Slaughterhouse-Five 1999-01-12 Kurt Vonnegut Kurt Vonnegut's masterpiece, Slaughterhouse-Five is "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (Time). Selected by the Modern Library as one of the 100 best novels of all time Slaughterhouse-Five, an American classic, is one of the world's great antiwar books.

Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming "unstuck in time." An instant bestseller, *Slaughterhouse-Five* made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made people—young people especially—want to write." George Saunders has declared Vonnegut to be "the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves." More than fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era's uncertainties.

Outside the rain is falling. Alexander Zeldin's new play is the culmination of a trilogy that began with Beyond Caring - 'Unforgettable' (The Times) - and followed by LOVE - 'the National's play of the year, and then some' (Evening Standard). She is one of the most borrowed authors from British libraries and she holds a fascination for readers old and young alike. Yet until 1974, when Barbara Stoney first published her official biography, little was known about this most private author, even members of her own family. The woman who emerged from Barbara Stoney's remarkable research was hardworking, complex, often difficult and, in many ways, childlike. Now this widely praised classic biography has been fully updated for the twenty-first century and, with the addition of new colour illustration and an extended bibliography of Enid Blyton's books, it documents the growing appeal of this extraordinary woman and her writing. The fascinating story of one of the world's most famous authors will once again intrigue and delight all those with an interest in her timeless books.

The Peabody Picture Vocabulary Test 4th Edition (PPVT-4) is a well-respected vocabulary test that has been in operation for almost half a century. Created by Lloyd M. Dunn and Douglas M. Dunn, the test is crafted to assess receptive vocabulary for American English. It is quick and effortless to carry out, conserving valuable time so that concentration can be placed on executing successful interventions.

The PPVT-4 assessment material covers a wide range of receptive vocabulary grades, ranging from preschool through adulthood. The evaluation items widely feature words that depict 20 subject areas (e.g., actions, vegetables, tools), parts of speech (nouns, verbs, attributes), and household and school vocabulary.

The evaluation offers two equal forms which hold various vocabulary words, making sure that the individual has not "memorized" the evaluation. One version can be used ahead of intervention to assess test-takers' vocabulary understanding and the alternative version can be employed for re-testing to evaluate and document improvement. The PPVT-4 also features a distinctive Growth Scale Value (GSV) which is responsive to slight changes over time.
