Star Wars that Altered Past

It had been the time 23, and the world was on the verge of war. The U.S. and Peoples Republic of China, the pair of superpowers, were engaged in a intense rivalry, competing for supplies, influence, and supremacy. They had developed advanced arms, like lasers, drones, and spacecrafts, that can hit any place, anytime. They had also clandestinely built space stations, which could fire nuclear missiles, which can annihilate the world. They were both ready to employ these weapons, if necessary. But they were the sole ones. There existed a 3rd power, a secret power, which had watching them both, waiting

patiently for them, getting ready for them both. They were the extraterrestrials, and they had arrived to prevent them both. They had arrived to save the earth, or to finish it all. They had come arrived to begin the galactic wars that transformed history.
