2016-01-01 Kin Lo Lo/Fisher is praised for its readability and conversational writing style that helps students better understand difficult concepts in Accounting. Lo/Fisher presents the how and why of reporting accounting information from within an easily-understood theoretical framework. Lo/Fisher has a clean layout that engages the reader with a clear writing style using plain English. This text is built on the current International Financial Reporting Standards (IFRS) and incorporates Accounting Standards for Private Enterprise (ASPE) where appropriate. Our philosophy is that when students understand the current standards, they will be able to analyze and interpret changes in the future. Note: You are purchasing a standalone product; MyAccountingLab does not come packaged with this content. Intermediate Accounting, , Study Guide

2011-08-02 Donald E. Kieso INTERMEDIATE ACCOUNTING by Kieso, Weygandt, and Warfield is, quite simply, the standard by which all other intermediate accounting texts are measured. Through thirty years and thirteen best-selling editions, the text has built a reputation for accuracy, comprehensiveness, and student success. The Fourteenth Edition maintains the qualities for which the text is globally recognized, and continues to be your students' gateway to the profession! Volume I is comprised of Chapters 1-14. Each study guide chapter is comprised of a detailed chapter review, demonstration problems, true/false, multiple-choice, matching questions, and comprehensive exercises. This book is a bound paperback with three-hole punches for convenient storage in a binder.

Intermediate Accounting

2006-03-29 James Stice This intermediate accounting text links accounting principles to the central activities of a business. A user/decision making approach, combined with the necessary coverage of GAAP, prepares the student to understand accounting in terms of a business' activities, which reflects the broadening definition of accounting today. The text's efficient format does not overwhelm students, and its accessible style provides a nice alternative to more encyclopedic, reference-book approaches. The book offers a nice blend of the core concepts of accounting principles, with procedural applications. This approach is supplemented with the most expansive set of end-of-chapter material on the market, thorough integration of today's hot topics (it's the only intermediate text that has an entire chapter on Earnings Management), as well as a robust selection of student and instructor print and technology resources. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Intermediate Accounting IFRS

2020-07-08 Donald E. Kieso Essential knowledge of International Financial Reporting Standards for students of global accounting This important work provides the tools global accounting students need to understand international financial reporting standards (IFRS) and how they are applied in practice. This text emphasizes fair value, proper accounting for financial instruments, and new developments in international accounting. By presenting IFRS in light of current accounting practice, this book helps students gain practical knowledge of the topic that they can apply as they advance into their global accounting careers. With this revised and updated Fourth Edition, students will develop a firm conceptual understanding of IFRS, as well as the ability to integrate their learning through practical exercises. Throughout this text, Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, discussing the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting IFRS includes proven pedagogical tools designed to help students learn more effectively. Comprehensively covers the latest International Financial Reporting Standards and how they are applied in practice Takes a comparative approach to help students understand the differences between IFRS, U.S. GAAP, and other important standards Emphasizes practical application of knowledge with end-of-chapter Review and Practice sections Provides authoritative references and citations to ensure content reliability and provide opportunities for further study Includes access to video walkthroughs, interactive content, and digital resources to support student engagement and ensure positive learning outcomes As IFRS gains broad acceptance around the world, students of global accounting will need to be intimately familiar with these standards, and prepared to keep up with the rapid changes in the international environment. Intermediate Accounting IFRS answers to these pressing needs, making it the clear choice for accounting courses at the intermediate level.
