*Solutions counseling strategies and interventions for professional helpers*___The work "Analyzing Casual Conversation" by Suzanne Eggins and Diana Slade, first published in 1997, establishes a systematic model for the analysis and depiction of casual conversation in English. The scholars contend that despite its sometimes aimless appearance and apparently unstructured substance, casual conversation is a highly structured activity and performs a vital function in the social formation of reality. The work proceeds through genuine examples of casual conversations including participants varying in age, gender, ethnicity, and socio-economic class12. Drawing on perspectives from sociology, linguistics, and critical semiotics, the work furnishes readers with the analytic skills to portray the layers of structure and critical interpretive frameworks to explain the ‘social work’ that happens on through chat.
