Eva had always been fascinated by magic, but she never expected to find out that she was a witch. She had grown up in a normal family, in a normal town, with no signs of anything supernatural. But on her sixteenth birthday, everything changed. She received a mysterious package from her grandmother, who had died years ago. Inside was a leather-bound book with the words “The Book of Shadows” engraved on the cover. Eva opened it and felt a surge of power run through her veins. She realized that the book contained the secrets of her family’s magical heritage, and that she was the last of a long line of powerful witches. But she also learned that she was not alone. There were others like her, and some of them wanted to use their magic for evil. Eva had to decide whether to embrace her destiny as a witch, or to reject it and live a normal life. But either way, she knew that her life would never be the same again.
