He chose to resign from his job, to break up with his significant other, to sell his belongings, and to buy a direct fare to the opposite end of the world. He didn't realize where he was proceeding, he didn't realize what he was carrying out, he didn't know what he was searching for. He only realized that he had to leave, that he had to explore, that he had to uncover. He embarked on a trip of a thousand miles, a journey of excitement, of difficulty, of education, of development, of change.
