A synoptic interpretation of the rulers and elites in Eurasia from the fourteenth to the eighteenth century. God, Freedom, and the Body of Christ 2020-10-13 Alexander J. D. Irving A contribution to the end of the Church knowing itself as the body of Christ. Irving articulates a theology of the Church as that which participates in all that Jesus is in his vicarious humanity by the power of the Spirit. This is developed through a dialogical (or covenantal) frame that has its focal point in Christ, in whom the faithful love of God toward creation and the faithful love of creation toward God is actualized. The Church as the body of Christ participates in the mediatorial work of Jesus Christ. Each chapter explores a different element of this participatory ecclesiology. This book offers a constructive ecclesiology, built from the ground up on the foundation of a dialogical perspective, which has participation in Christ as its controlling center. This foundation provides the basis upon which an exhilarating vision of the Church can be built, to encourage Christians to cherish the Church as the body of Christ which participates in the triune communion through being included into the Son by the power of the Spirit and comes to reflect the triune God in its own structures.

Anglican Confirmation 2016-04-15 Phillip Tovey Confirmation was an important part of the life of the eighteenth-century church which consumed a significant part of the time of bishops, of clergy in their preparation of candidates, and of the candidates themselves in terms of a transition in their Christian life. Yet it has been almost entirely overlooked by scholars. This book aims to fill this void in our understanding, and offers an important contribution and correction of our understanding of the life of the church during the long eighteenth century in both Britain and North America. Tovey addresses two important historical debates: the 'pessimist/optimist' debate on the character and condition of the Church of England in the eighteenth century; and the debate on the 're-enchantment' of the eighteenth century which challenges the secular nature of society in the age of the Enlightenment. Drawing on new developments of the study of visitation returns and episcopal life and on primary research in historical records, Anglican Confirmation goes behind the traditional Tractarian interpretations to uncover the understanding and confidence of the eighteenth-century church in the rite of confirmation. The book will be of interest to eighteenth-century church historians, theologians and liturgists alike.

God’s Unfailing Word 2019-11-21 The Faith and Order Commission This important and timely study offers a theological exploration of the relationship between Christians and Jews. It is mindful of the prejudice and persecution experienced by the Jewish community throughout history, not least from the Christian church, and is intended as antidote to antisemitism.

Mary and Early Christian Women 2019-02-18 Ally Kateusz This book is open access under a CC BY-NC-ND license. This book reveals exciting early Christian evidence that Mary was remembered as a powerful role model for women leaders—women apostles, baptizers, and presiders at the ritual meal. Early Christian art portrays Mary and other women clergy serving as deacon, presbyter/priest, and bishop. In addition, the two oldest surviving artifacts to depict people at an altar table inside a real church depict women and men in a gender-parallel liturgy inside two of the most important churches in Christendom—Old Saint Peter’s Basilica in Rome and the second Hagia Sophia in Constantinople. Dr. Kateusz’s research brings to light centuries of censorship, both ancient and modern, and debunks the modern imagination that from the beginning only men were apostles and clergy.

Holy Women, Holy Men 2010 Church Publishing, Fully revised and expanded, this new work is the first major revision of the liturgical calendar of the Episcopal Church in more than 40 years! It is the official revision of Lesser Feasts and Fasts and authorized by the 2009 General Convention. All commemorations in Lesser Feasts and Fasts have been retained, and many new ones added. Three scripture readings (instead of current two) are provided for all minor holy days. Additional new material includes a votive mass of the Blessed Virgin Mary, many more ecumenical commemorations, plus a proper for space exploration. For years the oft revised volume, Lesser Feasts and Fasts (LFF), has served parishes and individuals mark part of the holiness of each day by providing Scripture readings, a collect, a Eucharistic preface, and a narrative about those remembered on the church’s calendar that day whose lives have witnessed to the grace of God. Holy Women, Holy Men (HWHM) is a major effort to revise, but also to expand and enrich LFF. Where LFF provided two readings (gospel and other New Testament) plus a psalm, HWHM adds an Old Testament citation. Where LFF was limited to few non-Anglicans in the post-reformation period (and few non-Episcopalians after 1789), HWHM dramatically broadens appreciation for other Christians and their traditions. Over-emphasis on clergy is redressed by additional laity, males by females, and "in-church" activities by contributions well beyond the workings of institutional agendas. These almost daily commemorations occupy over 600 of the book’s 785 pages, by far the lion’s share of its content. Remaining sections address: principles of revision and guides for future revision; liturgical propers for seasons (Advent/Christmas, Lent, and Easter); and new propers for a miscellany of propers usable with individuals (or events) not officially listed in the formal calendar. Two cycles of propers for daily Eucharist are also included, one covering a six week period, the other a two year cycle.

Lesser Feasts and Fasts 2018 2019-12-17 Lesser Feasts and Fasts had not been updated since 2006. This updated edition, adopted at the 79th General Convention (resolution A065), fills that need. Biographies and collects associated with those included within the volume have been updated; a deliberate effort has been made to more closely balance the men and women represented within its pages.

Ordaining Women 2015-11-10 B. T. Roberts B. T. Roberts saw the exclusion of women from ordination as analogous to racism. His ability to see the new community made possible by Christ offers Christians today a prophetic vision of the difference Christ makes. Roberts’s 1891 Ordaining Women takes seriously the scriptural promise that Christ has unmasked the false distinctions and repaired the damaged social arrangements of this world. Like the abolition of slavery, the ordination of women becomes yet another obvious sign of the world made new in Christ. With careful attention to biblical interpretation, church tradition, and empirical evidence, Roberts exposes the biases that have long held captive the Christian imagination. In this new edition, Benjamin Wayman offers an updated and fully annotated version of Roberts’s original work and demonstrates the breadth and depth of his analysis. Roberts’s vision of the gospel challenges the traditional and still-dominant view of the global church, and invites Christians to reimagine the inclusion of women in ordained ministry. If Christians had for so long been wrong about race, might we today be wrong about gender?

A Great Cloud of Witnesses 2016-10-01 Church Publishing A new and expanded volume of optional commemorations of significant figures in the history of the Episcopal Church. This volume replaces the popular Holy Women, Holy Men. By action of the 2015 General Convention, Great Cloud of Witnesses is being made available for devotional or catechetical use and for use in public worship throughout the Church. It reflects the lively experience of holiness, especially on the level of the local community. It is accordingly a useful tool for learning about the history of the church and identifying those who have inspired and challenged us from the time of the New Testament to the present. Each entry includes a biographical narrative of the person or people, highlighting the significance of their lives and witness. A devotional collect is provided in both Rite I and Rite II language and a set of indexing “tags” suggests how the entry fits into the broader scope of Christian history and delineates the Christian gifts and virtues that may have inspired the person’s ministries. This edition is printed on a special synthetic paper coated with a unique clay coating which combines the advantages of paper with the durability of plastic. This paper looks and feels like paper but stands up to water, weather, grease, chemicals and resists tearing in both directions.

Expositions of the Psalms 1-32 (Vol. 1) 1990 Saint Augustine (of Hippo) "As the psalms are a microcosm of the Old Testament, so the Expositions of the Psalms can be seen as a microcosm of Augustinian thought. In the Book of Psalms are to be found the history of the people of Israel, the theology and spirituality of the Old Covenant, and a treasury of human experience expressed in prayer and poetry. So too does the work of expounding the psalms recapitulate and focus the experiences of Augustine's personal life, his theological reflections and his pastoral concerns as Bishop of Hippo."--Publisher's website.

How Marriage Became One of the Sacraments 2016-06-30 Philip L. Reynolds Among the contributions of the medieval church to western culture was the idea that marriage was one of the seven sacraments, which defined the role of married folk in the church. Although it had ancient roots, this new way of regarding marriage raised many problems, to which scholastic theologians applied all their ingenuity. By the late Middle Ages, the doctrine was fully established in Christian thought and practice but not yet as dogma. In the sixteenth century, with the entire Catholic teaching on marriage and celibacy and its associated law and jurisdiction under attack by the Protestant reformers, the Council of Trent defined the doctrine as a dogma of faith for the first time but made major changes to it. Rather than focusing on a particular aspect of intellectual and institutional developments, this book examines them in depth and in detail from their ancient precedents to the Council of Trent.

National Identity, Popular Culture and Everyday Life 2020-06-15 Tim Edensor The Millennium Dome, Braveheart and Rolls Royce cars. How do cultural icons reproduce and transform a sense of national

identity? How does national identity vary across time and space, how is it contested, and what has been the impact of globalization upon national identity and culture?This book examines how national identity is represented, performed, spatialized and materialized through popular culture and in everyday life. National identity is revealed to be inherent in the things we often take for granted - from landscapes and eating habits, to tourism, cinema and music. Our specific experience of car ownership and motoring can enhance a sense of belonging, whilst Hollywood blockbusters and national exhibitions provide contexts for the ongoing, and often contested, process of national identity formation. These and a wealth of other cultural forms and practices are explored, with examples drawn from Scotland, the UK as a whole, India and Mauritius. This book addresses the considerable neglect of popular cultures in recent studies of nationalism and contributes to debates on the relationship between 'high' and 'low' culture.

A Cultural Sociology of Anglican Mission and the Indian Residential Schools in Canada 2016-07-14 Eric Taylor Woods This book focuses on the recurring struggle over the meaning of the Anglican Church’s role in the Indian residential schools—a long-running school system designed to assimilate Indigenous children into Euro-Canadian culture, in which sexual, psychological, and physical abuse were common. From the end of the nineteenth century until the outset of twenty-first century, the meaning of the Indian residential schools underwent a protracted transformation. Once a symbol of the Church’s sacred mission to Christianize and civilize Indigenous children, they are now associated with colonialism and suffering. In bringing this transformation to light, the book addresses why the Church was so quick to become involved in the Indian residential schools and why acknowledgment of their deleterious impact was so protracted. In doing so, the book adds to our understanding of the sociological process by which perpetrators come to recognize themselves as such.

Protestant Children, Missions and Education in the British World 2021-09-02 Hugh Morrison At Christmas 1936, Presbyterian children in New Zealand raised over £400 for an x-ray machine in a south Chinese missionary hospital. From the early 1800s, thousands of children in the British world had engaged in similar activities, raising significant amounts of money to support missionary projects world-wide. But was money the most important thing? Hugh Morrison argues that children’s education was a more important motive and outcome. This is the first book-length attempt to bring together evidence from across a range of British contexts. In particular it focuses on children’s literature, the impact of imperialism and nationalism, and the role of emotions.

Introduction to Christian Theology 2011-07-01 Dr. Justo L. Gonzalez This book helps beginning theological students grasp the basics of Christian theology. Consciously avoiding the perspective of one school of thought or confessional tradition, the authors provide the reader with a brief, broad overview of the questions and contents of theological study. Their accessible use of language, clear organization, and careful explanation will prove of invaluable aid to those who are getting their theological feet wet for the first time. "In the words of its authors, this book offers an introduction 'to the fuller spectrum of Christian theology as it has developed through the centuries.' Few writers address the historical development of the classic doctrines and the contemporary resonance as adroitly as Gonzalez and Perez. The chapter on Jesus Christ, for example, presents concise summaries of the treatments of Christ's person leading up to Chalcedon, while suggesting a need for a multiplicity of images in understanding the work of Christ that liberates the whole person and restores all creation. Beginning students, as a result, are invited into a living theological conversation, where the contested claims of the past have continued relevance in a contemporary era beset by its undervaluing of the body and creation. Broadly ecumenical in tenor, with reference to theologians from nearly every century, the work should appeal to both a popular readership and introductory students in college and seminary. One disappointing aspect of the book is an absence of Latino/a, feminist, and liberation perspectives. For a work that argues for the contextuality of all theology, and from authors whose previous work has been monumental in Hispanic theological education, this lack is surprising."---David H. Jensen, Austin Presbyterian Theological Seminary, in Religious Studies Review, Volume 29 Number 3, July 2003.

Divided We Stand 2006 Douglas Bess The Continuing Anglican Movement is made up of those who strive to “continue” in the way of traditional Anglicanism, which many feel the American Episcopal Church and the Anglican Church of Canada have abandoned in their Prayer Book reforms, policies regarding the ordination of women, the full inclusion of gays and lesbians, and other issues. This is the only full-length history of the Continuing Anglican movement in the United States and Canada, an engaging, fascinating, and often painful ecclesial saga-available once again in a new edition from the Apocryphile Press.

Weekday Eucharistic Propers 2017-01-09 Church Publishing In the section entitled “Concerning the Service of the Church,” the Book of Common Prayer identifies the normative services of the Episcopal Church: The Holy Eucharist, the principal act of Christian worship on the Lord’s Day and other major Feasts, and Daily Morning and Evening Prayer, as set forth in this book, are the regular services appointed for public worship in the Church. (BCP, 13) Eucharistic propers (collects, Scripture readings, and proper prefaces) are provided in the Book of Common Prayer for the days when the Eucharist is the principal service. As celebration of the Eucharist has become more frequent, many congregations and other communities of faith now celebrate weekday Eucharists on days for which the Prayer Book does not assign propers. To facilitate the use of these authorized options, this resource contains weekday propers for the seasons of the Church Year (the temporal cycle), the Common of Saints (the sanctoral cycle), and Various Occasions from the Prayer Book and from resources authorized since the adoption of the Prayer Book. The propers in this resource are grouped into three sections by type for the temporal cycle, the sanctoral cycle, and various occasions.

Religion: Help or Hindrance to Development? 2013-11-26 Kenneth Mtata The decline of religion in the Western world used to be regarded as a direct consequence of development, and it was assumed that this would also occur in the global South once the same levels of economic development had been reached. The current flourishing of religion in the global South and the increased awareness of its significance in the global North prove that religion continues to play a crucial role. In those contexts where religion frames reality, development cannot ignore religion. This collection of essays by scholars and development practitioners from Africa, Asia, Europe and Latin and North America explores the fascinating interface between religion and development as well as the negative and positive potential of religion in development. August, Michael Biehl, Carlos Bonilla, Theresa Carino, Andreas Heuser, Eberhard Hitzler, Lindora Howard-Diawara, Martin Junge, Rebecca Larson, Michael Martin, Madipoane Masenya (ngwan'a Mphahlele), Johnson Mbillah, Ambrose Moyo, Kenneth Mtata, Samuel Ngun Ling, Kjell Nordstokke, Muriel Orevillo-Montenegro, Claudia Warning abd Vítor Westhelle.
