Challenge [the art and craft of problem solving](#)-The work “Analyzing Casual Conversation” by Suzanne Eggins and Diana Slade, originally released in 1997, creates a methodical model for the study and portrayal of casual conversation in English. The authors assert that in spite of its sometimes aimless look and apparently unstructured substance, casual conversation is a extremely structured task and performs a vital part in the social construction of reality. The work proceeds through authentic examples of casual conversations entailing participants differing in age, gender, ethnicity, and socio-economic class¹². Drawing on perspectives from sociology, linguistics, and critical semiotics, the work provides readers with the analytical skills to describe the levels of structure and critical interpretive structures to clarify the ‘social work’ that occurs on through chat.

"Bellman & Black" is a novel by Diane Setterfield, a British author known for her bestselling novel, "The Thirteenth Tale". The story revolves around the character of William Bellman, who as a boy commits a small cruel act that seems to have unforeseen and terrible consequences. The killing of a rook with his catapult is soon forgotten amidst the riot of boyhood games. However, as he grows up and has a family of his own, he seems to be a man favored by fortune until tragedy strikes. A stranger in black comes into his life, and William starts to wonder if all his happiness is about to be eclipsed. In a desperate bid to save the one precious thing he has left, he enters into a rather strange bargain, with an even stranger partner, to found a decidedly macabre business. And thus, Bellman & Black is born.
