The Seeker's Guide to The Secret Teachings of All Ages

2020-09-30 Mitch Horowitz A KEY TO THE MYSTERIES No other book in history has done more to clarify the Esoteric, mystical, and occult traditions of the world than Manly P. Hall's The Secret Teachings of All Ages. Now, historian Mitch Horowitz provides the first companion work to Hall's opus. The Secret Teachings of All Ages helps twenty-first-century readers enter and experience (or re-experience) Hall's hallowed pages and also clarifies and expands on some of the book's key themes and topics. Mitch explores developments and historical discoveries since hall published his "Great Book" nearly a century ago and adds fresh dimensions to subjects including: The antiquity and legacy of Ancient Egypt. The mystical origins of the world's major faiths. Strange beasts and anomalies in history and today. The origins and esotericism of Tarot. Secret Societies in Myth and Fact. The enduring relevance of astrology. Authorized by Manly P. Hall's Philosophical Research Society, The Secret Teachings of All Ages is a feast of esoteric exploration on its own and a worthy companion to history's unparalleled encyclopedia arcana. "Mitch is a fantastic tour guide to the fringes of reason, high weirdness, deep esoterica, secret societies, and mystery religions." -BoingBoing "Has the rare gift of making the esoteric accessible to discerning masses." -HuffPost

Strangers in Their Own Land

2018-02-20 Arlie Russell Hochschild The National Book Award Finalist and New York Times bestseller that became a guide and balm for a country struggling to understand the election of Donald Trump "A generous but disconcerting look at the Tea Party. . . . This is a smart, respectful and compelling book." —Jason DeParle, The New York Times Book Review When Donald Trump won the 2016 presidential election, a bewildered nation turned to Strangers in Their Own Land to understand what Trump voters were thinking when they cast their ballots. Arlie Hochschild, one of the most influential sociologists of her generation, had spent the preceding five years immersed in the community around Lake Charles, Louisiana, a Tea Party stronghold. As Jedediah Purdy put it in the New Republic, "Hochschild is fascinated by how people make sense of their lives. . . . [Her] attentive, detailed portraits . . . reveal a gulf between Hochschild's 'strangers in their own land' and a new elite." Already a favorite common read book in communities and on campuses across the country and called "humble and important" by David Brooks and "masterly" by Atul Gawande, Hochschild's book has been lauded by Noam Chomsky, New Orleans mayor Mitch Landrieu, and countless others. The paperback edition features a new afterword by the author reflecting on the election of Donald Trump and the other events that have unfolded both in Louisiana and around the country since the hardcover edition was published, and also includes a readers' group guide at the back of the book.

The Inheritors

2022-07-19 Eve Fairbanks Winner of the PEN/John Kenneth Galbraith Award for Nonfiction A dozen years in the making, The Inheritors weaves together the stories of three ordinary South Africans over five tumultuous decades in a sweeping and exquisite look at what really happens when a country resolves to end white supremacy. Dipuo grew up on the south side of a mine dump that segregated Johannesburg's black townships from the white-only city. Some nights, she hiked to the top. To a South African teenager in the 1980s—even an anti-apartheid activist like Dipuo—the divide that separated her from the glittering lights on the other side appeared eternal. But in 1994, the world's last explicit racial segregationist regime collapsed to make way for something unprecedented. With penetrating psychological insight, intimate reporting, and bewitching prose, The Inheritors tells the story of a country in the throes of a great reckoning. Through the lives of Dipuo, her daughter Malaika, and Christo—one of the last white South Africans drafted to fight for the apartheid regime—award-winning journalist Eve Fairbanks probes what happens when people once locked into certain kinds of power relations find their status shifting. Observing subtle truths about race and power that extend well beyond national borders, she explores questions that preoccupy so many of us today: How can we let go of our pasts, as individuals and as countries? How should historical debts be paid? And how can a person live an honorable life in a society that—for better or worse—they no longer recognize?
