| <b>Corpus Approaches to Language in Social Media</b>   |
| 2023-08-18 Matteo Di Cristofaro This book showcases the unique possibilities of corpus linguistic methodologies in engaging with and analysing language data from social media, surveying current approaches, and offering guidelines and best practices for doing language analysis. The book provides an overview of how language in social media has been approached by linguists and non-linguists, before delving into the identification of the datasets requirements needed to pursue investigations in social media, and of the technical aspects of particular platforms that may influence the analysis, such as emoticons, retweets, and metadata. Sample Python code, along with general guidelines for using it, is provided to empower researchers to apply these techniques in their own work, supported by actual examples from three real-life case studies. Di Cristofaro highlights the full potential of using these methodologies in analysing social media language data and the ways in which they might pave the way for future applications of data analysis and processing for corpus linguistics. The book will be key reading for researchers in corpus linguistics and linguists and social scientists interested in data-driven analysis of social media.  |
| <b>Symbolic Power in Cultural Contexts</b>   |
| 2008-01-01 Culture and power are among the most passionately argued concepts and ideas amongst social scientists. The relation between culture and power manifests itself in the concept of symbolic power. The essays in this multifaceted book examine the past and present forms of symbolic power in different geographical and temporal contexts. The book is organized into four major parts. The first part, Symbolic (Mis)representations of Reality, focuses on the concept of symbolic power, classification as a strategy of symbolic manipulation, the authority of first person narration, advanced marginality, and t.   |
| <b>APM - Archeologia Postmedievale, 18, 2014 - Archeologia dei relitti postmedievali / Archaeology of Post-Medieval Shipwrecks</b><br>2014-12-11 Carlo Beltrame Archeologia dei relitti postmedievali / Archaeology of Post-Medieval Shipwrecks, a cura di Carlo Beltrame Il volume, che raccoglie undici contributi di archeologi marittimi di molti paesi, ha l'obiettivo di accendere i riflettori sulle enormi potenzialità dei relitti di età storica, mettendo a confronto, da un lato, approcci diversi (di ambito mediterraneo ma anche statunitense, australiano e nord europeo), dall'altro, contesti archeologici con caratteristiche altrettanto diverse per l'ambiente di giacitura e per l'impiego civile o militare dell'imbarcazione. Gli studi, diacronici ma incentrati sul Cinquecento e sull'Ottocento, coprono le varie sfaccettature dell'indagine storica dei relitti di età postmedievale quali la costruzione navale, il commercio e la vita di bordo, ma anche aspetti di tipo squisitamente metodologico quali l'archeologia sperimentale navale. Si tratta di una novità assoluta per l'editoria scientifica italiana in cui questo particolare, ma molto promettente, ambito della ricerca archeologica non aveva ancora trovato adeguato spazio.   |

First Love that Never Fades

Anna never forgot her first love, Leo. They met when they were both 16, at a summer camp. They spent every day together, laughing, talking, kissing. They promised to stay in touch, to wait for each other, to love each other forever. But life had other plans. They lost contact, they moved on, they married other people. Years later, they met again, by chance, at a reunion. They felt the same spark, the same connection, the same love. But they also felt the same pain, the same guilt, the same regret. They had to make a choice, between their past and their present, between their hearts and their minds, between their first love and their last.

**Challenge al di l delle parole pdf pdf**

forgotten attic of an old Victorian mansion, where dust danced in the slanting sunlight, a chest rested beneath a tattered tapestry. Inside, letters bound in silk ribbons revealed the correspondence between two star-crossed lovers separated by centuries. Their words, like echoes in time, held the key to a love that defied the boundaries of mortality.

**Best Seller : al di l delle parole pdf pdf**

realm of historical fiction, where the past comes alive through the artistry of words, "Echoes of Eternity" by the maestro Penelope Timeless has garnered more than just historical accuracy—it has amassed a trove of glowing reviews and accolades, making it the gold standard in the genre.

**Life Lessons from al di l delle parole pdf pdf**

vast expanses of the Australian Outback, where the red earth held tales of ancient landscapes, an Indigenous artist named Yara Williams discovered her voice in the hues of ochre and the canvas of her ancestral Dreamtime. Yaras journey would weave the stories of her people into the contemporary art scene, bridging cultures through her vibrant canvases.

**APM - Archeologia Postmedievale, 19, 2015 - Gran Bretagna e Italia tra Mediterraneo e Atlantico: Livorno – ‘un porto inglese’ / Italy and Britain between Mediterranean and Atlantic worlds: Leghorn – ‘an English port’**

2017-09-08 Hugo Blake Livorno fu una creazione postmedievale di notevole successo. Diventò il più grande porto di transito del Mediterraneo e creò il concetto di porto franco in Europa. Costruita dai Granduchi Medici, prosperò come la più importante base commerciale nel Mediterraneo per i Poteri nord-atlantici. Tra questi il principale fu inglese, la cui Royal Navy garantì il suo successo commerciale e il predominio britannico nel Mediterraneo - un'area che era ancora la fonte di prodotti e beni di lusso e che forniva un mercato popolare per le manifatture, i metalli, il pesce, le riesportazioni coloniali ed i servizi di trasporto inglesi. Questo volume raccoglie quattordici contributi che danno prove materiali della relazione della Gran Bretagna con Livorno e la Toscana. Livorno was a remarkably successful post-medieval creation, which became the greatest transit port in the Mediterranean and pioneered the concept of the free port in Europe. Built by the Medici Grand Dukes, it prospered as the main commercial base in the Mediterranean for north Atlantic powers. Principal amongst these were the English, whose Royal Navy ensured their commercial success and Britain's dominance of the Mediterranean - an area which was still the source of luxury produce and goods and provided a populous market for British manufactures, metals, fish, colonial re-exports and shipping. This volume brings together fourteen papers highlighting the material evidence of Britain's relationship with Livorno and Tuscany.

*The Radical Machiavelli*

2015-08-24 The Radical Machiavelli: Politics, Philosophy and Language offers a partial and even partisan reading of Machiavelli, whose thought continues to divide interpreters, forcing them to confront their responsibility as contemporary thinkers in a global society.
