Short story of a young tribesman's ritual journey across forbidden land in search of knowledge. The Sky is Gray 2002 Ernest J. Gaines A poor African American boy and his mother experience both discrimination and kindness during a trip to town to see the dentist.

When the Sky Falls 2022-04-05 Phil Earle A boy and a gorilla create an unbelievable bond in this powerful WWII tale for young readers, for fans of Alan Gratz and Michael Morpugo. "A wonderful story of hurt, kindness, and what it means to be human in an inhumane world." -The Times of London, Children's Book of the Year In 1940, with his father off to war, Joseph is sent on a train out of his British town into the care of Mrs. F., a gruff woman with no great fondness for children. But he soon discovers her softer side when she takes him to the rundown city zoo and he learns she is the only one who ever checks in on it. Many of the animals have escaped, been released, or have sadly starved . . . but not Adonis, a huge silverback gorilla. Adonis is strong and ferocious—and a danger to the whole city if a bomb should fall and damage the fence that keeps him in. But as Joseph struggles in his new school and starts to spend more time at the zoo, he finds, unexpectedly, Adonis becoming a loyal new friend. From acclaimed author Phil Earle comes a touching historical fiction story of how a boy and a gorilla find redemption in each other amid the toughest of circumstances.

Bloodline 2012-10-31 Ernest J. Gaines In these five stories, Ernest Gaines returns to the cane fields, sharecroppers' shacks, and decaying plantation houses of Louisiana, the terrain of his great novels A Gathering of Old Men and A Lesson Before Dying. As rendered by Gaines, this country becomes as familiar, and as haunted by cruelty, suffering, and courage, as Ralph Ellison's Harlem or Faulkner's Yoknapatawpha County. Gaines introduces us to this world through the eyes of guileless children and wizened jailbirds, black tenants and white planters. He shows his

characters eking out a living and making love, breaking apart and coming together. And on every page he captures the soul of black community whose circumstances make even the slightest assertion of self-respect an act of majestic—and sometimes suicidal—heroism. Bloodline is a miracle of storytelling. STORIES INCLUDE: A Long Day in November The Sky Is Gray Three Men Bloodline Just Like a Tree

The Road 2007-03-20 Cormac McCarthy WINNER OF THE PULITZER PRIZE • NATIONAL BESTSELLER • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). • From the bestselling author of The Passenger A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's latest bestselling novels, The Passenger and Stella Maris.

**The Murders in the Rue Morgue 2017-01-21**  
Edgar Allan Poe Edgar Allan Poe's *The Murders in the Rue Morgue* represents the beginning of crime fiction. The mystery was first published in *Graham's Magazine* in 1841 and has been recognized as the first detective story. Poe referred to it as one of his "tales of ratiocination". As the first fictional detective, Poe's Dupin displays many traits which became literary conventions in subsequent fictional detectives including Sherlock Holmes and Hercule Poirot. Many later characters, for example, follow Poe's model of the brilliant detective, his personal friend who serves as narrator, and the final revelation being presented before the reasoning that leads up to it. Dupin himself reappears in *The Mystery of Marie Rogêt* and *The Purloined Letter*.

**Prose 2015-01-13** Elizabeth Bishop Elizabeth Bishop's prose is not nearly as well known as her poetry, but she was a dazzling and compelling prose writer too, as the publication of her letters has shown. Her stories are often on the borderline of memoir, and vice versa. From her college days, she could find the most astonishing yet thoroughly apt metaphors to illuminate her ideas. This volume—edited by the poet, Pulitzer Prize-winning critic, and Bishop scholar Lloyd Schwartz—includes virtually all her published shorter prose pieces and a number of prose works not published until after her death. Here are her famous as well as her lesser-known stories, crucial memoirs, literary and travel essays, book reviews, and—for the first time—her original draft of *Brazil*, the *Time/Life* volume she repudiated in its published version, and the correspondence between Bishop and the poet Anne Stevenson, the author of the first book-length volume devoted to Bishop.

There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. *The Death and Life of Great American Cities* 2016-07-20 Jane Jacobs Thirty years after its publication, *The Death and Life of Great American Cities* was described by *The New York Times* as "perhaps the most influential single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the biting satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and delightfully

epigrammatic, Jacobs's small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable. The author has written a new foreword for this Modern Library edition.

The Diving Bell and the Butterfly 2008-03-06 Jean-Dominique Bauby A celebration of the liberating power of consciousness—a triumphant book that lets us witness an indomitable spirit and share in the pure joy of its own survival. In 1995, Jean-Dominique Bauby was the editor-in-chief of French Elle, the father of two young children, a 44-year-old man known and loved for his wit, his style, and his impassioned approach to life. By the end of the year he was also the victim of a rare kind of stroke to the brainstem. After 20 days in a coma, Bauby awoke into a body which had all but stopped working: only his left eye functioned, allowing him to see and, by blinking it, to make clear that his mind was unimpaired. Almost miraculously, he was soon able to express himself in the richest detail: dictating a word at a time, blinking to select each letter as the alphabet was recited to him slowly, over and over again. In the same way, he was able eventually to compose this extraordinary book. By turns wistful, mischievous, angry, and witty, Bauby bears witness to his determination to live as fully in his mind as he had been able to do in his body. He explains the joy, and deep sadness, of seeing his children and of hearing his aged father's voice on the phone. In magical sequences, he imagines traveling to other places and times and of lying next to the woman he loves. Fed only intravenously, he imagines preparing and tasting the full flavor of delectable

dishes. Again and again he returns to an "inexhaustible reservoir of sensations," keeping in touch with himself and the life around him. Jean-Dominique Bauby died two days after the French publication of *The Diving Bell and the Butterfly*. This book is a lasting testament to his life.

Sky Tree 2001-08-07 Thomas Locker A tree stands on a hill by a river. As the sky changes, so does the tree, its branches filling with clouds, stars, snow, birds, mists, and the golden spring sun. One tree can mean many things. Thomas Locker's lyrical text records the changes in the tree's world just as simply as a child might observe them, and his magnificent paintings crystallize the natural phenomena that embellish the tree on each page. Questions at the bottom of each page lead to a unique discussion in the back of the book, where art and science are intertwined, and further depth is added to the wonder of Sky Tree.

The Odyssey 1871 Homer

By the Waters of Babylon 2015-08-24 Stephen Vincent Benet The north and the west and the south are good hunting ground, but it is forbidden to go east. It is forbidden to go to any of the Dead Places except to search for metal and then he who touches the metal must be a priest or the son of a priest. Afterwards, both the man and the metal must be purified. These are the rules and the laws; they are well made. It is forbidden to cross the great river and look upon the place that was the Place of the Gods—this is most strictly forbidden. We do not even say its name though we know its name. It is there that spirits live, and demons—it is there that there are the ashes of the Great Burning. These things are forbidden—they have been forbidden since the beginning of time.
