**Curse developments in rubber technology 4 volume 4**;"Bellman & Black" is a novel by Diane Setterfield, a UK-based author known for her bestselling novel, "The Thirteenth Tale". The story revolves around the character of William Bellman, who as a boy commits a minor cruel act that seems to have unforeseen and terrible consequences. The killing of a rook with his catapult is soon forgotten amidst the riot of boyhood games. However, as he grows up and has a family of his own, he seems to be a man favored by fortune until tragedy strikes. A stranger in black comes into his life, and William starts to wonder if all his happiness is about to be eclipsed. In a desperate bid to save the one precious thing he has left, he enters into a rather strange bargain, with an even stranger partner, to found a decidedly macabre business. And thus, Bellman & Black is born.

**Course developments in rubber technology 4 volume 4;**The work “Analyzing Casual Conversation” by Suzanne Eggins and Diana Slade, originally released in 1997, develops a systematic model for the examination and description of casual conversation in English. The scholars assert that despite its sometimes aimless appearance and seemingly unstructured substance, casual conversation is a very structured task and performs a vital function in the social construction of reality. The work works through authentic samples of casual conversations entailing participants diverging in age, gender, ethnicity, and socio-economic class<sup>12</sup>. Drawing on understandings from sociology, linguistics, and critical semiotics, the publication provides readers with the analytical skills to describe the levels of structure and critical interpretive models to explain the ‘social work’ that occurs on through chat.
