—The Mystery of the Missing Diamond

It was a dark and turbulent night. The downpour was falling heavily, and the wind was whistling. In the center of the metropolis, there was a museum, where a invaluable diamond was on exhibit. The diamond was known as the African Star, and it was the greatest and most gorgeous diamond in the world. It was guarded by a high-

tech security system, and a team of equipped guards. No one could rob it, or so they thought. But someone did. Somebody managed to bypass the protection, to evade the sentinels, to smash the window, and to steal the diamond. And no one observed them, no one heard them, no one knew who they were. They left no sign, no lead, no evidence. They faded into the night, with the Star of Africa. And the mystery of the missing diamond began.
