The Influence of Social Media on Emotional Health

Social media has become an essential part of our day-to-day lives, especially for the young age group. We utilize it to communicate, to share, to gain knowledge, to divert, and to convey our thoughts. But what exactly are the effects of social media on our emotional health? In which manner can it impact our emotions, our self-worth, our interactions, our health, and our actions? This book aims to respond to these inquiries, by examining the latest investigations and data on the topic. It will explore the beneficial and negative facets of digital media, the hazard aspects and defensive aspects, the interventions and strategies, and the upcoming directions and consequences. It is going to also offer helpful suggestions and advice for consumers, parents, instructors, and specialists, on the way to use online platforms in a beneficial and responsible method.
