If you would like to purchase both the physical text and MyHistoryLab, search for ISBN-10: 0134126718 / ISBN-13: 9780134126715. That package includes ISBN-10: 020596205X / ISBN-13: 9780205962051 and ISBN-10: 0205967779 / ISBN-13: 9780205967773. MyHistoryLab should only be purchased when required by an instructor. For courses in U.S. History Show students how diverse communities and different regions have shaped America Out of Many: A History of the American People, Eighth Edition offers a distinctive and relevant approach to American history, highlighting the experiences of diverse communities of Americans in the unfolding story of our country. The only American history text with a truly continental perspective, Out of Many offers community vignettes — from New England to the South, the Midwest to the far West — that help students see how diverse communities and different regions have shaped America's past. By focusing on particular communities and regions, Out of Many weaves the stories of the people and the nation into a single compelling narrative that continues to this day. Also available with MyHistoryLab® MyHistoryLab for the U.S. History Survey course extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. And Writing Space helps educators develop and assess concept mastery and critical thinking through writing, quickly and easily. Please note: this version of MyHistoryLab does not include an eText. Out of Many: A History of the American People, Eighth Edition is also available via REVEL™, an immersive learning experience designed for the way today's students read, think, and learn.

A History of the American People

2009-06-30 Paul Johnson "The creation of the United States of America is the greatest of all human adventures," begins Paul Johnson. "No other national story holds such tremendous lessons, for the American people themselves and for the rest of mankind." In his prize-winning classic, Johnson presents an in-depth portrait of American history from the first colonial settlements to the Clinton administration. This is the story of the men and women who shaped and led the nation and the ordinary people who collectively created its unique character. Littered with letters, diaries, and recorded conversations, it details the origins of their struggles for independence and nationhood, their heroic efforts and sacrifices to deal with the 'organic sin' of slavery and the preservation of the Union to its explosive economic growth and emergence as a world power. Johnson discusses contemporary topics such as the politics of racism, education, the power of the press, political correctness, the growth of litigation, and the influence of women throughout history. He sees Americans as a problem-solving people and the story of their country as "essentially one of difficulties being overcome by intelligence and skill, by faith and strength of purpose, by courage and persistence... Looking back on its past, and forward to its future, the auguries are that it will not disappoint humanity." Sometimes controversial and always provocative, A HISTORY OF THE AMERICAN PEOPLE is one author's challenging and unique interpretation of American history. Johnson's views of individuals, events, themes, and issues are original, critical, and in the end admiring, for he is, above all, a strong believer in the history and the destiny of the American people.

Lies My Teacher Told Me

2008 James W. Loewen Criticizes the way history is presented in current textbooks, and suggests a more accurate approach to teaching American history.

2012-09-25 Colin Woodard • A New Republic Best Book of the Year • The Globalist Top Books of the Year • Winner of the Maine Literary Award for Non-fiction • Particularly relevant in understanding who voted for who in this presidential election year, this is an endlessly fascinating look at American regionalism and the eleven “nations” that continue to shape North America According to award-winning journalist and historian Colin Woodard, North America is made up of eleven distinct nations, each with its own unique historical roots. In American Nations he takes readers on a journey through the history of our fractured continent, offering a revolutionary and revelatory take on American identity, and how the conflicts between them have shaped our past and continue to mold our future. From the Deep South to the Far West, to Yankeedom to El Norte, Woodard (author of American Character: A History of the Epic Struggle Between Individual Liberty and the Common Good) reveals how each region continues to uphold its distinguishing ideals and identities today, with results that can be seen in the composition of the U.S. Congress or on the county-by-county election maps of any hotly contested election in our history.

U.S. History

2017-12-19 P. Scott Corbett Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Out of the Northwoods

2010-09-24 Michael Edmonds Every American has heard of the lumberjack hero Paul Bunyan and his big blue ox. For 100 years his exploits filled cartoons, magazines, short stories, and children's books, and his name advertised everything from pancake breakfasts to construction supplies. By 1950 Bunyan was a ubiquitous icon of America's strength and ingenuity. Until now, no one knew where he came from—and the extent to which this mythical hero is rooted in Wisconsin. Out of the Northwoods presents the culture of nineteenth-century lumberjacks in their own words. It includes eyewitness accounts of how the first Bunyan stories were shared on frigid winter nights, around logging camp stoves, in the Wisconsin pinery. It describes where the tales began, how they moved out of the forest and into print, and why publication changed them forever. Part bibliographic mystery and part social history, Out of the Northwoods explains for the first time why we all know and love Paul Bunyan.
