## Daughter Detox

2017 Peg Streep A self-help book based in science, the result of more than a decade of research, Daughter Detox offers the daughters of unloving mothers vital information, guidance, and real strategies for healing from childhood experiences, and building genuine self-esteem. Writer Peg Streep lays out seven distinct but interconnected stages on the path to reclaim your life from the effects of a toxic childhood: DISCOVERY, DISCERNMENT, DISTINGUISH, DISARM, RECLAIM, REDIRECT, and RECOVER. Each step is clearly explained, and richly detailed with the stories of other women, approaches drawn from psychology and other disciplines, and unique exercises. The book will help the reader tackle her own self-doubt and become consciously aware of how her mother's treatment continues to shape her behavior, even today. The message of the book is direct: What you experienced in childhood need not continue to hold you back in life. What was learned can be unlearned with effort. The book begins with DISCOVERY, opening up the reader's understanding of how she has been wounded and influenced by her mother's treatment. Recognizing the eight toxic maternal behaviors-dismissive, controlling, emotionally unavailable, unreliable, self-involved or narcissistic, combative, enmeshed, or role-reversed-lays the foundation for the daughter's awareness of how her way of looking at the world, connecting to others, and ability to manage stress were affected. DISCERNMENT delves into the patterns of relationship in her family of origin and how they played a part in her development, and then shifts to looking closely at how the daughter adapted to her treatment, either silencing or losing her true self in the process. Next up is DISTINGUISH, seeing how the behavioral patterns we learned in childhood animate all of our relationships in the present with lovers and spouses, relatives, friends, neighbors, and colleagues. The act of distinguishing allows us to see why so many of us end up in unsatisfying relationships, chose the wrong partners, or are unable to develop close friendships. Active recovery begins with DISARM as the daughter learns how to disconnect unconscious patterns of reaction and behavior and substitute actions that will foster the growth of self-esteem. Understanding the triggers that set us off, the cues that put us on the defensive, and the default positions of blaming ourselves and making excuses for other people's toxic behavior are addressed, as are unhealthy behaviors such as rumination, rejection sensitivity, and more. RECLAIM is the stage at which the reader begins to actively make new choices, preparing herself so that she can live the life she desires by seeing herself as having agency and being empowered. Making new choices and figuring out how to manage her relationship to her unloving or toxic mother is the focus of REDIRECT. There are stories to inspire and challenge your thinking, exercises that show you how to swap out self-criticism for self-compassion, guidance on how to use journaling as a tool of self-discovery and growth, and advice on goal setting.Finally, RECOVER challenges the reader to come up with a new definition of what it means to heal, suggests tools to overcome the obstacles she places in her own way, and strategies to become the best, most authentic version of herself.

## *Have You Started Yet?*

1997 Ruth Thomson What's the real scoop on menstruation and puberty? In Have You Started Yet?, the first book in our new, edgy Plugged In "TM", series, girls tell girls exactly how it is, what to expect, and how to deal with their changing bodies. It's all here -- answers to the questions nobody really wants to ask but everyone is dying to know about -- plus information on first gynecological exams, sexuality and safe sex, diet and exercise suggestions, a personal mood chart, and a calendar for young women to record their cycles. Have You Started Yet? is a great place to get "plugged in" to the topics kids want and need to know more about.

## Have You Started Yet?

1997 Ruth Thomson Explains how and why menstrual periods happen, what they are like, and what to do about them.

## Making Peace with the Things in Your Life

2002-05-03 Cindy Glovinsky Do you spend much of your time struggling against the growing ranks of papers, books, clothes, housewares, mementos, and other possessions that seem to multiply when you're not looking? Do these inanimate objects, the hallmarks of busy modern life, conspire to fill up every inch of your space, no matter how hard you try to get rid of some of them and organize the rest? Do you feel frustrated, thwarted, and powerless in the face of this ever-renewing mountain of stuff? Help is on the way. Cindy Glovinsky, practicing psychotherapist and personal organizer, is uniquely qualified to explain this nagging, even debilitating problem -- and to provide solutions that really work. Writing in a supportive, nonjudgmental tone, Glovinsky uses humorous examples, questionnaires, and exercises to shed light on the real reasons why we feel so overwhelmed by papers and possessions and offers individualized suggestions tailored to specific organizing problems. Whether you're drowning in clutter or just looking for a new way to deal with the perennial challenge of organizing and managing material things, this fresh and reassuring approach is sure to help. Making Peace with the Things in Your Life will help you cut down on your clutter and cut down on your stress!

## You're On Your Own (But I'm Here If You Need Me)

2009-05-05 Marjorie Savage Realistic and practical advice for parents of college-age kids. Parents whose kids are away at college have a tough tightrope to walk: they naturally want to stay connected to their children, yet they also need to let go. What's more, kids often send mixed messages: they crave space, but they rely on their parents' advice and assistance. Not surprisingly, it's hard to know when it's appropriate to get involved in your child's life and when it's better to back off. You're On Your Own (But I'm Here If You Need Me) helps parents identify the boundaries between necessary involvement and respect for their child's independence.

## But Are You Making Any Money?

2011-01-01 Marley Majcher Well-known celebrity party planner, Marley Majcher, in her signature witty, no-nonsense style shows you how to make a real profit without spinning your wheels using a step-by-step

By learning from the trials and tribulations of Majcher's own entrepreneurial journey, you will magically see yourself in her examples yet learn the skills necessary to turn a real profit, all while laughing out loud. Who knew business could be so much fun? --Publisher.

## *You've Got a Book in You*

2013-05-13 Elizabeth Sims Writing a book is fun and easy--yes, FUN AND EASY--but it may not always feel that way. How do you find the time to write? How do you keep momentum? How do you deal with the horror of showing anyone a single sentence of your work-in-progress? The answers remain fun and easy, and author Elizabeth Sims will take your hand, dispel your worries, and show you how it's done in this stress-free guide to accomplishing your dream of writing your book. In You've Got a Book in You, Elizabeth is that encouraging voice guiding you through the entire process, from finding the right time and place to gathering all of your creative tools to diving right in and getting it done--page by page, step by step. It's easier than you think, and it all starts right here, right now. "This guide is witty, warm, and wise--and wonderfully down-to-earth as well. Elizabeth Sims doesn't just tell you that you've got a book in you, she shows you how to pour it out using your own creative spirit, common sense, and persistence." ~Lori L. Lake, author of The Gun Series and The Public Eye Mystery Series "If you're searching for the spark of inspiration to get started writing a book, and the nourishment to sustain you to THE END, Elizabeth Sims's You've Got a Book in You will show you how to find it in yourself." ~Hallie Ephron, award-winning author of There Was an Old Woman "You won't find an easier-to-follow or more inspirational writing guide." ~L.J. Sellers, author of the bestselling Jackson mysteries "By focusing the high beams of her intelligence (and humor!) on the twisty trail of book-writing, in You've Got a Book in You, Elizabeth Sims proves herself a true writer's friend. As she guides you from the creation of a "working title" through her (brilliant!) "Making-It-Better Process," this well-established pro plays her most impressive cards--stacking the deck in favor of YOU!" ~Jamie Morris, Director, Woodstream Writers "Elizabeth Sims packs a twelve-week writing course into 280 pages. Inspirational and yet extremely hands-on, You've Got a Book In You will give newbies confidence to forge ahead and will remind veteran writers why they began writing in the first place--for the joy of it. I won't be surprised when the brilliant terms 'stormwriting' and 'heartbrain' become part of every writer's lexicon." ~Julie Compton, author of Tell No Lies and Keep No Secrets "The book is encouraging and inspiring, practical and witty. As a seasoned writer, I appreciate the reminders about the importance of putting yourself on a writing schedule. No more excuses. The many 'writing blasts' are very helpful and will get any writer out of the starting blocks. I especially enjoyed the section, 'Writing with the Masters.' What better way to get inspired, get a feel for different styles, and get jump-started on your writing? Excellent advice that I plan to incorporate in my future classes. I concur with Sims that 'writer's block' is greatly exaggerated. Is there any other profession that claims such a phenomenon? 'Excuse me, but I have 'book-keeping block,' 'playing music block,' or 'painting block' today? I don't think so. Get yourself on a schedule, read some Sims, write with the masters, and you'll be on your way. You'll be glad you met this friend on your journey to becoming a successful writer." ~Gesa Kirsch, Ph.D., Professor of English, Director of Valente Center for the Arts and Sciences, Bentley University

## **Have You Started Yet?**

1995 Ruth Thomson Starting to have periods is something all girls face, and is one sign of growing up. It's nothing to be embarrassed or ashamed about! This book explains exactly what periods are, why they happen, and how they will affect you; asking all the questions and giving all the answers simply and openly, with plenty of practical advice.

## You Are a Badass®

alleys of Pompeii, where the echoes of Mount Vesuvius fury still linger, we embark on a journey back to the thriving Roman city frozen in time. Each cobblestone and preserved fresco tells a story of opulence, tragedy, and the indomitable spirit of an ancient society.

**Liberation have you started yet you and your**

aficionados continue their search for the next great American novel, they need look no further than the pages of "Echoes of Elysium" by the visionary storyteller, Victor Frost. This epic tale of love and loss, set against the backdrop of a fantastical world, has earned Frost acclaim as a master craftsman of emotional resonance.

**Discovery have you started yet you and your**

High above the clouds, where airships sailed between floating islands, an ancient order of Skyweavers practiced the art of cloud-shaping. Using enchanted looms, they wove clouds into tapestries that told the stories of the skies. Each floating island bore a narrative, and the weavers, guided by celestial constellations, continued to thread the celestial tales that adorned the firmament.
