Lessons in Truth
2022-11-13 H. Emilie Cady Lessons in Truth: A Course of Twelve Lessons in Practical Christianity is the core texts on Unity Church teachings and it is one of the best representatives of New Thought philosophy. The spiritual models presented in Dr. Cady's lessons show us how to enhance our confidence and inner power, and improve our spiritual development. In the beginning of 1892, a series of articles titled Lessons in Truth by Dr. Cady were published in Unity magazine. This material later was compiled into a book and it was the first book Unity published. It is now the most widely read book in that movement and it has been translated into eleven languages and braille. Harriet Emilie Cady (1848-1941) was an American homeopathic physician and author of New Thought spiritual writings. She was inspired and influenced by Biblical teachings and the philosophy of Ralph Waldo Emerson. She was taught by Emma Curtis Hopkins, the New Thought "teacher of teachers" and a student of Christian Science. Cady associated with several prominent figures in the New Thought movement of the time and Charles and Myrtle Fillmore, co-founders of Unity Church.

The Universe Is Calling
2010-05-25 Eric Butterworth "A wonderful book...truly a life-changer." —Norman Vincent Peale In his much-beloved classic, The Universe is Calling, Eric Butterworth, Unity minister and acclaimed author of Discover the Power Within You, offers a non-theological, non-ritualistic guide to prayer for contemporary seekers of guidance, wholeness, and self-regulation. The call of the universe, Butterworth explains, is the call to, "take charge of your life, to release your imprisoned splendor." His spiritually liberating wisdom is powerful and inspiring, and it will lead readers to a truer and stronger connection with the divine.

Discover the Power Within You
2010-05-18 Eric Butterworth The Inspirational Classic That Has Sold More Than 250,000 Copies! In this 40th anniversary edition of Eric Butterworth's inspiring tour de force, the author shares the greatest discovery of all time: the ability to see the divine within us all. Jesus saw this divine dimension in every human being, and Butterworth reveals this hidden and untapped resource to be a source of limitless abundance. Exploring this "depth potential," Butterworth outlines ways in which we can release the power locked within us for better health, greater confidence, increased success, and inspired openness to let our "light shine" forth for others.

Life Is for Loving
2011-02-01 Eric Butterworth The word "love" may have become a cliché, but in Life is for Loving, Eric Butterworth maintains that love is vital, cosmic energy flowing through us all. Life is not for existing or "making do," but for loving, and Butterworth shows us how we are to find love in all aspects of life—marriage, sexuality, work, spirituality, and more. Making use of personal experiences, the insights of philosophers and poets, and the cumulative wisdom of the ages, Butterworth convinces us that love is the key to life, and that life—all of it—is for loving.

The Power Within
1969 Eric Butterworth One of the greatest challenges facing mankind today is the need to find a faith that will serve modern man and his problems. The lack of such a faith could explain why so many people are becoming drop-outs from Christianity. Eric Butterworth's book is a result of the author's personal search for a practical day-to-day Christianity. The greatest discovery of all time, he says in The Power Within, was that made by Jesus of the divine dimension in every human being. Christianity, says the author, has emphasised the divinity of Jesus, but Jesus Himself taught the divinity of man. His most vital mission on earth was to help man discovers this. The entire Gospel message deals with techniques for unfolding this divine potential, and Eric Butterworth's book, in its close relationship to the teaching of Jesus, is thus a valuable self-help book for modern men and women who are seeking a truly full way of life. Like Emmet Fox, the author asks, "What did Jesus really teach?", and the direct and simple answers he presents should bring great comfort to many who have forgotten even to ask the question.
