1884 Contains alphabetical lists of flowers and the meaning associated with them.

*The Complete Language of Flowers*

2022-04-12 S. Theresa Dietz The Complete Language of Flowers is a comprehensive and definitive dictionary/reference presenting the history, symbolic meaning, and visual depiction of 1,001 flowers and botanicals from around the world in one volume—now in a pocket-size edition for easy, on-the-go reference.

**The Language of Flowers**

2011-08-23 Vanessa Diffenbaugh NEW YORK TIMES BESTSELLER The Victorian language of flowers was used to convey romantic expressions: honeysuckle for devotion, asters for patience, and red roses for love. But for Victoria Jones, it’s been more useful in communicating mistrust and solitude. After a childhood spent in the foster-care system, she is unable to get close to anybody, and her only connection to the world is through flowers and their meanings. Now eighteen and emancipated from the system with nowhere to go, Victoria realizes she has a gift for helping others through the flowers she chooses for them. But an unexpected encounter with a mysterious stranger has her questioning what’s been missing in her life. And when she’s forced to confront a painful secret from her past, she must decide whether it’s worth risking everything for a second chance at happiness. Look for special features inside. Join the Circle for author chats and more. Praise for The Language of Flowers "Instantly enchanting . . . [Diffenbaugh] is the best new writer of the year."—Elle "I would like to hand Vanessa Diffenbaugh a bouquet of bouvardia (enthusiasm), gladiolus (you pierce my heart) and lisianthus (appreciation). In this original and brilliant first novel, Diffenbaugh has united her fascination with the language of flowers—a long-forgotten and mysterious way of communication—with her firsthand knowledge of the travails of the foster-care system. . . . This novel is both enchanting and cruel, full of beauty and anger. Diffenbaugh is a talented writer and a mesmerizing storyteller. She includes a flower dictionary in case we want to use the language ourselves. And there is one more sprig I should add to her bouquet: a single pink carnation (I will never forget you)."—Washington Post "A fascinating debut . . . Diffenbaugh clearly knows both the human heart and her plants, and she keeps us rooting for the damaged Victoria."—O Magazine "Diffenbaugh effortlessly spins this enchanting tale, making even her prickly protagonist impossible not to love."—Entertainment Weekly

**A Victorian Flower Dictionary**

2011-09-20 Mandy Kirkby "A flower is not a flower alone; a thousand thoughts invest it." Daffodils signal new beginnings, daisies innocence. Lilacs mean the first emotions of love, periwinkles tender recollection. Early Victorians used flowers as a way to express their feelings—love or grief, jealousy or devotion. Now, modern-day romantics are enjoying a resurgence of this bygone custom, and this book will share the historical, literary, and cultural significance of flowers with a whole new generation. With lavish illustrations, a dual dictionary of flora and meanings, and suggestions for creating expressive arrangements, this keepsake is the perfect compendium for everyone who has ever given or received a bouquet.

**Flora's Dictionary**

1995 Kathleen Gips Do you know what you're saying when you give the gift of flowers or plants? What's the difference between a red rose & a white one? Why shouldn't you give your spouse a yellow carnation or a pumpkin flower? The answers to these questions lie in the traditional meaning of plants. Even fruits & vegetables have meanings - potato for beneficence, raspberry for apology - & all of them are historically documented in this book. You'll learn how to be cold & cruel or warm & caring just by choosing different plants for a bouquet. Ms. Gips has spent twenty years researching the historical meaning associated with plants. This updated, expanded version of her previous book contains authentic meanings for more than 700 plants, including 40 rose forms. Anyone - lay or professional - who designs theme gardens, floral arrangements, wreaths or any kind of herbal or floral gift will find this one-of-a-kind book an indispensable reference. Authentic Victorian illustrations with color plates of tussie mussies. Dictionary format, includes index. Order from: Village Herb Shop, 26 South Main St., Chagrin Falls, OH 44022. 800-836-9120. Trade discount.

**Floriography**

2020-09-15 Jessica Roux A charming, gorgeously illustrated botanical encyclopedia for your favorite romantic, local witch, bride-to-be, or green-thumbed friend. Floriography is a full-color guide to the historical uses and secret meanings behind an impressive array of flowers and herbs. The book explores the coded significances associated with various blooms, from flowers for a lover to flowers for an enemy. The language of flowers was historically used as a means of secret communication. It soared in popularity during the 19th century, especially in Victorian England and the U.S., when proper etiquette discouraged open displays of emotion. Mysterious and playful, the language of flowers has roots in everything from the characteristics of the plant to its presence in folklore and history. Researched and illustrated by popular artist Jessica Roux, this book makes a stunning display piece, conversation-starter, or thoughtful gift.
