*Veils 2*

2020-06-10 Linda Mooney Griffin and Natalia are still surviving one veil at a time, living life not knowing when another one might make an appearance, or where it may take them. Mountains, desert, summer or winter–there’s no way to prepare, they just take what’s thrown at them. Through it all their love continues to grow, and it’s more than just because of circumstance. They’ve grown to rely on each other. Depend on one another. But they shouldn’t get too comfortable… They soon learn that with the storms, they’re not only traveling to different locations, but different times as well. How far into the future or past will they go? When will it end? No one knows. All that matters is they have to survive, no matter what. Together. Do they find strength in numbers, gain new allies, or are they safer with just the two of them? New enemies, old friends, and new revelations of their situation… They’ve developed a theory, and if it’s correct, they could finally end back up where they started, but that could mean losing each other for good, which they vow never to do.

**Her Battle Lord's Desire**

2011-04-16 Linda Mooney Besieged by Bloods and placed on a hunger watch, the citizens of the mutant compound of Wallis turn to the one person they pray will help, the Battle Lord of Alta Novis. Despite the fact that they took away the woman the man risked his life to love, they hope he will show mercy and lend aid. They never expected to find Atrilan Ferran alive and thriving as the wife of Yulen D'Jacques. Yulen sees this as the perfect opportunity to show the citizens of Atty's home compound the power and status his wife wields. But first he, Atty, and his soldiers have to risk the journey against the oncoming horde of blood-thirsty crazies to get there. Atty is eager to return to Wallis, but one small detail stands in the way of her and Yulen's happiness. He desires an heir, and she is terrified at the thought of becoming pregnant. Worse, the dangerous trek has increased his ardor, and she is running out of excuses why they can't make love.

*My Battle Lord's Passion*

2020-05-16 Linda Mooney The battle lord and lady of Alta Novis are still recovering from disease and loss, but things are slowly getting back to normal. Of course, things can't be that easy. There's a new enemy in town, of the eight-legged variety—an infestation of them. The species is a new one, and it's unknown how dangerous they are, but Yulen isn't going to take any risks to find out. With a plan in motion, Yulen and a small army of men set out to track down the giant creatures, finding their nest in a cave. He and his crew waste no time going in to burn out the egg sacs, but when Yulen emerges from the flaming caverns, he finds himself..in the past? At least, he believes so when he sees the figure of a long-dead adversary. Somehow, a twist of fate has switched Yulen with a different version of himself. With the monstrous Yulen. The way he was before Atty. Before love. Before his acceptance of the Mutah. Realizing the other D'Jacques could be with his Aty, the reformed Yulen is seeing what his life would be like if she'd never come along. Now he must figure out how to get back to his own present. But before he does, he knows he has to bring this alternate timeline back up to speed with his own thriving world. Parallel lives, parallel realities, but totally different people and circumstances. Sometimes you learn a lot about yourself from experiences that you never knew possible, and it alters the course of your future for the better.

**His Battle Lord's Curse**

2019-03-15 Linda Mooney Things seem to have settled down among the people of Alta Novis. Normals and Mutah are working together, and families are thriving. The compound is filled to capacity and brimming with new life, but their good fortune can only last for so long. Winter is setting in, and the surrounding countryside is being plagued by unexpected swarms of wild animals. In addition, a horde of rats is contaminating the food supplies and destroying goods, but why? Where are all these creatures coming from? And why is it happening now? It all seems to point to one man – a sorcer who shows up at the compound and demands obedience, or else he'll bring down a devastating curse upon them all. A curse that threatens to take away all Yulen D'Jacques holds dear. The Battle Lord finds himself at odds between fact and fiction, but he'll stop at nothing to save his family, as well as his dynasty. But sometimes the real enemy can't be seen, making it an almost impossible battle to fight, much less win.

*Our Battle Lord's Ransom*

2023-03-14 Linda Mooney When a caravan of gypsies arrives at Alta Novis, looking to make a deal, these new visitors raise suspicions. It isn't until the battle lord sees what they have for sell that his concerns and reservations are raised even more—a cannon, guns, and other weapons that haven't been seen in hundreds of years, and only heard about in stories these days. The group isn't happy when Yulen denies their requests, confiscates their weapons, and sends them on their way, but not before loading their wagons with supplies in a show of good will. But it isn't enough for the gypsy leader. When one of their own goes missing, Yulen and Atty will stop at nothing to get the battle prince back, but at what cost? Do their swords and arrows stand a chance against guns? A number of obstacles stand in their way as they go to retrieve their son, but the connection between a Mutah mother and her child will conquer all.

**Wet**

2023-09-02 Linda Mooney It has been raining for days on end all over the world. The inundation is causing blackouts, severe flooding, homes going underwater, as well as entire coastal towns disappearing. When will it stop? Wylie Barraga and his dad, Cesar, are hoping for the best but planning for the inevitable, packing up whatever supplies they can find and readying their bass boat to launch. When Wylie's girlfriend, Gwen, and her sister, Harper, call for help, Wylie and Cesar come to the rescue. Before long, water starts filling the house, and the group knows it's time to head for higher ground. Supplies are dwindling and becoming harder to find with everything submerged in the quickly rising water. Emergencies bring out the worst in people, and it doesn't take long until it becomes survival of the fittest. But people have to work together to survive, and there are a few good ones left, ready to band together and look out for each other. Who can they trust? Is there a scientific explanation for the unending deluge, or is it divine intervention? Loyalties are tested. At times like this family means everything, or to some it means nothing at all. There's nothing like the possible end of the world to bring out a person's true feelings and personality. Wylie and Harper are banking on love and humanity to win out. Warning! Contains a lost walkie-talkie, rain rain rain rain and more rain, Star Wars bandages, lots of improvisation, the need for coffee, a stroke of luck, ewww oatmeal, a drum, and one man realizing his mistake in time to find the woman he truly loves.

**Forbitten**

2018-06-10 Linda Mooney Not all who are bitten are turned. After World War III, better known as the Nuclear War, survivors were forced to move underground, where they had a better chance of survival. Those who were caught above ground in the aftermath inevitably died of exposure. However, the animals and vegetation were not so lucky. Although most species survived, they also mutated. And sometimes those mutations reached the remaining human population. Shaddoe March lives in one of those subterranean bunkers, called SubForty. Her life is nowhere idyllic. No one's is. But she's healthy, and that means she has a future. Until, one day, her nightmare becomes reality, and she's infected. She is thrown out of the bunker, above ground, unarmed and alone to face the hideous creatures and other Condemned who've been discarded to face their inevitable deaths. As she prepares herself for the worst, she finds redemption. Chyler Comstock was also infected, but he didn't turn, and he's not dead. Yet. Neither are the thirty-two other souls who've banded together for the sake of survival. When he meets Shaddoe, he's more than willing to let her join their group, but not until the critical thirty-seven-hour window is passed. If she remains human after that, then she'll be welcomed. But, for now, it's a waiting game, and the world ran out of patience decades ago.

*This Battle Lord's Quest*

2013-10-30 Linda Mooney The last time Yulen spoke to her, Atty was heading east, along with Fortune Kalich and several other hunters. With the latest onslaught of Bloods gone, so was the game, until there was little left to hunt to feed the growing population of Alta Novis. Since very few hunters went east, they figured it might yield good results. She planned to be gone four or five days at the most, a week tops, and promised to return with good news. That was, until Fortune returned without Atty. Worried and frightened, the Battle Lord, along with a handful of volunteers, go in search of the Battle Lady. They pray they'll find her alive. Either way, they are determined
