It was a shadowy and tempestuous night. The downpour was falling heavily, and the breeze was whistling. In the heart of the town, there was a gallery, where a precious diamond was on exhibit. The diamond was named the Star of Africa, and it was the greatest and most beautiful diamond in the globe. It was secured by a advanced security system, and a squad of weaponized guards. No one could pilfer it, or so they assumed. But an individual did. An individual managed to bypass the protection, to avoid the watchmen, to smash the glass, and to take the diamond. And no one saw them, no one heard them, no one identified who they were. They exited no trace, no hint, no evidence. They disappeared into the darkness, with the African Star. And the mystery of the vanished diamond started.
