advanced weapons, such as lasers, drones, and satellites, that could strike anywhere, anytime. They had also secretly built space stations, that could launch nuclear missiles, that could destroy the planet. They were ready to use them, if necessary. But they were not alone. There was a third force, a hidden force, that had been watching them, waiting for them, preparing for them. They were the aliens, and they had come to stop them. They had come to save the world, or to end it. They had come to start the star wars that changed history.
