This is not a mere work of fiction, nor is it a product of cinematic imagination. This is the chilling reality, the chronicle of a serial killer who, with cold-blooded intent, extinguished the lives of 17 innocent souls. He relished in the infamous moniker "Zodiac," taunting the authorities and the public with cryptic messages and elusive clues. His actions were driven by a twisted sense of purpose, a self-proclaimed divine mission. He harbored the delusion of intellectual superiority, believing himself to be an unstoppable force. But his arrogance proved to be his undoing. This is the narrative of his eventual downfall, orchestrated by the one individual who possessed an intimate understanding of his psyche – his own brother.

The scholars assert that despite its occasionally aimless look and apparently unstructured substance, casual conversation is a highly structured activity and has a critical part in the social construction of reality. The work proceeds through real examples of casual conversations entailing participants varying in age, gender, ethnicity, and socio-economic class¹². Pulling on insights from sociology, linguistics, and critical semiotics, the publication equips readers with the examinative skills to depict the levels of structure and critical interpretive structures to explain the ‘social work’ that happens on through chat.
