Billionaire Bound: My Billionaire Boss, Part 1 (A BDSM Erotic Romance) 2013-09-01 Emily Cantore Delilah's plan worked a little too well... She thought a low-level job in the records department of the Stone-Black Corporation would allow her to uncover wrong-doings she could show to the world to take the company down. But after only three days she's suddenly promoted to work as executive assistant to Jackson Stone, mercurial CEO and number #1 on her list of bastards who deserve a slap in the face. He has a temper. He has a secret. He is absolutely gorgeous. When he punishes her for snooping around his office, she realizes she may be in over her head. Billionaire Bound: Part 1, Billionaire Bond: Part 2, Billionaire Bondage: Part 3, Billionaire Black: Part 4, Billionaire Blackmail: Part 5, Billionaire Bought: Part 6, Billionaire Bind: Part 7, Billionaire Broken: Part 8 (the final book) are now available! EXCERPT: "I've been what?" I adjusted my glasses and tried to swallow but my throat had gone dry. "Promoted to executive assistant. Take your things, these papers and go to the top floor," Ms. Green, the HR manager, said in a cold voice. I tried to find my voice but only a croak came out and I felt myself break out in the sweat. "I'd hurry if I were you. Mr. Stone doesn't like to be kept waiting," she said, not looking up from her computer screen. "But I'm meant to be working as a records clerk," I protested. I'd only been at Stone-Black for three days and I'd already been promoted? "And now you're an executive assistant. Take these with you. Good luck with your short-term career." She handed me an elevator fob and waved her hand at a stack of papers. I picked up the papers and headed in the general direction of the elevator, trying to work out whether I should just walk out the front door. And what did she mean by "short-term career"? Executive Assistant to Mr. Jackson Stone. The CEO of Stone-Black and reputed to be a mercurial tyrant who hired and fired people on a whim. I'd only seen his picture on the web - various charity balls, meetings with government officials - and what could I say? The man was hot. Tall with blond hair and blue-green eyes, he was a billionaire to boot. In every photo he seemed to be wearing a scowl as though there was a volcano inside him, barely held in check. I got halfway to the elevator before I decided to bail on my plan. The Stone-Black corporation had practically destroyed my home-town of Bedford and then gotten away with it via various sneaky legal maneuvers. I thought being hired in the records department was the perfect way to discover something that could topple the whole business. I knew it had been too perfect to get that job and after only three days I had been "promoted" to executive assistant. I turned abruptly and crashed directly into a man who'd been striding behind me. I dropped the papers to the ground, along with my bag. Bits and pieces went everywhere. "Oh, I'm sorry," I stammered, trying to pick up all the papers at once from the floor. A red-leather briefcase came down next to my handbag and its contents strewn across the floor. The man scooped up the contents and put them back into the bag as I gathered the papers. "Ms. Neri?" I swallowed again and croaked something that could possibly have been yes as I followed the line of an Italian suit up to two blue-green eyes. Jackson Stone. CEO of Stone-Black. The Billionaire's Assistant - Part 1 2017-03-09 Sierra Rose Book 1 - The Billionaire's Assistant Book 2 - The Billionaire's Proposal Book 3 - The Billionaire's Temptation My name is Abigail Wilder. PR maven extraordinaire. A credit to her industry. A savior to her clients. A razor-tongued blessing to those who employed her, and a curse to those who stood in her way. (This was all printed on my business cards. In so many words.) But to him, my biggest client, I was Abby. And to me, he was Nick. Nick keeps me busy with all his stunts and playboy ways. He gets in trouble and it's my job to bail him out and make everything shine in a positive light. He's a pain in my ass! Far too wild for my taste. And now the board wants to keep him on a leash until their big merger goes through. They want me to find him a girlfriend. Get someone to tame Nick? Yeah, right. Damn, do I have my hands full. I wanted to give Nick my standard speech. The 'fame is a fickle friend' speech, and tell him to keep his damn head down for once. But such speeches had never really worked on Nick. And to be honest, he was right. The press did love him. They always had. They probably always would. He was their dream-a man who knew no limits. No boundaries. Every page-an open book. Over the years, he'd become something of a folk

hero. The crown prince of mayhem who couldn't be tamed. A source of constant entertainment and levity for the masses. But even by celebrity standards, Nick was a rare breed. Because beneath that careless playboy persona, beneath all the money, and mischief, and that unquenchable sense of adventure...he had a genuinely good heart. It was this 'good heart' his father's company had hired me to promote. To protect. To shine a spotlight on all the good things-half to highlight them, half to keep that same spotlight off everything bad. By protecting his image, I was protecting their shareholders, and thus-doing my not inconsiderable part to contribute to the massive global conglomeration that was his father's company. The Hunter Corporation. The family's crowning achievement. It's a tough job, but somebody has to keep the gorgeous billionaire in check. And I guess that job belongs to me.

The Boss's Son Box Set 2016 Sierra Rose This is the complete series. The Boss's Son - Part 1 The Boss's Son - Part 2 The Boss's Son - Part 3.
Description: Britt woke up in Jack's glorious arms. Jack ... whatever his last name was. She hadn't a clue who he was. Kicking her way out of the sheet, Britt got to her feet and clutched her head instantly. It pounded like an unsuccessful road construction project and her teeth hurt, actually ached from the hangover. Stumbling to the bathroom with annoyance, she drank water and took a shower and drank more water, chastising herself for letting it get this bad. She knew to drink water and take aspirin before bed to help curb this hideous feeling. She needed a full breakfast, something big. But she was stuck with this guy who thought it was socially acceptable to hang out after a one-night stand. Britt didn't have any experience with a one-nighter except that time in college with the one guy in her women's studies class, the one with the tattoo of a hard drive motherboard on his chest. That hadn't ended well but for sure he had at least had the courtesy to leave her dorm immediately afterward. Were they supposed to have breakfast together? Bond in some way? She had work. He had ... probably the unemployment line or guitar practice or something. Mainly, she needed head-space to get ready for her day and try to forget what she'd done the night before, namely some guitarist whose last name was a mystery better left unsolved. The guy was HOT! But she knew she would never see him again. Or would she?
