School, Family, and Community Partnerships 2018-07-19 Joyce L. Epstein Strengthen programs of family and community engagement to promote equity and increase student success! When schools, families, and communities collaborate and share responsibility for students' education, more students succeed in school. Based on 30 years of research and fieldwork, the fourth edition of the bestseller School, Family, and Community Partnerships: Your Handbook for Action, presents tools and guidelines to help develop more effective and more equitable programs of family and community engagement. Written by a team of well-known experts, it provides a theory and framework of six types of involvement for action; up-to-date research on school, family, and community collaboration; and new materials for professional development and on-going technical assistance. Readers also will find: Examples of best practices on the six types of involvement from preschools, and elementary, middle, and high schools Checklists, templates, and evaluations to plan goal-linked partnership programs and assess progress CD-ROM with slides and notes for two presentations: A new awareness session to orient colleagues on the major components of a research-based partnership program, and a full One-Day Team Training Workshop to prepare school teams to develop their partnership programs. As a foundational text, this handbook demonstrates a proven approach to implement and sustain inclusive, goal-linked programs of partnership. It shows how a good partnership program is an essential component of good school organization and school improvement for student success. This book will help every district and all schools strengthen and continually improve their programs of family and community engagement.

Anti-Zionism on Campus 2018-03-30 Doron S. Ben-Atar Many scholars have endured the struggle against rising anti-Israel sentiments on college and university campuses worldwide. This volume of personal essays documents and analyzes the deleterious impact of the Boycott, Divestment, and Sanctions (BDS) movement on the most cherished Western institutions. These essays illustrate how anti-Israelism corrodes the academy and its treasured ideals of free speech, civility, respectful discourse, and open research. Nearly every chapter attests to the blurred distinction between anti-Israelism and antisemitism, as well as to hostile learning climates where many Jewish students, staff, and faculty feel increasingly unwelcome and unsafe. Anti-Zionism on Campus provides a testament to the specific ways anti-Israelism manifests on campuses and considers how this chilling and disturbing trend can be combatted.

The Netherlandic Presence in Ontario 2006-01-01 Frans J. Schryer Schryer's central argument is that ethnic groups are as much modern "myths" as they are integral components of a socially constructed reality. Focusing on the large cohort of immigrants from the Netherlands and the former Dutch East Indies who arrived in Canada between 1947 and 1960, Schryer shows how the Dutch, despite a loss of ethnic identity and a high level of linguistic assimilation, replicated many aspects of their homeland. While illustrating and illuminating the diversity among immigrants sharing a common national origin, Schryer keeps sight of what is common among them. In doing so, he shows how deeply ingrained habits were modified in a Canadian context, resulting in both continuities and discontinuities. The result is a variegated image reflecting a multidimensional reality.

TIP 35: Enhancing Motivation for Change in Substance Use Disorder Treatment (Updated 2019) 2019-11-19 U.S. Department of Health and Human Services Motivation is key to substance use behavior change. Counselors can support clients' movement toward positive changes in their substance use by identifying and enhancing motivation that already exists. Motivational approaches are based on the principles of person-centered counseling. Counselors' use of empathy, not authority and power, is key to enhancing clients' motivation to change. Clients are experts in their own recovery from SUDs. Counselors should engage them in collaborative partnerships. Ambivalence about change is normal. Resistance to change is an expression of ambivalence about change, not a client trait or characteristic. Confrontational approaches increase client resistance and discord in the counseling relationship. Motivational approaches explore ambivalence in a nonjudgmental and compassionate way.
