Creating a synthesis paper involves bringing together data from multiple sources to show a well-rounded debate on a topic. Here are the stages to write a perfect structure for a synthesis paper:

1. **Choose a Appropriate Subject:** Choose a subject that aligns with your hobbies and the assignment needs.
2. **Carry out Thorough Study:** Explore different sources, such as articles, books, and academic journals, to gather information.
3. **Plan Your Format:** Start with an introduction that catches the readers interest and states your thesis – what your essay will debate. After that, outline what each of your body paragraphs will talk about. Be certain to add information from different sources.
4. **Compose Paragraphs with Topic Sentences:** Dedicate each section to a specific sub-topic or source. Begin with a clear topic sentence straight related to your argument. Introduce the source youre combining and plan its key points. Back up your claims with evidence from the source, using quotes, paraphrases, or summaries.
5. **Review, Correct, and Proofread:** Check your work for any errors or inconsistencies.
