It was the year 2023, and the world stood on the edge of conflict. The USA and China, the two global powers, were entangled in a intense rivalry, vying for assets, dominance, and supremacy. They had both developed sophisticated armaments, like laser weapons, drones, and satellites, which can attack any location, anytime. They had covertly established orbital stations, that can fire atomic weapons, which can obliterate the planet. They were prepared to employ them, if ever required. But they were not the sole ones. There existed a third power, a hidden force, that had been monitoring them, waiting patiently for them, preparing for them. They were the aliens, and they had come arrived to prevent them both. They had come to rescue the world, or to finish it all. They had come come to begin the galactic wars which altered chronicle.
