He was tired of his life. He was bored, unhappy, and unfulfilled. He had a job he hated, a boss he despised, and a girlfriend he didn't love. He had no passion, no purpose, no meaning. He felt like he was wasting his time, his potential, his existence. He wanted to change, he wanted to escape, he wanted to live. He decided to quit his job, to break up with his girlfriend, to sell his belongings, and to buy a one-way ticket to the other side of the world. He didn't know where he was going, he didn't know what he was doing, he didn't know what he was looking for. He only knew that he had to go, that he had to explore, that he had to discover.
