Legal Aspects of Marketing and Eventmanagement 2008-06 Christoph Lam Seminar paper from the year 2005 in the subject Sport - Sport Economics, Sport Management, University of Göttingen (Institut für Sportwissenschaften), course: Sportveranstalter und Marketing, 16 entries in the bibliography, language: English, abstract: Today's sport manager or administrator do not only have to be familiar with the process of management, but also need a knowledge of sport and the people involved with it. They are required to have management skills as well as a feeling for the business, which includes legal aspects. All kind of sport institutions or manifestation are influenced by legal aspect settings by constitutional / public law, federal civil rights, federal constitutions or contracts. Especially the wide range of opportunities of event management and marketing always leads to potential problems which are covered by legislation. Organizers and managers are often unaware of all essential legal duties when they are preparing and drafting a marketing plan. Many of them search specialist advice from lawyers, safety experts, and others with specific expertise in the areas they are unsure about. The risks of ignoring the duties should not be underrated at first glance, to do so could lead to consequences which could leave uncalculating damages and fatally problems for the organization or marketing plan (vgl. WATT 1998, 140 ff.). Even sport management and marketing is mainly based by total quality management which essentials are just to be more effective (vgl. WATT 1998, 114 ff.). Searching a solution or making a recreation plan is normally too late or a worst case. This is the reason why the combination of sport and legislation of management have become more demanding. The following chapters are about the host of legal issues affecting the marketing of products. The risks and duties of making sport products, as well as performing sport events, are illustrated in consideration of the property rights or the danger of collision with other currently availa

Many instructors teach their course from a very applied perspective, which aligns with Barth's approach.

****The Life and Legacy of Nelson Mandela****

Nelson Mandela stands as one of the most influential leaders of the 20th century. His life journey began on July 18, 1918, in the tranquil village of Mvezo, South Africa. Born into the Thembu royal family, he was bestowed with the name Rolihlahla, meaning "troublemaker" in Xhosa. Mandelas upbringing unfolded amidst a backdrop of racial inequality, where he witnessed firsthand the unjust treatment inflicted upon the Black majority by the ruling white minority government. Driven by a deep sense of fairness, he dedicated his life to the struggle for emancipation and equality, joining the African National Congress (ANC), a political organization dedicated to dismantling apartheid, the system of racial segregation that plagued South Africa. Emerging as a compelling lawyer, activist, and leader, Mandela faced numerous arrests and imprisonments for his unwavering resistance and defiance. For 27 years, he endured the harsh conditions and isolation of Robben Island, a notorious prison island, where his optimism never wavered. His unwavering commitment to freedom continued to inspire and mobilize his people and the world at large. In 1990, he walked out of prison, free at last, and in 1994, he made history as South Africa's first democratically elected Black president. Mandelas leadership ushered in a period of reconciliation, transforming South Africa into a nation of justice. His global impact extended far beyond South Africa's borders, as he became a beacon of democracy, recognized for his unwavering dedication to these ideals. In 1993, he was awarded the Nobel Peace

Prize, alongside numerous other accolades and honors. On December 5, 2013, at the age of 95, Mandela passed away, leaving behind a legacy of courage, understanding, and empathy. Revered as the father of the nation and one of history's greatest heroes, Mandel's legacy continues to inspire generations to come.
