Tilting at Windmills

2011-09-01 Joseph Pittman

This lyrical debut novel celebrates the joys and tears of love lost and found, and of a life renewed--in a most unexpected place. . . At thirty-four, Brian Duncan has it all. A trendy Manhattan life, a high-powered PR job, and a gorgeous fiancée with an exciting future of her own. Then, in a single moment of deception, Brian's world

decides to toss away all he has worked for. Irresistibly drawn to the road, he leaves the city's busy streets behind. . . On a hillside along New York's Hudson River Valley, Brian is transfixed by the beauty of an enormous windmill. Running toward it is a lovely little girl and her alluring mother, Annie Sullivan, who owns the windmill. The two strike a chord in Brian's heart and soon he discovers the small-town charms of Linden Corners--and of Annie, whose

elusive quality matches his own questions about life. And as their relationship deepens into passion, through the force of nature and the hand of fate, Brian will learn that love comes in unexpected ways. Pittman's debut novel is a feel-good fantasy. . . a nice feel for pace and place."--Publishers Weekly

decades of postwar life in Bosnia, specifically among those fighting for refugee rights of return. Unique in its breadth and profoundly humanitarian in its focus, *Surviving the Peace* situates digestible explanations of the region's bewilderingly complex recent history among interviews, conversations, and tableaux from the lives of everyday Bosnians attempting to make sense of what passes for normal in a postwar society. Essential reading for students of the former Yugoslavia and anyone interested in postwar or post-genocide studies, *Surviving the Peace* is an instant classic of long-form reporting, an

part - these mean nothing to him. But at thirty he is worried. He thinks he's turning into a bit of a crank. So Andy decides that he must try to love sport - and just maybe it will love him back. He shivers for a season in the stands at QPR, braves the queues at Wimbledon, stays (reasonably) sober at the Boat Race, gets his money's worth at a WWF event. But to really show his commitment, he takes up the one sport now dear to his heart - crazy golf. Dreaming of putting glory, he heads for Europe and the International circuit. No one can accuse him of being a crank now . . .

Words"

2008 Wolfgang Mieder "This book presents a composite picture of the richness of proverbs as significant expressions of folk wisdom as is manifest from their appearance in art, culture, folklore, history, literature, and the mass media. The book draws attention to the fact that proverbs as metaphorical signs continue to play an important role in oral and written communication. Proverbs as so-called monumenta humana are omnipresent in all facets of life, and while they are neither sacrosanct nor saccharine, they usually offer much common sense or wisdom based on recurrent experiences and observations."--BOOK JACKET.

knights, thwarted love, and literary rivalry is set against the background of a mighty empire that is suffering from a century of reckless wars and a ruling hierarchy stultified by patronage and ritual.

High on God

2020-01-10 James Wellman Jr. "God is like a drug, a high, [I] can't wait for the next hit." This direct quote from a megachurch member speaking about his experience of God might be dismissed as some sort of spiritually-induced drug riff. However, according to the research in this book, it was not only sincere, but a deeply felt, and sought-after sensibility. Megachurch attendees desire this first-hand experience of God, and many report finding it in their congregations. The book focuses on the emotional, social and religious dynamics that pull thousands of people into megachurches and how those churches make some feel like they are "high on God" and can't wait to get their next

gives the first robust and plausible explanation for why megachurches have conquered the churchgoing market of America. Without condescension or exaggeration, the authors show the genius of megachurches: the power of charisma, the design of facilities, the training of leaders, the emotional dynamics, and the strategies that bring people together and lead them to serve and help others. Using Emile Durkheim's concept of homo duplex, the authors plot the strategies that megachurches employ to satisfy the core human craving for personal meaning and social integration, as well as personal identity and communal solidarity. The authors also show how these churches can go wrong, sometimes tragically so. But they argue that, for the most part, megachurches help their attendees find themselves through bonding with and serving others.
