It was the year 2023, and the world stood on the verge of battle. The United States and Peoples Republic of China, the pair of global powers, had been entangled in a intense rivalry, contending for resources, influence, and supremacy. They had both engineered sophisticated armaments, such as laser weapons, unmanned aerial vehicles, and satellites, that can attack any location, anytime. They had also secretly constructed space stations, that can fire atomic weapons, which can annihilate the earth. They were both ready to use them, if necessary. But they were the sole ones. There was a 3rd force, a secret entity, which had watching them both, waiting patiently for them both, preparing for them. They were the ETs, and they had arrived to halt them both. They had come arrived to rescue the world, or to terminate it all. They had arrived to initiate the space wars which changed chronicle.
