Journey of a Thousand Miles

He was tired of his existence. He was uninterested, depressed, and discontented. He had a employment he despised, a supervisor he loathed, and a significant other he didn't cherish. He had no enthusiasm, no aim, no significance. He believed like he was wasting his time, his capability, his life. He wanted to alter, he wanted to run away, he wished to live. He decided to leave his employment, to split up with his significant other, to dispose of his possessions, and to purchase a single fare to the other side of the globe. He didn't know where he was proceeding, he didn't know what he was carrying out, he didn't know what he was searching for. He only realized that he had to go, that he had to explore, that he had to find out. He set out on a trip of a thousand kilometers, a trip of excitement, of difficulty, of learning, of progress, of alteration.
