christi

Reader's Guide to Lesbian and Gay Studies 2013-10-18 Timothy Murphy The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals (Adrienne Rich); arts and cultural studies (Dance); ethics, religion, and philosophical issues (Monastic Traditions); historical figures, periods, and ideas (Germany between the World Wars); language, literature, and communication (British Drama); law and politics (Child Custody); medicine and biological sciences (Health and Illness); and psychology, social sciences, and education (Kinsey Report).

The Sexual History of the Global South 2013-04-11 Saskia Wieringa The Sexual History of the Global South explores the gap between sexuality studies and post-colonial cultural critique. Featuring twelve case studies, based on original historical and ethnographic research from countries in Africa, Asia, and Latin America, the book examines the sexual investments underlying the colonial project and the construction of modern nation-states. Covering issues of heteronormativity, post-colonial amnesia regarding non-normative sexualities, women's sexual agency, the policing of the boundaries between the public and the private realm, sexual citizenship, the connections between LGBTQ activism and processes of state formation, and the emergence of sexuality studies in the global South, this collection is of great geographical, historical, and topical significance.

Pathway to Love 2021-11-16 Radclyffe Dr. Bennett Anderson accepts a short-term contract at a rural medical center to fill the gap year before taking the high-profile job she'd put on hold while chasing a dream that had slipped away. In a deep-rooted community where everyone seems to know everyone else, Ben is an oddity—a stranger just passing through with no plans to build any ties. Courtney Valentine is looking for a woman exactly like Ben—smart, sexy, and not in the market for anything serious. All she has to do is convince Ben that sex-without-strings is the perfect pathway to pleasure. What could be better?

The Ashgate Research Companion to Lesbian and Gay Activism 2016-03-03 David Paternotte The Ashgate Research Companion to Lesbian and Gay Activism provides scholars and students with a comprehensive and authoritative state-of-the-art review of the current research in this subject. Each of the 22 specially commissioned chapters develops and summarises their key issue or debate in relation to activism—that is the claims, strategies and mobilisations (including internal debates and divisions, impediments and state responses) of the lesbian and gay movement. By drawing together leading

scholars from political science, sociology, anthropology and history this companion provides an up to the minute snapshot of current scholarship as well as signposting several fruitful avenues for future research. This book is both an invaluable resource for scholars and an indispensable teaching tool for use in the classroom.

New Our Right to Love 2010-05-11 Ginny Vida The complete lesbian resource guide, Our Right to Love instantly became a classic when it was first published in 1978. Now fully revised and expanded for the 1990s, this new edition includes over 60 articles and interviews covering the many aspects of lesbian life: relationships, sexuality, health, activism, education and sports, religion and spirituality, the law and legal issues, multiethnic lesbian experience, and lesbian culture. A group of essays explores the lesbian experience across cultures (African American, Latina, Asian, Native American) and age groups. Interviews with notable lesbians Martina Navratilova, Melissa Etheridge, Margarethe Cammermeyer, and Minnesota State Representative Karen Clark examine the particular experiences of highly visible out lesbians. An extensive bibliography, resource lists and index make this the complete lesbian reference.

Key To His Heart: Gay Romance 2020-01-27 Trina Solet Phillip Morton is a disciplined and self-assured young executive, but that's only on the surface. His heart is in turmoil. He has just discovered that his late brother might have left behind a child. This child is only a rumor, a possibility, but Phillip sets out to find him. To help him with his search, he brings along Leon, his assistant. Leon is very young and new to his job. Phillip doesn't want things between them to turn too personal, but he needs Leon to keep him sane. Even as he searches for his nephew, Phillip is afraid to hope. After the heart-wrenching loss of his estranged brother, it seems too much to expect that this child could be real. It turns out that Ant, short for Anthony Morton Junior, is very real indeed. He is a sweet three-year-old living in precarious circumstances with an elderly relative. Phillip has found them just in time. As Leon lends a hand with all the new challenges in Phillip's life, the two of them are growing closer every day. If only Leon can free himself of the demons from his childhood. While Leon's past still haunts him, he and Phillip can't rush into anything. Will Phillip's love and patience win out in the end so they can all become a family?

Last Summer 2012-12-10 Michael Thomas Ford Michael Thomas Ford delivers a triumphant first novel about a group of gay men looking for love, losing the past, and finding themselves in the bars and on the beaches of Provincetown. Josh Felling has always been a romantic--up until the moment his lover Doug announced that he'd had an affair with a guy from their gym. Now, with his life playing out like a very bad movie of the week, Josh impulsively heads to the Cape for a few days--long enough to figure out where his relationship--what's left of it--might be going. But the summer has other plans for Josh, and his trip to P-town will bring bigger changes than he ever imagined. With its windswept dunes, lazy summer days, and starry nights filled with possibilities, Provincetown holds special appeal for those who call it home. . .and for those who come seeking its open welcome. People like Reilly Brennan, son of an old P-town family, whose days are caught up in wedding plans, even as his nights are increasingly taken over by heated fantasies about other men. . .Wide-eyed, blond-haired, All-American Toby Evans, an escapee from the Midwest ready to spend the summer in the equivalent of gay boot camp for anyone who will tutor him. . .Elegant Emmeline, age unknown, a southern belle straight out of Faulkner, with a mean drag act and almost enough money for her permanent gender transformation. . .Ty Rusk, one of Hollywood's hottest new stars hiding an ages-old secret about to explode. Weaving in and out of these and other lives like the concierge of a Grand Hotel, Josh is in for the summer of his life, a time of turning points and bridges burned, of second chances and new beginnings, of renewal and hope that will bring him closer to becoming the man he needs to be. "This is a cut above more mainstream gay fiction offerings, thanks to Ford's crisp prose and snappy, contemporary dialogue. . .the sandy, barefoot-friendly setting morphs all the melodrama into a satisfying beach book--and a pleasant fiction debut for Ford."--Publishers Weekly

Ask, Tell 2017-01-01 E.J. Noyes Where can you turn when you're caught in a crossfire of war and passion? Captain Sabine Fleischer is a skilled and dedicated U.S. Army surgeon deployed to a combat hospital in Afghanistan. She is also one of the thousands of troops who are forced to serve in silence because of the military's anti-gay policy of "Don't Ask, Don't Tell (DADT)." Usually driven and focused, Sabine finds that battles raging both inside and outside the perimeter walls are making it more and more difficult for her to deal with her emotions. Dealing with loss and mortality, lack of privacy, sleep deprivation, loneliness and the isolation forced on her by "Don't Ask, Don't Tell" are all taking their toll. Plus, her long-term relationship with a civilian back home is quickly becoming another casualty of war. Colonel Rebecca Keane is an enigmatic career officer who runs the surgical unit like clockwork. Well liked and respected by those who work with and under her, she walks a fine line to preserve the military's chain of command while connecting with those under her care and supervision. Sabine knows the Colonel is way off-limits, but can't help fantasizing about her. Especially when she starts picking up unspoken cues--a stolen glance, a secret smile, an "accidental" brush of hands. Or is it just wishful thinking? After all, Rebecca's wedding ring shines almost as brightly as her deep blue eyes...

The Well of Loneliness 2015-04-23 Radclyffe Hall This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel The Unlit Lamp (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy The Forge (1924), which made the best-seller list of John O'London's Weekly. Hall is a key figure in lesbian literature for her novel The Well of Loneliness (1928). This is her only work with overt lesbian themes and tells the story of the life of a masculine lesbian named Stephen Gordon.

Social Perspectives in Lesbian and Gay Studies 2013-09-13 Peter M. Nardi This comprehensive reader brings a social science perspective to an area hitherto dominated by the humanities. Through it, students will be able to follow the story of how sociology has come to engage with gay and lesbian issues from the 1950s to the present, from the earliest research on the underground worlds of gay men to the emergence of queer theory in the 1990s. Bringing together classic readings and the best work of younger scholars from all parts of the English-speaking world, this reader will be an invaluable resource for courses at undergraduate and graduate level in all areas of the sociology of sexuality and gender. Separate sections cover: \* theoretical foundations \* identity and community making \* institutions and social change \* challenges for the future. Each section begins with an introduction giving readers a brief guide to the readings in that section, contextualises them and relates them to one another and the book ends with an afterword by Ken Plummer summing up the present state of play and looking forward to the future.

Medical Review 1892

Lesbian Rule 2003-10-15 Amy Villarejo With hair slicked back and shirt collar framing her young patrician face, Katherine Hepburn's image in the 1935 film Sylvia Scarlett was seen by many as a lesbian representation. Yet, Amy Villarejo argues, there is no final ground upon which to explain why that image of Hepburn signifies lesbian or why such a cross-dressing Hollywood fantasy edges into collective consciousness as a lesbian narrative. Investigating what allows viewers to perceive an image or narrative as "lesbian," Villarejo presents a theoretical exploration of lesbian visibility. Focusing on images of lesbians in film, she analyzes what these representations contain and their limits. She combines Marxist theories of value with poststructuralist insights to argue that lesbian visibility operates simultaneously as an achievement and a ruse, a possibility for building a new visual politics and away of rendering static and contained what lesbian might mean. Integrating cinema studies, queer and feminist theory, and cultural studies, Villarejo illuminates the contexts within which the lesbian is rendered visible. Toward that end, she analyzes key portrayals of lesbians in public culture, particularly in documentary film. She considers a range of films--from documentaries about Cuba and lesbian pulp fiction to Exile Shanghai and The Brandon Teena Story--and, in doing so, brings to light a nuanced economy of value and desire.

A Queer Love Story 2017-05-02 Marilyn Schuster A Queer Love Story presents the first fifteen years of letters between Jane Rule -- novelist and the first widely recognized "public lesbian" in North America -- and Rick B ebout, journalist and editor with the Toronto-based Body Politic, an important incubator of LGBT thought and activism. Rule lived in a remote rural community on Galiano Island in British Columbia but wrote a column for the magazine. B ebout resided in and was devoted to Toronto's gay village. At turns poignant, scintillating, and incisive, their exchanges include ruminations on queer life and the writing life even as they document some of the most pressing LGBT issues of the '80s and '90s, including HIV/AIDS, censorship, and state policing of desire.

Same-Sex Dynamics Among Nineteenth-Century Americans 2001-06-15 D. Michael Quinn Winner of the Herbert Feis Award from the American Historical Association and named one of the best religion books of the year by Publishers Weekly, D. Michael Quinn's Same-Sex Dynamics among Nineteenth-Century Americans has elicited critical acclaim as well as controversy. Using Mormonism as a case study of the extent of early America's acceptance of same-sex intimacy, Quinn examines several examples of long-term relationships among Mormon same-sex couples and the environment in which they flourished before the onset of homophobia in the late 1950s.

Excellent Daughters 2016-01-12 Katherine Zoepf For more than a decade, Katherine Zoepf has lived in or traveled throughout the Arab world, reporting on the lives of women, whose role in the region has never been more in flux. Only a generation ago, female adolescence as we know it in the West did not exist in the Middle East. There were only children and married women. Today, young Arab women outnumber men in universities, and a few are beginning to face down religious and social tradition in order to live independently, to delay marriage, and to pursue professional goals. Hundreds of thousands of devout girls and women are attending Qur'anic schools--and using the training to argue for greater rights and freedoms from an Islamic perspective. And, in 2011, young women helped to lead antigovernment protests in the Arab Spring. But their voices have not been heard. Their stories have not been told. In Syria, before its civil war, she documents a complex society in the midst of soul searching about its place in the world and about the role of women. In Lebanon, she documents a country that on the surface is freer than other Arab nations but whose women must balance extreme standards of self-presentation with Islamic codes of virtue. In Abu Dhabi, Zoepf reports on a generation of Arab women who've found freedom in work outside the home. In Saudi Arabia she chronicles driving protests and women entering the retail industry for the first time. In the aftermath of Tahrir Square, she examines the crucial role of women in Egypt's popular uprising. Deeply informed, heartfelt, and urgent, Excellent Daughters brings us a new understanding of the changing Arab societies--from 9/11 to Tahrir Square to the rise of ISIS--and gives voice to the remarkable women at the forefront of this change.

The Stars and the Blackness Between Them 2020-06-23 Junauda Petrus A Coretta Scott King Honor Book Told in two distinct and irresistible voices, Junauda Petrus's bold and lyrical debut is the story of two black girls from very different backgrounds finding love and happiness in a world that seems determined to deny them both. Port of Spain, Trinidad. Sixteen-year-old Audre is despondent, having just found out she's going to be sent to live in America with her father because her strictly religious mother caught her with her secret girlfriend, the pastor's daughter. Audre's grandmother Queenie (a former dancer who drives a white convertible Cadillac and who has a few secrets of her own) tries to reassure her granddaughter that she won't lose her roots, not even in some place called Minneapolis. "America have dey spirits too, believe me," she tells Audre. Minneapolis, USA. Sixteen-year-old Mabel is lying on her bed, staring at the ceiling and trying to figure out why she feels the way she feels--about her ex Terrell, about her girl Jada and that moment they had in the woods, and about the vague feeling of illness that's plagued her all summer. Mabel's reverie is cut short when her father announces that his best friend and his just-arrived-from-Trinidad daughter are coming for dinner. Mabel quickly falls hard for Audre and is determined to take care of her as she tries to navigate an American high school. But their romance takes a turn when test results reveal exactly why Mabel has been feeling low-key sick all summer and suddenly it's Audre who is caring for Mabel as she faces a deeply uncertain future. Junauda Petrus's debut brilliantly captures the distinctly lush and lyrical voices of Mabel and Audre as they conjure a love that is stronger than hatred, prison, and death and as vast as the blackness between the stars.

In the far distance, a stream meandered through verdant valleys, carrying with it the tales of generations past. Mountains stood tall and proud, silent sentinels bearing observation to the passage of seasons. The settlement, with its red-roofed houses and meandering streets, seemed like a small-scale masterpiece nestled within nature's grand canvas.

**Life Lessons from a cut above a lesbian medical romance**,Journey of a Thousand Miles

He was exhausted of his living. He was dull, unhappy, and discontented. He had a employment he detested, a supervisor he loathed, and a partner he didn't adore. He had no passion, no goal, no value. He sensed like he was misusing his moment, his potential, his life. He wished to alter, he desired to flee, he wished to live. He chose to quit his employment, to break up with his girlfriend, to dispose of his possessions, and to purchase a one-way fare to the other side of the earth. He didn't understand where he was going, he didn't know what he was performing, he didn't realize what he was seeking. He only realized that he had to leave, that he had to investigate, that he had to uncover. He set out on a voyage of a thousand kilometers, a voyage of thrill, of difficulty, of education, of growth, of change.

**Investment a cut above a lesbian medical romance**\_\_\_Amidst the vibrant pulse of Harlem Renaissance, where jazz notes pirouetted through the air like fireflies on a moonlit evening, a young boy named Marcus Johnson found solace in the vibrant melodies that resonated with the heartbeat of a generation. As Marcus grew amidst the rhythmic pulse of Harlem, his journey would echo the strains of cultural revival, leaving an indelible mark on the world of music.

where majestic skyscrapers pierced the sky and flying vehicles zipped through the neon-drenched streets, a young innovator named Kai stumbled upon a abandoned laboratory. Within its dusty walls, he unearthed a artifact that unlocked portals to parallel dimensions, triggering a chain of happenings that would unravel the very fabric of his reality.

**Life Lessons from a cut above a lesbian medical romance**,\*\*The Life and Legacy of Nelson Mandela\*\*

Nelson Mandela stands as one of the most influential leaders of the 20th century. His life journey began on July 18, 1918, in the tranquil village of Mvezo, South Africa. Born into the Thembu royal family, he was bestowed with the name Rolihlahla, meaning "troublemaker" in Xhosa. Mandelas upbringing unfolded amidst a backdrop of racial injustice, where he witnessed firsthand the unjust treatment inflicted upon the Black majority by the ruling white minority government. Driven by a deep sense of equality, he dedicated his life to the struggle for emancipation and equality, joining the African National Congress (ANC), a political organization dedicated to dismantling apartheid, the system of racial separation that plagued South Africa. Emerging as a inspiring lawyer, activist, and leader, Mandela faced numerous arrests and imprisonments for his unwavering resistance and defiance. For 27 years, he endured the harsh conditions and isolation of Robben Island, a notorious prison island, where his hope never wavered. His unwavering commitment to justice continued to inspire and mobilize his people and the world at large. In 1990, he walked out of prison, free at last, and in 1994, he made history as South Africas first democratically elected Black president. Mandelas leadership ushered in a period of reconciliation, transforming South Africa into a nation of equal opportunity. His global impact extended far beyond South Africas borders, as he became a beacon of human rights, recognized for his unwavering dedication to these ideals. In 1993, he was awarded the Nobel Peace Prize, alongside numerous other accolades and honors. On December 5, 2013, at the age of 95, Mandela passed away, leaving behind a legacy of strength, wisdom, and compassion. Revered as the father of the nation and one of historys greatest heroes, Mandelas legacy continues to inspire generations to come.

Sam awoke with a scream, his body drenched in perspiration. The same terrifying nightmare had once again haunted his sleep, the one where he was hunted by a shadowy figure wielding a gleaming. He glanced at the clock; it was 3:15 am. He tried to placate his racing heart, attempting to convince himself that it was merely a figment of his imagination. Yet, deep down, he knew it was far more than that. He knew the mysterious figure was tangible, and it was moving relentlessly towards him. He had seen it before, in the horrific news reports, in the meticulous police sketches, in the stricken faces of the victims. It was the dreaded serial killer that had been haunting the city for what seemed like an eternity. And Sam was next.
