Build It, Make It, Do It, Play It! 2014-06-30
Catharine Bomhold A valuable, one-stop guide to collection development and finding ideal subject-specific activities and projects for children and teens. For busy librarians and educators, finding instructions for projects, activities, sports, and games that children and teens will find interesting is a constant challenge. This guide is a time-saving, one-stop resource for locating this

type of information—one that also serves as a valuable collection development tool that identifies the best among thousands of choices, and can be used for program planning, reference and readers' advisory, and curriculum support. Build It, Make It, Do It, Play It! identifies hundreds of books that provide step-by-step instructions for creating arts and crafts, building objects, finding ways to help the disadvantaged, or engaging in other activities ranging from gardening to playing games and sports. Organized by broad subject areas—arts and crafts, recreation and sports (including indoor activities and games), and so forth—the entries are further logically organized by specific subject, ensuring quick and easy use.

103 Crafts & Activities for Preschoolers & Toddlers 2015-09-12 Katherine Smiley Toddlers and preschoolers can be difficult to keep busy because their attention spans tend to be short lived. Yet, they are curious and imaginative and so much fun to spend time with. Furthermore, most young children just want to be entertained throughout the hours of the day and are eager to learn anything they can. Now, you too can collaborate with your little one on art masterpieces and decorative crafts, as well as play educational games. Whether you're a parent, nanny, day care provider, or preschool teacher, you can benefit from this long list of activities to stimulate children's minds and keep their hands busy for hours. In this book you will find a wealth of ideas to

share with your young child. Some of the activities require your close supervision. Many of the arts and crafts projects will result in beautiful seasonal decorations to display in your home. You will be astounded by the creations you can make with your preschooler, who will, alternatively, be enthusiastic about tapping their imagination, enhancing their knowledge, and most of all, spending valuable time with you. The 103 activities are split into four main categories that correspond to the four seasons. Many of the projects can be done during any season, but the subcategories are themed. Here are what the subcategories look like: Introduction The Best Way to Use This Book I. Spring Let's Go Fishing Pirates and Princesses Easter II. Summer Let's Go on a Safari Gnomes and Fairies Fourth of July III. Fall Let's Be Detectives Cowboys and Native Americans Halloween IV. Winter Let's Make Music

Snowmen and Penguins Christmas

Pirate's Passage 2007-05-22 William Gilkerson Nova Scotia, 1952. Not exactly the place you'd expect to run into pirates. But an old mariner, his boat driven ashore in a gale, brings with him enough stories about buccaneers and their lore to make it seem that he must have had firsthand experience of the pirate life. But how is that possible? Captain Charles Johnson's uncanny knowledge of seamanship's dark side fuels the imagination of the young boy he befriends, setting the boy on his own journey of mysterious adventure.

Kylie Jean Craft Queen 2014 Marci Peschke Surprise! It's Kylie Jean. I've been to lots of parties. Why, I'm a real true party queen! You can be a party queen too. Throw a craft party, a pirate party, a rodeo party, a summer camp party, or any kind of party

Navigating Early 2014-12-23 Clare Vanderpool "Just the sort of book that saves lives by igniting a passion for reading."
—James Patterson "Reminiscent of Huckleberry Finn." —The Wall Street Journal

A Michael L. Printz Honor Winner From the author of Newbery Medal winner *Moon Over Manifest* comes the odyssey-like adventure of two boys' incredible quest on the Appalachian Trail. When Jack Baker's father sends him from his home in Kansas to attend a boys' boarding school in Maine, Jack doesn't know what to expect. Certainly not Early Auden, the strangest of boys. Early keeps to himself, reads the number pi as a story, and refuses to accept truths others take for granted. Jack, feeling lonely and out of place, connects with Early, and the two become friends. During a break from school, the boys set out for the Appalachian Trail on a quest for a great black bear. As Jack and Early travel deeper into the mountains, they meet peculiar and dangerous characters, and they make some shocking discoveries. But their adventure is only just beginning. Will Jack's and Early's friendship last the journey? Can the boys make it home alive?

Storytelling with Puppets 1998 Connie Champlin In this latest revision of Storytelling With Puppets, Connie Champlin has polished themes and fine-tuned sections to meet today's ever-changing programming environment, paying special attention to literature-based instruction and multicultural themes.

Mystery Off Pirate's Point 2019-05-16 L. A. Wadsworth The Lawrence twins, Steve and Tony, found this summer at Pirate's Point quite different from the usual even dullness. First they had new neighbors -- Professor Hillyard and his daughter, Pat. Then motorboats sped into the Cove mysteriously at night, without running lights. And Steve broke his leg, so Tony had to print his brother's weekly newspaper, though he had little interest in it. The annual calm is broken by a burglary, a theft, a series of peculiar advertisements and an adventure on the high seas, in all of which Pat Hillyard and Tony are tangled.
